Roanoke Sonia Levitin,2000 An English youth and an Indian girl are caught up in the events leading to the mysterious disappearance of the colony at Roanoke Island **Roanoke** Peter I. Bosco,1992 Reviews the events surrounding the founding and mysterious disappearance of the first English settlement in the New World **The Mystery of the Roanoke Colony** Xavier W. Niz,2006-09 Explains the mysterious story of the disappearance of a group of early American colonists Written in graphic novel format **The Lost Colony of Roanoke** Brandon Fullam,2017-03-21 When Governor John White sailed for England from Roanoke Island in August 1587 he left behind more than 100 men women and children They were never seen again by Europeans For more than four centuries the fate of the Roanoke colony has remained a mystery despite the many attempts to construct a satisfactory convincing explanation New research suggests that all past and present theories are based upon a series of erroneous assumptions that have persisted for centuries Through a close examination of the early accounts previously unknown or unexamined documents and native Algonquian oral tradition this book deconstructs the traditional theories What emerges is a fresh narrative of the ultimate fate of the Lost Colony **Roanoke, the Lost Colony** Angela E Hunt,2023-07-05 In 1587 a group of colonists set sail from England bound for Virginia to establish the first English colony in the New World They never made it to Virginia but settled on Roanoke Island John White the colony s founder sailed away promising to return By the time he did return the colonists had vanished Angela Hunt has pieced together historical records folklore and fact to create this compelling story of what most likely did happen to the colonists on Roanoke Island while at the same time weaving a tale of God s mercy and grace *A Kingdom Strange* James Horn,2010-03-30 In 1587 John White and 117 men women and children landed off the coast of North Carolina on Roanoke Island hoping to carve a colony from fearsome wilderness A mere month later facing quickly diminishing supplies and a fierce native population White sailed back to England in desperation He persuaded the wealthy Sir Walter Raleigh the expedition s sponsor to rescue the imperiled colonists but by the time White returned with aid the colonists of Roanoke were nowhere to be found He never saw his friends or family again In this gripping account based on new archival material colonial historian James Horn tells for the first time the complete story of what happened to the Roanoke colonists and their descendants A compellingly original examination of one of the great unsolved mysteries of American history *A Kingdom Strange* will be essential reading for anyone interested in our national origins **The Secret Token** Andrew Lawler,2019-06-04 National Bestseller A sweeping account of America s oldest unsolved mystery the people racing to unearth its answer and the sobering truths about race gender and immigration exposed by the story of the Lost Colony of Roanoke In 1587 115 men women and children arrived at Roanoke Island on the coast of North Carolina Chartered by Queen Elizabeth I their colony was to establish England s first foothold in the New World But when the colony s leader John White returned to Roanoke from a resupply mission his settlers were nowhere to be found They left behind only a single clue a secret token carved into a tree

Neither White nor any other European laid eyes on the colonists again What happened to the Lost Colony of Roanoke For four hundred years that question has consumed historians and amateur sleuths leading only to dead ends and hoaxes But after a chance encounter with a British archaeologist journalist Andrew Lawler discovered that solid answers to the mystery were within reach He set out to unravel the enigma of the lost settlers accompanying competing researchers each hoping to be the first to solve its riddle Thrilling and absorbing The Secret Token offers a new understanding not just of the first English settlement in the New World but of how the mystery and significance of its disappearance continues to define and divide our country
