Robert Jacob Gordon 1743-1795:

Robert Jacob Gordon, 1743-1795 Patrick Cullinan, Robert Jacob Gordon, 1992 **The Last Voyage of the Guardian, Lieutenant Riou, Commander, 1789-1791** Edward Riou, 1990 **Assegais, Drums & Dragoons** Willem Steenkamp, 2012-03-22 What motivated a small multiracial force of Cape born soldiers whites coloureds and Malays to put up such stiff resistance at the Battle of Blaauwberg in 1806 in spite of odds so overwhelming that even some long serving professional soldiers broke rank and ran This was the intriguing question that launched author Willem Steenkamp's research It was an investigation which eventually took him back to 150 years before Jan van Riebeeck landed at the Cape in 1652 and involved examining the social as well as the military history of the Cape What Steenkamp discovered differs from what most South Africans think about that period and he corrects a number of serious misconceptions not only about the soldiers of 1510 1806 but about the social and political development of the Cape For students of the Napoleonic Wars the book provides new information about a forgotten aspect of that conflict for the ordinary reader here is a story no one has ever told before in its entirety Assegais Drums and Dragoons A Military and Social History of the Cape is a well researched and fascinating account that now illuminates a previously lightless corner of South African military history Descended from a 1690s era soldier Willem Steenkamp is a writer journalist and specialist tour guide who has also been a soldier a security advisor and a director of military tattoos and other spectacles among several other things Since childhood he has been absorbing the Cape's history from family stories one of his ancestors was a hero of the Battle of Blaauwberg and voluminous reading And yes he actually has fired flintlock muskets and muzzle loading cannon Willem lives in Cape Town **Dictionary Of British And Irish Botanists And Horticulturalists Including plant collectors, flower painters and garden designers** Ray Desmond, 2020-12-23 Over the past four centuries botanists and gardeners in the British Isles have gathered maintained and propagated many varying species of plants Their work has been documented in innumerable books and articles which are often difficult to trace The Dictionary of British and Irish Botanists and Horticulturalists represents a time saving reference source for those who wish to discover more about the lives and achievements of the horticulturalists listed The dictionary's utility comes not only from indicating the major publications of the named authors but also the location of their herbaria and manuscripts The previous 1977 edition of the Dictionary has for many years been a much used source of information for botanists botanic artists and archivists In this revised edition the scope has been expanded to include among its 13 000 entries flower painters in addition to botanical artists over 1400 entries and for the first time garden designers Finally the Dictionary should have international appeal since so many botanists and gardeners worked on collective plants overseas in particular in North America and the British Commonwealth Each entry gives wherever possible details of dates and places of birth and death educational qualifications professional posts honours and awards publications location of plant collections manuscripts drawings and portraits Its main function however is to provide further biographical references to books and

periodicals Comprehensive classified indices facilitate access by professions and activities countries and plant interests

Bibliography of Natural History Travel Narratives Anne S. Troelstra, 2017-06-01 Anne Troelstra's fine bibliography is an outstanding and ground breaking work He has provided the academic world with a long needed bibliographical record of human endeavour in the field of the natural sciences The travel narratives listed here encompass all aspects of the natural world in every part of the globe but are especially concerned with its fauna flora and fossil remains Such eyewitness accounts have always fascinated their readers but they were never written solely for entertainment fragmentary though they often are these narratives of travel and exploration are of immense importance for our scientific understanding of life on earth providing us with a window on an ever changing and often vanishing natural world Without such records of the past we could not track document or understand the significance of changes that are so important for the study of zoogeography With this book Troelstra gives us a superb overview of natural history travel narratives The well over four thousand detailed entries ranging over four centuries and all major western European languages are drawn from a wide range of sources and include both printed books and periodical contributions While no subject bibliography by a single author can attain absolute completeness Troelstra's work is comprehensive to a truly remarkable degree The entries are arranged alphabetically by author and chronologically by the year of first publication under the author's name A brief biography with the scope and range of their work is given for each author every title is set in context the contents including illustrations are described and all known editions and translations are cited In addition there is a geographical index that cross refers between authors and the regions visited and a full list of the bibliographical and biographical sources used in compiling the bibliography *The Scientific Imagination in South Africa* William Beinart, Saul Dubow, 2021-05-20 An innovative three hundred year exploration of the social and political contexts of science and the scientific imagination in South Africa **African Thresholds:**

