Demastes, 1996-10-23 The year 1956 marked a point when British drama and theater fell into the hands of a group of young playwrights who revolutionized the stage During that time playwrights such as Samuel Beckett and Harold Pinter made the British theater as rich varied and vital as any national theater in history This reference chronicles the history of British theater from 1956 to 1995 by providing detailed information about the playwrights of that period Included are entries for some three dozen British playwrights active between 1956 and 1995 Entries are arranged

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
