Robert Henry Hendershot True Stories From Americas Past:

True Stories from America's Past Susan E. Goodman,2003-01 The story of Robert Henry Hendershot the famous Drummer Boy Of The Rappahannock **Robert Henry Hendershot** Susan E. Goodman,2003-03 In this true story Robert Henry Hendershot is only 12 but he s determined to help the Union cause so he becomes a drummer boy At the Battle of Fredericksburg he manages to sneak across the Rappahannock and to capture a Rebel soldier Illustrations Brave Kids Susan E. Goodman,2003 Twelve year old drummer boy Robert Henry Hendershot joins the Union Army over his mother s objections and takes part in the Battle of Fredericksburg despite the company commander attempts to remove him from the battlefield *Robert Henry Hendershot ,* **Camp Fire Entertainmnet and True History of R.H. Hendershot, the Drummer Boy of the Rappahannock** H. E. Gerry,1900 The Horn Book Guide to Children's and Young Adult Books ,2003 **The Writers Directory** ,2013 **Robert Henry Hendershot; Or, The Brave Drummer Boy of the Rappahannock** William Sumner Dodge,2023-07-18 This is the true story of Robert Henry Hendershot a young drummer boy who served with distinction on multiple battlefields in the American Civil War Dodge uses primary sources and personal recollections to tell the tale of courage and perseverance that made Hendershot a hero to his fellow soldiers This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Publishers Weekly** ,2003 Fredericksburg! Fredericksburg! George C. Rable,2009-11-15 During the battle of Gettysburg as Union troops along Cemetery Ridge rebuffed Pickett s Charge they were heard to shout Give them Fredericksburg Their cries reverberated from a clash that although fought some six months earlier clearly loomed large in the minds of Civil War soldiers Fought on December 13 1862 the battle of Fredericksburg ended in a stunning defeat for the Union Confederate general Robert E Lee suffered roughly 5 000 casualties but inflicted more than twice that many losses nearly 13 000 on his opponent General Ambrose Burnside As news of the Union loss traveled north it spread a wave of public despair that extended all the way to President Lincoln In the beleaguered Confederacy the southern victory bolstered flagging hopes as Lee and his men began to take on an aura of invincibility George Rable offers a gripping account of the battle of Fredericksburg and places the campaign within its broader political social and military context Blending battlefield and home front history he not only addresses questions of strategy and tactics but also explores material conditions in camp the rhythms and disruptions of military life and the enduring effects of the carnage on survivors both civilian and military on both sides **Instrument of War** David Suisman,2024-11-26 An original history of music in the lives

of American soldiers Since the Civil War music has coursed through the United States military Soldiers have sung while marching listened to phonographs and armed forces radio and packed the seats at large scale USO shows Reveille has roused soldiers in the morning and Taps has marked the end of a long day Whether the sounds came from brass instruments weary and homesick singers or a pair of heavily used earbuds where there was war there was music too Instrument of War is a first of its kind study of music in the lives of American soldiers Although musical activity has been part of war since time immemorial the significance of the US military as a musical institution has generally gone unnoticed Historian David Suisman traces how the US military used and continues to use music to train soldiers and regulate military life and how soldiers themselves have turned to music to cope with war's emotional and psychological realities Opening our ears to these practices Suisman reveals how music has enabled more than a century and a half of American war making Instrument of War unsettles assumptions about music as a force of uplift and beauty demonstrating how it has also been entangled in large scale state violence Whether it involves chanting Sound off in basic training switching on a phonograph or radio or cueing up an iPod playlist while out on patrol the sound of music has long resonated in soldiers wartime experiences Now we all can finally hear it

The Official Price Guide to Old Books & Autographs, 1984 **Popular Series Fiction for K-6 Readers** Rebecca L. Thomas, Catherine Barr, 2004 Because of their popularity books in series are great vehicles for fostering literacy among all types of readers who are almost always adamant about reading every title in the series in series order Yet traditional information sources on children's and YA literature include very little about series fiction so librarians often have difficulty managing this literature This guide will be a rich resource and time saver for librarians who work with children It introduces users to the best and most popular fiction series of today covering more than 1 000 series with over 10 000 titles appropriate for elementary readers Annotations also indicate series and titles accepted by some of the popular electronic reading programs e g Accelerated Reading Reading First A numbered list of titles in the series follows [AB Bookman's Weekly](#), 1993 **The Official Price Guide to Old Books & Autographs** House of Collectibles, 1986-04 [A Thousand May Fall](#)

Brian Matthew Jordan, 2021-01-26 From a Pulitzer Prize finalist a pathbreaking history of the Civil War centered on a regiment of immigrants and their brutal experience of the conflict The Civil War ended more than 150 years ago yet our nation remains fiercely divided over its enduring legacies In *A Thousand May Fall* Pulitzer Prize finalist Brian Matthew Jordan returns us to the war itself bringing us closer than perhaps any prior historian to the chaos of battle and the trials of military life Creating an intimate absorbing chronicle from the ordinary soldier's perspective he allows us to see the Civil War anew and through unexpected eyes At the heart of Jordan's vital account is the 107th Ohio Volunteer Infantry which was at once representative and exceptional Its ranks weathered the human ordeal of war in painstakingly routine ways fighting in two defining battles Chancellorsville and Gettysburg each time in the thick of the killing But the men of the 107th were not lauded as heroes for their bravery and their suffering Most of them were ethnic Germans set apart by language and identity

and their loyalties were regularly questioned by a nativist Northern press We so often assume that the Civil War was a uniquely American conflict yet Jordan emphasizes the forgotten contributions made by immigrants to the Union cause An incredible one quarter of the Union army was foreign born he shows with 200 000 native Germans alone fighting to save their adopted homeland and prove their patriotism In the course of its service the 107th Ohio was decimated five times over and although one of its members earned the Medal of Honor for his daring performance in a skirmish in South Carolina few others achieved any lasting distinction Reclaiming these men for posterity Jordan reveals that even as they endured the horrible extremes of war the Ohioans contemplated the deeper meanings of the conflict at every turn from personal questions of citizenship and belonging to the overriding matter of slavery and emancipation Based on prodigious new research including diaries letters and unpublished memoirs *A Thousand May Falls* is a pioneering revelatory history that restores the common man and the immigrant striver to the center of the Civil War In our age of fractured politics and emboldened nativism Jordan forces us to confront the wrenching human realities and often forgotten stakes of the bloodiest episode in our nation's history

Children's Books in Print R R Bowker Publishing, Bowker, 1999-12 **Robert Henry Hendershot** William Sumner Dodge, 2009-04 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world's literature in affordable high quality modern editions that are true to the original work

Hendershot Ancestors Genealogy William Earl Hendershott, 1988 Michael Hinneshied Hendershot 1674 1749 was born near Mainz Rhineland Pfalz Germany He arrived in America in 1710 with his wife Anna Catherina and four children They settled in Somerset County New Jersey Descendants also spelling the surname Hendershott lived throughout the United States Books Relating to the Civil War John Mebane, 1963
