## **Settle Carlisle Railway:**

**The Settle-Carlisle Railway** Paul Salveson, 2019-09-23 The line from Settle to Carlisle is one of the world's great rail journeys. It carves its way through the magnificent landscape of the Yorkshire Dales where it becomes the highest main line in England descending to Cumbria's lush green Eden Valley with its view of the Pennines and Lakeland fells. But the story of the line is even more enthralling. From its earliest history the line fostered controversy; it probably should never have been built arising only from a political dispute between two of the largest and most powerful railway companies in the 1860s. Its construction through some of the most wild and inhospitable terrain in England was a herculean task. Tragic accidents affected those who built, worked and travelled the line. After surviving the Breeching cuts of the 1960s the line faced almost certain closure in the 1980s only to be saved by an expected last minute reprieve. This book describes the history behind the inception and creation of the line, the challenges of constructing the 72 mile railway and its seventeen viaducts and fourteen tunnels, threat of closure in the mid 1980s and the campaign to save it and finally the line today and its future.

These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
