The New Age of Soul Ray S. Anderson,2001-11-27 In The New Age of Soul the broad appeal of new age spirituality is identified and defined with special attention to the claim that the soul may be understood as both the repository of divine energy and a source of spiritual healing and hope Through dialogue with sources and perspectives on the spiritual nature of the soul the book attempts to win the respect and appreciation of the reader already persuaded by the claims and benefits of new age spirituality while at the same time convincing the reader who has suspicions and concerns about new age spirituality that a better alternative may be found The book thus has a two fold purpose first to expose the inadequacy indeed the superficiality of new age spirituality

through this dialogue and discussion attracting the attention and interest of the reader already influenced by this genre Second the author makes a case for a more traditional orthodox and biblical view of the soul and human spirituality so that the reader who is inclined toward new age spirituality will rediscover the more traditional biblical content of the soul and spirituality while providing the committed more traditional Christian reader a tool by which to communicate a biblical faith with the growing segment of our population attracted toward new age spirituality In its own way this book is an apologetic for a more traditional Christian theology of human spirituality and self identity presented in a positive dialogue with new age spirituality *The Encyclopedia of Crystals, Herbs, and New Age Elements* Adams Media,2016 From crystals and herbs to flowers and essential oils this comprehensive guide shows you how to use a variety of New Age elements to enhance your life Each page includes information on their attributes healing properties and how they can be applied in any situation With detailed descriptions and an informative glossary you can quickly discover the New Age element that best serves your purpose whether it s promoting healing activating creativity or bringing about good fortune Amazon com *The New Age Bible Psychic Development Book* Charmaine The Clairvoyant Medium(The Good One),God(Aliza),2020-03-05 The New Age Bible Clairvoyant Manual Psychic Intuition and Spiritual Awareness Guide by Charmaine The Clairvoyant Medium The Good One and Channeled by God Aliza teaches you how to unlock and grow your psychic abilities The book covers techniques to access and hone your Psychic powers what to use and when to use it to read the future This book also guides in spiritual wellness spiritual cleansing and spiritual warfare prayers whilst showing you techniques for developing your Intuition Areas covered include Clearing of Spells Clearing of Evil Spirits and even Haunted Houses Perform Love Spells Protection Spells Magic Spells and Protection from the Dark Side How to Pray to make your Dreams Come true How to read someone from a distance and still have respect intact Use of Meditation How to Use Crystals for Healing energy animal spirits Calling on spirit Warriors or Angels and when to use them to enhance your powers How to get rid of delinquent Guides Contact spirit guides What to say before a Psychic Reading to get to a Higher level Seeds Binding and Bounding Cords Cleansing Techniques for yourself to be a psychic medium Also utilize body and home techniques Perform Fortune Telling Develop your inner self and Intuition by accessing your psychic eye and more *The New Age Movement* Margrethe Løøv,2024-10-02 This Element introduces New Age religion The New Age Movement is a loosely cohesive conglomerate of different spiritual currents with no common founder leader institution dogma or scripture Because of its diversity it may appear amorphous and incoherent at first sight This Element emphasizes both the unity and diversity of the New Age It approaches the phenomenon from three main perspectives 1 the historical development of New Age religion 2 ideas and practices associated with the New Age and 3 the social organization of the New Age movement It thus provides a wide angle view that sketches out some of the main patterns that emerge from a mosaic of individual currents and actors associated with the New Age It also highlights some of the differences within the movement by exploring some ideas and practices in depth **The New Age Bible -**

Lewis,2004-08-30 In the late 1980s the New Age movement became the focus of both media attention and widespread ridicule as some of the more outlandish aspects of the movement such as channeling and the use of crystals for healing briefly piqued the public's curiosity While the movement was at its height scholars of

religion generally sneered at what was perceived to be a daffy shallow craze and ignored it as a subject of serious study Professor James R Lewis was among the first to examine this growing religious phenomenon scientifically In previous books he has investigated the New Age as the most visible manifestation of a significant spiritual subculture the roots of which reach back to Theosophy Spiritualism and New Thought The present collection pursues this theme bringing together some of the best recent scholarship on new religions Since the height of its popular influence the New Age has declined in strength but has given rise to a plethora of new denominations all shaped by New Age ideas and spirituality Reflecting the emergence of this new denominational structure the core chapters of this book focus on specific groups Other chapters examine the movement s historical roots A unique feature of Dr Lewis s work is his inclusion of extensive selections from New Age literature thus allowing readers to experience firsthand the unusual perspectives of the various groups This is a fascinating examination of a significant and persistent religious and social phenomenon
