Rms Queen Mary Queen Of The Queens:

RMS Queen Mary; Queen of the Queens William J. Duncan,1969 [RMS Queen Mary](#) David Ellery,2025-04-22

Probably the most famous and certainly one of the best loved ships in the world the Cunard transatlantic liner RMS Queen Mary has now been preserved at Long Beach California as a floating hotel and tourist attraction for more than fifty years comfortably longer than her 31 year career as an ocean liner Laid down in 1930 Queen Mary s construction was severely delayed by the Great Depression Eventually completed in 1936 the ship was an instant success capturing the famous Blue Riband for the fastest crossing of the Atlantic later that year and regaining it in 1938 During the Second World War she served as a troop ship carrying a total of 810 730 troops and also setting the record for the most individuals carried in a single voyage 16 683 which stands to this day By the time she ceased passenger service in 1967 superseded by the airliner as the preferred mode for international travel Queen Mary had carried nearly three million people from royalty politicians and film stars to emigrants and cruise passengers After her sale to the city of Long Beach she underwent a major conversion for her new life as a visitor attraction a role she has continued ever since During this time however her story has been far from straightforward with controversies over management funding and even the structural integrity of the very ship itself She now remains the only 1930s superliner left in the world The original edition of RMS Queen Mary the World s Favourite Liner was published in 1994 This new and expanded edition has been completely revised and brought up to date to describe the ship s last twenty five years and it incorporates a wealth of new photography Lavishly produced and stunningly illustrated throughout with views of the ship under construction at sea in her heyday and at rest in Long Beach it will appeal to all ocean liner enthusiasts and those more general readers fascinated by the heyday of transatlantic travel **RMS Queen Mary**

Shea,2013-08-01 An introduction to the history of the Queen Mary steamship and stories of hauntings there **RMS Queen Mary: A Majestic Journey Through History** Pasquale De Marco,2025-04-26 Journey back to the golden age of ocean travel aboard the RMS Queen Mary a legendary ocean liner that captured the hearts and imaginations of travelers worldwide From her glamorous maiden voyage in 1936 to her remarkable service during World War II and her transformation into a beloved tourist attraction the RMS Queen Mary s story is one of grandeur innovation and resilience In this comprehensive and captivating book you ll embark on a voyage through time exploring the RMS Queen Mary s rich history and enduring legacy Discover the stories behind her conception and construction marvel at her Art Deco interiors and luxurious amenities and learn about the fascinating personalities who graced her decks Delve into the ship s pivotal role in World War II as she crossed the treacherous waters of the Atlantic carrying troops and supplies to the front lines Experience the challenges and triumphs of her crew who risked their lives to ensure the safe passage of thousands of passengers and soldiers After the war the RMS Queen Mary resumed her transatlantic passenger service catering to a new generation of travelers eager to experience the elegance and excitement of ocean voyages However with the advent of jet airliners the era of ocean liners began to fade In 1967 the RMS Queen Mary made her final voyage across the Atlantic marking the end of an era Despite her retirement from active service the RMS Queen Mary s story was far from over In 1968 she found a new home in Long Beach California where she was transformed into a floating hotel and tourist attraction Today she welcomes visitors from around the world who come to explore her meticulously preserved interiors learn about her remarkable history and experience the grandeur of a bygone era RMS Queen Mary A Majestic Journey Through History is a celebration of this iconic vessel a tribute to the ingenuity and craftsmanship of a bygone era Through captivating storytelling and stunning imagery this book brings to life the RMS Queen Mary s golden age her wartime service and her enduring legacy as a cherished maritime landmark If you like this book write a review on google books The Age of Cunard Daniel Allen Butler,2004 For a century and a half the single most important sea lane in the world was the transatlantic route linking the Old World with the New For three hundred years sailing ships sufficed to carry cargoes and people but the demands of Steam Age business and commerce demanded more regularity Just as the steam engine had allowed railroads to replace the unpredictability of stagecoaches on land with dependable schedules steamships promised to bring this reliability to crossing the Atlantic This is where the story of the Cunard Line began The greatest influence Cunard would ever have on world events would be the leading role during the last half of the 19th century when the great migration of millions of emigrants transformed the populations of Europe the United States and Canada Wars devastation came to the Cunard Line with WW1 and WW2 as the power of the German

submarine fleet built with one purpose in mind to sever the North Atlantic shipping lanes threatened Great Britain's very existence. By 1963 more people chose to travel by airplane than by steamship and it was the beginning of the end. Sir Winston Churchill observed, "You came into great things by the accident of sea power. By an accident of air power you will probably cease to exist."

Haunted Long Beach 2 Claudine Burnett, 2010 Claudine Burnett, author of popular *Murderous Intent* and *Strange Sea Tales Along the Southern California Coast*, has at last revised and updated the long out of print *Haunted Long Beach*. Gathered from historical files and personal experiences, Ms. Burnett has researched these stories extensively to try to find historical evidence as to their cause. All in all, these ghostly tales are sure to entertain both visitors and residents alike.
