Reading Robert Walser Simon Wortham,2025-05-06

Reading Robert Walser concentrates on the letters sent by the author Robert Walser to Frieda Mermet the laundry manager at a Swiss psychiatric hospital where his sister worked as a teacher Their exchange continued from 1913 to 1942 covering the time when Walser s literary fortunes declined after which he himself was placed in an asylum for almost three decades before his death in 1956 This epistolary history provides a reflection on the question of correspondence and literature particularly the subject of lost correspondence gender the question of address and the performance of identity Simon Wortham frames the letters with an extensive critical biography about the life and writing of Robert Walser whose work has enjoyed a resurgence in recent years As her side of the exchange no longer survives the book concludes with a fictional reimagining of Mermet s response to Walser s letters This creative part is carefully introduced by chapters on epistolary writing in a range of critical settings from modernism to literary theory and deconstruction as well as exploring what is at stake in creative engagements with a literary legacy of this kind Praise for Reading Robert Walser The very question of a subject is at stake in this enchanting book Intriguingly each chapter has a different voice from a man writing about Walser to a man writing as a woman speaking as Walser with a chorus in between that produces an exhilarating threefold reading of strangely connected desires Sharon Kivland artist writer and editor of the independent press MA BIBLIOTH QUE Reading Robert Walser gifts us a psychologically flexible approach to the incomparably brilliant modernist writer Never pathologizing Wortham shows that Walser s texts challenge us to think asexuality and queerness in new and dynamic ways Rather than pathologizing Walser Wortham productively stays under Walser s spell Barbara N Nagel Princeton University [Robert Walser and the Politics of Neglect](#) Simon Wortham,2025-10-29 This book s argument is that Walser toys with style in ways that are not purely literary but which carry the ambivalent resonance of politics in all its forms cultural politics sexual politics class politics both in his own time and still today Once almost forgotten the Swiss modernist author Robert Walser is now widely read and celebrated both in Europe and in the Anglo American world Such was his early promise that Franz Kafka was heralded by Robert Musil as a peculiar case of the Walser type The growing Walser Myth as Reto Sorg has called it has been fueled through reference to canonical readings by writers and critics such as Walter Benjamin Susan Sontag Elias Canetti W G Sebald and J M Coetzee Meanwhile others have suggested that the legacy of important figures in German writing such as Musil Karl Kraus Frank Wedekind and Walser himself suffered in the past from the early canonization of a quartet of authors taken to represent the high water mark of modern German literature Thomas Mann Rainer Maria Rilke Franz Kafka and Bertolt Brecht serving as a byword for literary achievement in the novel lyric poetry short prose and drama respectively Perhaps like Kafka Walser today feels uncannily modern He is therefore attracting a great deal of critical interest for the key

themes of his work the enigmatic and fleeting experience of modern life the intricacies of sexuality and sex identity the modern experience of work money and consumerism the intersecting politics of capitalism and populism and so on contemporary themes that connect powerfully with his own life and writing This study brings all of these issues into focus reassessing them through the lens of Walter Benjamin's claim that Walser's writing is to be thought of in terms of a certain neglect of style

Robert Walser Samuel Frederick, Valerie Heffernan, 2018-06-15 The Swiss writer Robert Walser 1878 1956 is now recognized as one of the most important European authors of the modernist period having garnered high praise from such prominent voices as Susan Sontag W G Sebald and J M Coetzee Robert Walser A Companion is the first comprehensive guide to Walser's work in English The twelve essays in this collection examine Walser's literary output historical milieu and idiosyncratic writing process addressing aspects of his biography discussing the various genres in which he wrote the novel short prose drama lyric poetry and letters and analyzing his best known novels and short stories alongside lesser known but no less fascinating poems plays and prose pieces An essential addition to the scholarship about this eccentric prolific and influential writer's work Robert Walser A Companion will be of interest both to established scholars and to those coming to Walser for the first time

The Enchanted Screen Jack Zipes, 2011-01-27 The Enchanted Screen The Unknown History of Fairy Tale Films offers readers a long overdue comprehensive look at the rich history of fairy tales and their influence on film complete with the inclusion of an extensive filmography compiled by the author With this book Jack Zipes not only looks at the extensive illustrious life of fairy tales and cinema but he also reminds us that decades before Walt Disney made his mark on the genre fairy tales were central to the birth of cinema as a medium as they offered cheap copyright free material that could easily engage audiences not only through their familiarity but also through their dazzling special effects Since the story of fairy tales on film stretches far beyond Disney this book therefore discusses a broad range of films silent English and non English animation live action puppetry woodcut montage Jim Henson cartoon and digital Zipes thus gives his readers an in depth look into the special relationship between fairy tales and cinema and guides us through this vast array of films by tracing the adaptations of major fairy tales like Little Red Riding Hood Cinderella Snow White Peter Pan and many more from their earliest cinematic appearances to today Full of insight into some of our most beloved films and stories and boldly illustrated with numerous film stills The Enchanted Screen is essential reading for film buffs and fans of the fairy tale alike

