Thom Gunn

Robert Wells Selected Poems:

Veii and Other Poems Robert Wells, 2021-07-29 Selected Poems Robert Wells, 1986 In his *Selected poems* Robert Wells includes the best work from his first book new poems and extracts from his acclaimed translations of Theocritus Idylls and Virgil's Georgics *New Selected Poems* Thom Gunn, 2025-06-25 A new selection of poems by the celebrated gay poet Thom Gunn has been described as one of the most singular and compelling poets in English during the past half century Times Literary Supplement Gunn was an Elizabethan poet in modern guise though there's nothing archaic quaint or sepia-toned about his poetry His method was dispassionate and rigorous uniquely well suited for making a poetic record of the tumultuous time in which he lived Gunn's dozens of brilliantly realized poems about nature friendship literature sexual love and death are set against the ever-changing backdrop of San Francisco the druggy politically charged sixties and the plague years of AIDS in the eighties Perhaps no contemporary poet was better equipped by temperament circumstance or poetic gift to engage the subjects of eros and thanatos than Thom Gunn This *New Selected Poems* compiled by his friend Clive Wilmer and accompanied by insightful notes is the first edition to represent the full arc of Gunn's inimitable career **Selected Poems** Robinson Jeffers, 1987 Once the subject of a literary cult American poet Robinson Jeffers 1887-1962 was later rejected by liberal taste and by the academic establishment But in the last decade he has found a new audience His indictments of the modern world are increasingly pertinent the passion behind his writing his subtle and strong rhythms and his clear-sightedness set him in a class of his own Colin Falck suggests that the neglect of Jeffers may be a measure of the spiritual void at the heart of our culture and a confirmation of some of his direst insights Jeffers's work has an energy and a spiritual intensity which are increasingly rare in poetry Colin Falck draws mainly from Jeffers's shorter poems for this centenary edition but also includes an extract from the celebrated translation of Euripides's *Medea* **Selected Poems of Thom Gunn** Thom Gunn, 2017-07-04 Thom Gunn's controlled use of form and the metaphysical was in evidence from his first collection *Fighting Terms* in 1954 which was widely regarded perhaps not entirely accurately as a contributor to The Movement and the opposition to modernism The same technical ability and formal prowess endured after he moved from Cambridge to San Francisco though became from *The Sense of Movement* 1959 onwards shot through with a new mood of hedonism freedom and the excesses of the gay and counter-cultural scenes of 1960s America in poems written in celebration of rock and roll myth and hallucinogenic drugs The 80s saw a shift in this life with the devastation of the AIDS epidemic which claimed the lives of a number of Gunn's friends Many of these friends are memorialised in the moving passionate and humane collections of his later years the Forward Prize-winning *The Man With the Night Sweats* and *Boss Cupid* Gunn's last collection published in 2000 This *Selected Poems* compiled by his friend Clive Wilmer and accompanied by insightful notes serves to honour a true original a thrill-seeker in the language and to exhibit the best of Thom Gunn's electric powerful intensely joyful poems **Collected Poems and Translations** Robert Wells, 2009 Developing and expanding the

explorations of previous works this mature collection invokes shepherds and farm laborers lakes and swimmers and the changes of the seasons amid a play of light and shade abandon and reserve Suffused with the scents and colors of the Mediterranean landscape these quietly thoughtful poems choose subtle over obvious effects yet convey an astounding force and beauty Meditating upon erotic and rural themes these poems reveal an affirmation of the unending power of language through short love lyrics portrait poems anecdotes satirical epigrams and beautifully crafted narratives of travel and memory

Selected Poems Ian McMillan, 1987 Born in Barnsley in 1957 Ian McMillan published his first book of poems *The Changing Problem* in 1980 Baleful satirical playful amorous his poems range in style and effect The poems are characterized by their empathetic intelligence and rhythmic tact

Collected Poems Donald Davie, 1991-05-28 Donald Davie's poems are here arranged chronologically from the 1950s to the beginning of the 1990s Taken together the poems display that reverence for the distinctive qualities of the English language which has earned him a name as one of Britain's finest living poets Davie's voice judgemental ironic epigrammatic humorous self-lacerating speaks always with reference to an unhuman perpendicular standard that itself goes unquestioned It is not a standard of Beauty or Truth Davie is a poet of the third member of the Platonic triad Justice Helen Vendler *The New Yorker* Davie's poems are on the quiet side often casual and musing in mood and tone determined to resist large gestures of assent or denial Donald Davie may just be the best English poet critic of our time William Pritchard *The New Republic* Donald Davie's *Collected Poems* does more than mark the culmination of one of the most distinguished careers in post-war British poetry it is the autobiographical journey of a living poet at the height of his creative powers and the mastery of his craft Davie is considered the most important and valuable contemporary link between poetry in England and America Sarah E McNeil Little Rock Free Press

The Day and Other Poems Robert Wells, 2006 This collection of short poems is divided into four sections and includes the poet's experience as an Exmoor forester a sequence set in the Sabine hills of central Italy the theme of erotic friendship and a mixture of anecdote and satirical epigram with compacted memories of travel The poems portray the opposition between the desire for openness and the desire for isolation while demonstrating the power of language to illuminate reality

Selected Poems Andrew Waterman, 1986 Andrew Waterman draws on four previous collections and adds new works to this *Selected poems*

Unveiling the Energy of Verbal Beauty: An Emotional Sojourn through **Robert Wells Selected Poems**

In a global inundated with displays and the cacophony of instant interaction, the profound power and mental resonance of verbal beauty frequently disappear into obscurity, eclipsed by the regular onslaught of noise and distractions.
