What If All Organizations Were Sinless? Joseph R. St. Fort, 2013-04 Just recently a chain of unfortunate events has violently shaken the financial world and contributed to exposing our irrational exuberance in Ponzi schemes and our vulnerability as human beings. Sweeping fear and uncertainty have mushroomed overnight into the corporate consciousness, an aura of powerlessness and defeatism that still lingers within the anxieties of Wall Street's daily fluctuations. To make matters worse, nature seems to play its part with subtle spiritual language through a chain of cataclysmic events predicted and coded in the Book of Revelation. Is it the labor pains for spiritual growth and maturity? Or is it the sign of the end of an age? In *What If All Organizations Were Sinless*, author Joseph St. Fort offers a roadmap for corporate leadership transformation specifically intended to achieve financial prosperity here on earth while harvesting righteous values and spiritual maturity as investments for eternal life thereafter. Although practical and spiritual wisdom are mutually exclusive constructs, he masterfully bridges their disconnect within a patient, methodical, comprehensive process of self-change leading to stewardship for the sake of our generation and future generations. *What If All Organizations Were Sinless* offers one last ultimate lease to all. Beware.