Comparative Modernism and Poetics of Time Özen Nergis Dolcerocca, 2023-10-05 This book explores the conceptualization of time in early twentieth century literature and thought based on a transnational and translational model of literary history focusing on Turkish French and German literary traditions Each from different cultural backgrounds these modernists provide a radical critique of modern time regimes which calibrate time in singular temporal narratives The book traces the philosophical strand of this critical chronometry from Henri Bergson's theory of time through Walter Benjamin's ambivalence towards decay of tradition and finally to A H Tanpınar and Robert Walser's modernist fiction

Negotiating regionally marked concepts and topoi of temporality it discusses networks of cultural circulations and maps a revised intersection of Turkish and Western European literary histories It is an essential read for scholars and students of comparative and world literature modernist studies and cultural history **They Have All Been Healed** Jan

Plug, 2016-07-15 In perhaps the most provocative reading to date of the Swiss German modernist Robert Walser Walter Benjamin asserted that Walser's figures have all been healed *They Have All Been Healed* takes up and extends Benjamin's assessment by following the figure of healing throughout major works by Walser from his minidrama *Snow White* and his acknowledged masterpieces *The Walk* and *Jakob von Gunten* to his enigmatic last novel *The Robber* At the same time Jan Plug reads Walser alongside his most compelling readers tracing how not only Benjamin but also Giorgio Agamben W G Sebald and the Brothers Quay complicate clarify and enact that same process of healing in their own work Working out the theological implications of Walser's work and of the tradition to which he gives rise Plug at once recasts one of the major authors of the twentieth century and articulates a new conception of healing and salvation *Anti-Tales* David

Calvin, Catriona McAra, 2011-05-25 The anti fairy tale has long existed in the shadow of the traditional fairy tale as its flipside or evil twin According to Andr Jolles in *Einfache Formen* 1930 such Antim rchen are contemporaneous with some of the earliest known oral variants of familiar tales While fairy tales are generally characterised by a spirit of optimism Tolkien the anti tale offers us no such assurances for every happily ever after there is a dissenting they all died horribly The anti tale is however rarely an outright opposition to the traditional form itself Inasmuch as the anti hero is not a villain but may possess attributes of the hero the anti tale appropriates aspects of the fairy tale form and its equivalent genres and re imagines subverts inverts deconstructs or satirises elements of these to present an alternate narrative interpretation outcome or morality In this collection Little Red Riding Hood retaliates against the wolf Cinderella's stepmother provides her own account of events and Snow White evolves into a postmodern vampire tale The familiar becomes unfamiliar revealing the underlying structures dynamics fractures and contradictions within the borrowed tales Over the last half century this dissident tradition has become increasingly popular inspiring numerous writers artists musicians and filmmakers Although anti tales abound in contemporary art and popular culture the term has been used sporadically in scholarship without being developed or defined While it is clear that the aesthetics of postmodernism have provided fertile creative grounds for this tradition the anti tale is not just a postmodern phenomenon rather the postmodern fairy tale is only part of the picture Broadly interdisciplinary in scope this collection of twenty two essays and artwork explores various manifestations of the anti tale from the ancient to the modern including romanticism realism and surrealism along the way *Critical Survey of Short*

Fiction: Isaac Bashevis Singer, 2001 **Comparative Criticism: Volume 9, Cultural Perceptions and Literary Values**

E. S. Shaffer, 1987-10-29 The ninth volume of this annual journal continues the consideration of the relations of European with non European literatures begun in volume 8 It brings the series of special bibliographies on the history of comparative

literary studies in the UK up to 1965 and contains the annual bibliography of comparative literature covering 1984

Encyclopedia of German Literature Matthias Konzett, 2015-05-11 Designed to provide English readers of German literature the opportunity to familiarize themselves with both the established canon and newly emerging literatures that reflect the concerns of women and ethnic minorities the Encyclopedia of German Literature includes more than 500 entries on writers individual work and topics essential to an understanding of this rich literary tradition Drawing on the expertise of an international group of experts the essays in the encyclopedia reflect developments of the latest scholarship in German literature culture and history and society In addition to the essays author entries include biographies and works lists and works entries provide information about first editions selected critical editions and English language translations All entries conclude with a list of further readings

