Seth And The Strangers:

Seth of the Lion People Bonnie Pryor,1988 Although Seth the young teenager with the twisted leg is only tolerated by his tribe for his storytelling abilities he senses his people are on the brink of a transition from hunters to artisans and growers of food if only he can become their leader

Forging the Past Daniel Marrone,2016-08-11 At once familiar and hard to place the work of acclaimed Canadian cartoonist Seth evokes a world that no longer exists and perhaps never existed except in the panels of long forgotten comics Seth's distinctive drawing style strikingly recalls a bygone era of cartooning an apt vehicle for melancholy gently ironic narratives that depict the grip of the past on the present Even when he appears to look to the past however Seth born Gregory Gallant is constantly pushing the medium of comics forward with sophisticated work that often incorporates metafiction parody and formal experimentation Forging the Past offers a comprehensive account of this work and the complex interventions it makes into the past Moving beyond common notions of nostalgia Daniel Marrone explores the various ways in which Seth's comics induce readers to participate in forging histories and memories Marrone discusses collecting Canadian identity New Yorker cartoons authenticity artifice and ambiguity all within the context of comics unique structure and texture Seth's comics are suffused with longing for the past but on close examination this longing is revealed to be deeply ambivalent ironic and self aware Marrone undertakes the most thorough sustained investigation of Seth's work to date while advancing a broader argument about how comics operate as a literary medium Included as an appendix is a substantial interview conducted by the author in which Seth candidly discusses his work his peers and his influences

Tintagel Ray J Newell,2017-07-21 While playing on a cliff ledge in Cornwall a young man Dejon discovers the Sword of Shaftesbury which once belonged to the Celtic God Bran However Dejon gets more than he bargained for as he finds the wizard Cadgwith father of Merlin trapped within it Cadgwith's granddaughter Sennen is in mortal danger and upon releasing the wizard Dejon is persuaded to help In order to save Sennen from the evil sea lord Mullion Dejon is transported to Tintagel in the year 410 AD However by mistake Dejon's rival Jamie falls into the spell and lands in the dungeon of the castle where he meets Mithian the hero of the local people after several mishaps all three escape the castle together The King of Tintagel hates his stepdaughter Ruth She is a revered general and leads her own rebel army within the castle She is a fearless fighter respected by all sides A slow and brooding love story develops in a battle for Ruth's affections between her childhood friends Mithian and Delaboe her comrades in arms and Dejon Mullion assembles a fearsome army and travels through time joining forces with Quin leader of a band of Cornish cutthroats and vagabonds The teenage rivals bring twenty first century humour and logic to those dark days of death before dishonour Dejon uses the magic sword as a flying skateboard encountering spirits gods druids and even the Grim Reaper Tintagel crosses Cornwall from north to south and from east to west with authentic references to the geography and the history of the time At first glance it may seem like a fairy tale but don't be fooled it is for adults only A pulse pounding read Tintagel will appeal to fans of fantasy series such as

The Legacy of John Tuomas Rasimus,2010 This volume investigates the early second century reception of the Fourth Gospel This is an era when its fortunes are surrounded by silence and mystery It was assumed until quite recently that Gnostic and other so called heterodox groups were the first ones to appreciate this gospel and hence the mainstream Christians avoided using it until Irenaeus rescued it for the church Lately this view has been challenged by several scholars for several reasons The contributions in this volume written by leading specialists in their respective fields offer an approachable fresh comprehensive and up to date view of the second century reception of John's Gospel in a situation where new understandings about various forms of early Christianity and its multiformity have started to emerge

The Panarion of Epiphanius of Salamis Saint Epiphanius (Bishop of Constantia in Cyprus),1987-01-01

Audia Christopher Schaal,2010-09-20 Standing before a barren wasteland of a planet the mighty and powerful Rezorin looked down upon the view of nothingness I shall bring life to this dissolute world and make life in my image I will teach them my ways and they will worship me but I will treat them as my equal And with his great power Rezorin raised his hands and with a flash of light the planet began to shift and move Clouds gathered and rain fell from the skies filling the land with lakes and oceans Plants and trees began growing from soil sprouting foliage and bringing oxygen for life Rezorin then took his mighty power to destroy one of the surrounding moons the debris created a ring around the planet leaving only one moon untouched This ring shall bring everlasting beauty to signify my love for all who live here The power

from Rezorin slowly drained him to complete the new world With this new world finished I shall call it Vianna after my love that will always live within my soul And with a burst of light and energy Rezorin shed the last bit of energy he had remaining to fully finish Vianna *Seth's Brother's Wife: A Study of Life in the Greater New York* Harold Frederic, 2022-09-16 In Seth's *Brother's Wife: A Study of Life in the Greater New York* Harold Frederic deftly navigates the complexities of early 20th century American life through a narrative rich with emotional depth Set against the backdrop of an evolving urban landscape this novel explores the struggles of its protagonist Seth as he confronts familial loyalty unrequited love and societal expectations Frederic employs a naturalistic style vividly depicting the tensions between personal desires and social conventions while using sharp dialogue and a deeply evocative setting to capture the spirit of the era Harold Frederic an American writer renowned for his portrayal of life in the Northeastern United States infused his own experiences as a correspondent in New York City into this novel His keen observations of the city's dynamics reflect an intimate understanding of human relationships within the bustling metropolis reflecting the transitional nature of American society at the time Frederic's background in journalism informs his precise and realistic narrative style offering readers a compelling glimpse into the lives of those navigating the complexities of urban existence This book is highly recommended for those interested in American literature and the social conditions of the late 19th century Frederic's vivid storytelling and incisive character studies invite readers to both reflect on and immerse themselves in the intricate tapestry of life within Greater New York making it a significant work for anyone seeking a deeper understanding of American cultural history Vikram Seth's Poetics of Pastiche Mélanie Heydari, 2024-09-21 Vikram Seth is a critical enigma He is recognized as one of the most important Indian Anglophone authors of his generation his individual works have been widely reviewed yet his work has rarely been approached as a whole and remains surprisingly understudied Perhaps the chief reason for the paucity of critical response to the full compass of Seth's work is his disregard for intellectual fashion Indeed Seth is at once very popular and deliberately unfashionable His literary affiliations are conservative seemingly uninterested in any revisionary narrative he is equally unconcerned by the interpenetration of cultures in our globalized world representing assimilation rather than cultural difference He defies the expectations of both postcolonial and world literature therefore to discuss his critical neglect is to shed light on the limitations of these labels As the most thorough attempt to map a general poetics in Seth's work this study the first of its kind on this writer develops a new critical methodology to capture the nuances of Seth's literary strategies It provides scholars and students insight into the key features of Seth's work and uncovers a consistent authorial strategy running through his seemingly disconnected body of work namely a systematic use of intertextual practices
