**1. Read the following text about Australia and do the given tasks.**

Australia is the sixth largest country in the world. While English is the official language of the country, 300 other languages are also spoken here.

The country has a lot of places to visit. A must-see one is Sydney Opera House. It is free to enter the building but visitors have to pay if they need a tour guide. You can enjoy beautiful music and dance, try delicious food and take beautiful pictures. Besides, fans of water sports can choose Bondi Beach where they can go swimming or surfing. Everybody, even who has just began learning, can ride the waves here. Also, sailing, diving and watching the wonderful underwater life at the Great Barrier Reef are some other attractions that Australia offers.

Australia is also famous for some unique animal species such as koalas and kangaroos. They are so common that while traveling, you can see some kangaroos hopping on the road. But be careful, they can cause accidents! Another popular species are sheep. This country has plenty of grass for raising sheep. In fact, the number of sheep is 10 times as many as the number of people here.