The Castle Franz Kafka, 2012-12-05 From the author of *The Metamorphosis* and *The Trial* one of the greatest writers of the twentieth century the haunting tale of K's relentless unavailing struggle with an inscrutable authority in order to gain access to the Castle Translated and with a preface by Mark Harman Arriving in a village to take up the position of land surveyor for the mysterious lord of a castle the character known as K finds himself in a bitter and baffling struggle to contact his new employer and go about his duties The Castle's original manuscript was left unfinished by Kafka in 1922 and not published until 1926 two years after his death Scrupulously following the fluidity and breathlessness of the sparsely punctuated original manuscript Mark Harman's new translation reveals levels of comedy energy and visual power previously unknown to English language readers

Into the Heart of European Poetry John Taylor, 2017-07-05 John Taylor's brilliant new book examines the work of many of the major poets who have deeply marked modern and contemporary European literature Venturing far and wide from the France in which he has lived since the late 1970s the polyglot writer critic not only delves into the more widely translated literatures of Italy Greece Germany and Austria but also discovers impressive and overlooked work in Slovenia Bosnia Hungary Finland Norway and the Netherlands in this book that ranges over nearly all of Europe including Russia While providing this stimulating and far ranging critical panorama Taylor brings to light key themes of European writing the depth of everyday life the quest of the thing in itself metaphysical aspiration and anxiety the dialectics of negativity and affirmation subjectivity and self effacement and uprootedness as a category that is as ontological as it is geographical historical political or cultural The book pays careful attention to the intersection of writing and history or politics as several poets featured here have faced the Second World War the Holocaust Communism the fall of Communism or the war in the former Yugoslavia Taylor gives the work of renowned upcoming and still little known poets a thorough look all the while scrutinizing recent translations of their verse He highlights several poets who are also masters of the prose poem He includes a few novelists who have fashioned a particularly original kind of poetic prose that stylistic category that has proved so difficult for critics to define *Into the Heart of European Poetry* should be of immediate interest to any reader curious about the aesthetic and philosophical ideas

underlying major trends of contemporary European writing In a day and age when much too little is translated and thus known about foreign literature and when Europeans themselves are pondering the common denominators of their own culture this book is a *Franz Kafka in Context* Carolin Duttlinger, 2017-12-28 Franz Kafka 1883 1924 lived through one of the most turbulent periods in modern history witnessing a world war the dissolution of an empire and the foundation of a new nation state But the early twentieth century was also a time of social progress and aesthetic experimentation Kafka's novels and short stories reflect their author's keen but critical engagement with the big questions of his time and yet often Kafka is still cast as a solitary figure with little or no connection to his age *Franz Kafka in Context* aims to redress this perception In thirty five short accessible essays leading international scholars explore Kafka's personal and working life his reception of art and culture his engagement with political and social issues and his ongoing reception and influence Together they offer a nuanced and historically grounded image of a writer whose work continues to fascinate readers from all backgrounds

Critical Survey of Short Fiction Charles Edward May, Frank Northen Magill, 2001 Profiles more than four hundred authors of short fiction from around the world presenting biographical and bibliographic information and summaries of major works Also includes a reference volume with a chronology a bibliography lists of major award winners twenty nine essays on short fiction history theory and world cultures and three indexes

Encyclopedia of the Essay Tracy Chevalier, 2012-10-12 This groundbreaking new source of international scope defines the essay as nonfictional prose texts of between one and 50 pages in length The more than 500 entries by 275 contributors include entries on nationalities various categories of essays such as generic such as sermons aphorisms individual major works notable writers and periodicals that created a market for essays and particularly famous or significant essays The preface details the historical development of the essay and the alphabetically arranged entries usually include biographical sketch nationality era selected writings list additional readings and anthologies

A Place in the Country W.G. Sebald, 2014-02-18 *A Place in the Country* is W G Sebald's meditation on the six artists and writers who shaped his creative mind and the last of this great writer's major works to be translated into English This edition includes more than 40 pieces of art all originally selected by W G Sebald This extraordinary collection of interlinked essays about place memory and creativity captures the inner worlds of five authors and one painter In his masterly and mysterious style part critical essay part memoir Sebald weaves their lives and art with his own migrations and rise in the literary world Here are people gifted with talent and courage yet in some cases cursed by fragile and unstable natures working in countries inhospitable or even hostile to them Jean Jacques Rousseau is conjured on the verge of physical and mental exhaustion hiding from his detractors on the island of St Pierre where two centuries later Sebald took rooms adjacent to his Eighteenth century author Johann Peter Hebel is remembered for his exquisite and delicate nature writing expressing the eternal balance of both the outside world and human emotions Writer Gottfried Keller best known for his 1850 novel *Green Henry* is praised for his prescient insights into a Germany where the gap between self

