River of Memory William D. Layman, 2006 River of Memory honors a place and time now gone from view It restores an unfettered Columbia through more than ninety historical photographs that capture the river as it once appeared This visual record is complemented with the words of early explorers surveyors and naturalists who wrote about specific places along the river and with new works by contemporary American and Canadian writers and poets Jacket **The Queerness of**

Native American Literature Lisa Tatonetti, 2014-11-30 With a new and more inclusive perspective for the growing field of queer Native studies Lisa Tatonetti provides a genealogy of queer Native writing after Stonewall Looking across a broad range of literature Tatonetti offers the first overview and guide to queer Native literature from its rise in the 1970s to the present day In *The Queerness of Native American Literature* Tatonetti recovers ties between two simultaneous renaissances of the late twentieth century queer literature and Native American literature She foregrounds how Indigeneity intervenes within and against dominant interpretations of queer genders and sexualities recovering unfamiliar texts from the 1970s while presenting fresh cogent readings of well known works In juxtaposing the work of Native authors including the longtime writer activist Paula Gunn Allen the first contemporary queer Native writer Maurice Kenny the poet Janice Gould the novelist Louise Erdrich and the filmmakers Sherman Alexie Thomas Bezucha and Jorge Manuel Manzano with the work of queer studies scholars Tatonetti proposes resourceful interventions in foundational concepts in queer studies while also charting new directions for queer Native studies Throughout she argues that queerness has been central to Native American literature for decades showing how queer Native literature and Two Spirit critiques challenge understandings of both Indigeneity and sexuality **The Life and Poetry of Ted Kooser** Mary K. Stillwell, 2013-09-01 Like a flash of lightning it

came to him the unathletic high school student Ted Kooser saw a future as a famous poet that promised everything glory immortality a bohemian lifestyle no more doing dishes no more cleaning his room and particularly important to the lonely teenager girls Unlike most kids with a sudden ambition Kooser winner of the Pulitzer Prize for Poetry and thirteenth poet laureate of the United States made good on his dream But glory was a long time coming and along the way Kooser lived the life that has made his poetry what it is as deeply grounded in family work and the natural world as it is attuned to the nuances of language Just as so much of Kooser's own writing weaves geography history and family stories into its measures so does this first critical biography consider the poet's work and life together his upbringing in Iowa his studies in Nebraska with poet Karl Shapiro as mentor his career in insurance his family life his bout with cancer and always his poetry Combining a fine appreciation of Kooser's work and life this book finally provides a fuller and more complex picture of a writer who perhaps more than any other has brought the Great Plains and the Midwest lived large and small into the poetry of our day
