The Mexican Filmography, 1916 through 2001 David E. Wilt, 2024-10-17 Mexican cinema has largely been overlooked by international film scholars because of a lack of English language information and the fact that Spanish language information was difficult to find and often out of date This comprehensive filmography helps fill the need Arranged by year of release and then by title the filmography contains entries that include basic information film and translated title production company genre director cast a plot summary and additional information about the film Inclusion criteria a film must be a Mexican production or co production feature length one hour or more silent films excepted fictional documentaries and compilation films are not included unless the topic relates to Mexican cinema some docudramas and films with recreated or staged scenes are included and theatrically released or intended for theatrical release **Las orillas del tiempo** Marta

Borcha, 2007 Con un lenguaje sensorial y cromático Las orillas del tiempo reúne 28 relatos de situaciones límite con desenlaces tan insospechados como sorprendentes Sus personajes seres de carne y hueso se muestran desnudos ante la adversidad El Secuestro en Latinoamérica: Los Ojos de la Víctima , **Reflexiones en torno a Noticia de un**

Guión , 1978 El Pensamiento secuestrado Susan George, 2007-11 En El pensamiento secuestrado Susan George vuelve a la carga con el nimo de descubrir al lector los poderes que gobiernan Estados Unidos desde la sombra o dicho de otro modo como el pensamiento ultraconservador se ha adueñado de todo el panorama cultural político religioso e intelectual del país más poderoso del mundo Y vamos allá al apuntar cómo el paisaje político del conjunto de países occidentales afecta a un

deslizamiento sensible hacia la derecha Susan George muestra cómo la izquierda no mantiene una actitud decidida y convincente mientras que la derecha se apropia con todo y determinación de posiciones estratégicas en todas las áreas de la vida social utilizando eficazmente la religión y el orden moral para convencer. La autora se interroga sobre cuál será la siguiente fase. Un liberalismo exacerbado que destruya todas las formas de sociedad solidaria o un incremento de humanismo que rechace los valores egocéntricos actuales y encuentre los medios de promover una sociedad más justa y más humana. Susan George es una de las principales figuras del movimiento altermundista. **Las víctimas militares de ETA** Luis Miguel Sordo Estella, 2022-04-14

Durante los años de actividad terrorista de ETA un centenar de militares españoles fueron asesinados entre los años 1973 y 2008. Algunos de ellos eran altos mandos de las Fuerzas Armadas y ocupaban puestos relevantes pero la mayoría de las víctimas fueron oficiales suboficiales y tropa o marineros. Otros militares incluso ya retirados de la milicia o en su ancianidad después de ser tiroteados gravemente fueron rematados en el suelo por los terroristas con la misma sangre fría de un vulgar asesino a sueldo. ETA no pretendía solamente asesinar a un militar por el simple hecho de llevar un uniforme y servir a un Estado al que ella consideraba opresor. Las Fuerzas Armadas estuvieron en el punto de mira de ETA de forma permanente con el objetivo último de esta organización terrorista de provocar en sus componentes una continua situación de alta crispación que les condujera a enfrentarse al Gobierno del momento y dar lugar a una situación de grave inestabilidad política. ETA nunca logró su objetivo. En las víctimas militares de ETA se describen cronológicamente los atentados sufridos por ese centenar de militares españoles algunos verdaderamente espeluznantes así como una breve biografía personal de cada uno. Estas biografías contienen una vida profesional entregada al servicio de su país con testimonios desgarradores en los que fluye el sufrimiento la desesperanza y el dolor físico y psicológico de familias destrozadas por la sinrazón de la violencia terrorista. Esta obra pretende ser un recuerdo perenne de aquellos hombres que en el estricto cumplimiento de su deber fueron asesinados por el terrorismo. También constituye un magnífico medio para que las nuevas generaciones conozcan un periodo significativo de la historia de España marcado por la violencia y el terror. Un relato real que nunca debemos olvidar.