interest and the common good was growing ever wider Sebald compassionately re creates the ordeals of Eduard Mörike the nineteenth century German poet beset by mood swings depression and fainting spells in an increasingly shallow society and Robert Walser the institutionalized author whose nearly indecipherable scrawls seemed an attempt to duck down below the level of language and obliterate himself and whose physical appearance and year of death mirrored those of Sebald's grandfather Finally Sebald spies a cognizance of death's inevitability in painter Jan Peter Tripp's lovingly exact reproductions of life Featuring the same kinds of suggestive and unexplained illustrations that appear in his masterworks *Austerlitz* and *The Rings of Saturn* and translated by Sebald's colleague Jo Catling *A Place in the Country* is Sebald's unforgettable self portrait as seen through the experiences of others a glimpse of his own ghosts alongside those of the men who influenced him It is an essential addition to his stunning body of work Praise for *A Place in the Country* Measured solemn sardonic hypnotic W G Sebald's books which he made out of classics remain classics for now Joshua Cohen *The New York Times Book Review* In Sebald's writing everything is connected everything webbed together by the unseen threads of history or chance or fate or death The scholarly craft of gathering scattered sources and weaving them into a coherent whole is transformed here into something beautiful and unsettling elevated into an art of the uncanny an art that was in the end Sebald's strange and inscrutable gift *Slate* Magnificent The multiple layers surrounding each essay are seamless to the point of imperceptibility *New York Daily News* Sebald's most tender and jovial book *The Nation* Reading *A Place in the Country* is like going for a walk with a beautifully talented deeply passionate novelist from Mars *New York* **Space to Act** Alan C. Leidner, Helga Stipa Madland, 1993 Essays on 18th century Sturm und Drang playwright J M R Lenz whose work shows many parallels with 20th century theater The essays collected in this volume constitute the first collection in English on the German writer Lenz 1751-1792 They grew out of the International J M R Lenz Symposium organized by Professor Madland and held in October 1991 at the University of Oklahoma Jakob Michael Reinhold Lenz a writer whose work has received increasing attention lately for its prefiguration of the theater of our own century emerges in these articles written by prominent Germanists and literary critics as a man ahead of his times bedeviled by the neuroses of modernity At the beginning of his career in the early 1770s Lenz was so highly regarded that he was compared to Goethe But Lenz had trouble establishing himself both socially and as a writer and only *Der Hofmeister* was staged during his lifetime By the time of his death at the age of 42 he had been almost forgotten by his contemporaries General essays focus on Lenz's interest in linguistic matters showing that he saw the unlocking of the potential of language as an act of liberation on literary genre and sexual gender in Lenz's work and linking Lenz's characters to those of the twentieth century on the rise of the lowly hero from Lenz to Georg Büchner to Bertolt Brecht

Yeah, reviewing a books **Robert Walser Rediscovered Stories Fairy Tale Plays And Critical Responses** could increase your close associates listings. This is just one of the solutions for you to be successful. As understood, talent does not suggest that you have astounding points.

Comprehending as with ease as arrangement even more than additional will present each success. bordering to, the proclamation as competently as keenness of this Robert Walser Rediscovered Stories Fairy Tale Plays And Critical Responses can be taken as skillfully as picked to act.

Robert Walser Rediscovered Stories Fairy Tale Plays And Critical Responses Introduction

In the digital age, access to information has become easier than ever before. The ability to download Robert Walser Rediscovered Stories Fairy Tale Plays And Critical Responses has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Robert Walser Rediscovered Stories Fairy Tale Plays And Critical Responses has opened up a world of possibilities. Downloading Robert Walser Rediscovered Stories Fairy Tale Plays And Critical Responses provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Robert Walser Rediscovered Stories Fairy Tale Plays And Critical Responses has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Robert Walser Rediscovered Stories Fairy Tale Plays And Critical Responses. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Robert Walser Rediscovered Stories Fairy Tale Plays And Critical Responses. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Robert Walser Rediscovered Stories Fairy Tale Plays And Critical Responses, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit

vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Robert Walser Rediscovered Stories Fairy Tale Plays And Critical Responses has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Robert Walser Rediscovered Stories Fairy Tale Plays And Critical Responses Books

1. Where can I buy Robert Walser Rediscovered Stories Fairy Tale Plays And Critical Responses books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
