Road Trip To The Heart Of Reality:

A Road Trip Into America's Hidden Heart - Traveling the Back Roads, Backwoods and Back Yards John Drake Robinson, 2012-11 He bought the car a dozen years ago Together they traveled every mile of every road on his highway map a 250 000 mile journey to discover the real America beyond the interstate Real people Obscure places Forgotten facts His story unfolds in Missouri but it could be about any state any traveler who drives into America s hidden heart *To the Heart of It* Maxine Platt, 2003 In April 2002 I went to New York with four co workers to volunteer at Ground Zero for a week At the time I was the director of an AmeriCorps program in Wisconsin I announced this opportunity to the AmeriCorps members serving in my program and then coordinated the trip for those who were able to come I knew this experience would change my life so I brought a journal with me to record my thoughts and experiences I wanted to remember what it was like when I was there so I brought the journal with me everywhere I went and wrote in it every opportunity I had Reading it can be difficult for me but I do it when I feel the need to reflect I wanted to write out the notes of my journal because I needed to release my feelings from Ground Zero I also felt it was important to share this experience with others Many of my loved ones asked me what it was like volunteering at Ground Zero but I couldn t verbalize it this memoir is a recollection of what I experienced while in New York based on my journal I changed some of the names to respect the privacy of those I met To separate the time I spent exploring New York and time at Ground Zero boldface type highlights time spent at Ground Zero Because it was such an emotional experience for me and because I experienced a lot some details are fuzzy but this is how I remember New York and Ground Zero This is my experience from the bus trip to volunteering at Ground Zero and exploring New York **The Road Warrior After God's Own Heart** Bryan Paul Buckley, 2023-10-16 The road Those that travel for business know what I mean by the challenge of the road The road is hard from staying in shape eating and getting any rest to keeping up with the work connecting with your family back home and just finding a few minutes to yourself to think and catch your breath Then you add the relentless distractions and temptations that only a road warrior knows and experiences The evil one whispers everything from Nobody will ever know to It s the cost of doing business to win or keep the deal so it s okay right The guilt shame and regret of the spiritual road warrior are all too often overwhelming and paralyzing One of my biggest challenges on the road is not only finding time alone with God but specially reading something that can relate to my life as a business traveler Until now So why David And what does he have to do with the life of a business traveler Plenty