Borders and Places of Passage in Africa, c.1450 to Present, 2025-06-19 The Open Access publication of this book has been made possible by the Swiss National Science Foundation What is a border and why does it exist Reappraising a key idea from Arnold van Gennep's *Les rites de passage* this book argues that a border is a threshold a limen made to be crossed African Thresholds studies places of passage spanning from the riverine networks of Senegambia to border making in colonial Gold Coast and Côte d'Ivoire from the desert roads of central southern Africa to river heartlands in colonial Togo from flows of cowrie shells across the Volta River to insurgent borderities in the Lake Chad In a time when state borders are increasingly shut this book aims to show us that a border is made by those who cross it as much as by those who stand by it Contributors are Ettore Morelli Fernando Mouta Pierluigi Valsecchi Mar a Jos Pont Ch fer Giulia Casentini and Aim Raoul Sumo Tayo The Historical Karoo Chris Schoeman, 2013-09-30 To many people especially those driving along the N1 national road at high speeds the Karoo represents nothing more than a monotonous hot and arid landscape to be passed through as quickly as possible But in this vast open region history is everywhere if visitors would only look for it And that is

exactly the purpose of this book to point out all the many places buildings objects and associated personalities of historical interest in the Karoo The Karoo has been the world of travellers writers statesmen and scientists figures as diverse as Olive Schreiner Rudyard Kipling Winston Churchill and Dr Chris Barnard It has also been the scene of serious conflict of which the many old British blockhouses forts grave sites and memorials dating from the Anglo Boer War are vivid reminders and it still boasts old examples of vernacular and industrial architecture and engineering in the form of corbelled houses water mills and bridges The Historical Karoo is ordered according to three main routes that people drive through the area It provides short histories of the towns along the way and points out the sites buildings and other aspects of interest that can be found there Enlivened by historical and current photographs and informative side panels this book is a collector s item **Plant**

Names Simplified 3rd Edition: Their Pronunciation, Derivation and Meaning Adrian Stockdale, 2019-03-04 First published in 1931 by renowned horticulturalist Arthur Johnson Plant Names Simplified has become an established classic Presented in a glossary format this pocket sized reference book gives the name pronunciation and classification of common plants and the meaning behind the Latin origins of the name This enables the reader to learn how the terms should be spelled and pronounced correctly and provides an explanation of why plants like *Helianthus hirsutus* is so called because it is hairy Plant Names Simplified 3rd Edition is a reliable resource for gardeners of all abilities park managers botanists ecologists garden designers and horticultural practitioners and students 5m Books **Wild Karoo** Mitch

Reardon, 2018-06-01 After centuries of relative isolation the Karoo South Africa s parched heartland is a latecomer to the tourist industry What was once viewed as a harsh and desolate place of limited attraction is rapidly gaining popularity with visitors who now make the Karoo their destination keen to partake of its legendary charm its extraordinary flora and the resurgence of wildlife that once again populates its plains Wild Karoo documents Mitch Reardon s 4 000 kilometre journey of discovery through the region The book focuses on local nature conservation in all its facets the game large and small some recently reintroduced plus birds reptiles and invertebrates the unique arid adapted flora the landscape and geology the history and lifestyle of the people who have made a home here plans to combine public and private protected land to create wildlife corridors between isolated parks re establishing old migration routes and so reversing some of the effects of human settlement Beautifully written and illustrated with evocative photographs this book is a must read for anyone interested in travel wildlife and the environment
