Parsifal Unveiled Samael Aun Weor, 2025-01-01 When religion becomes artificial art has a duty to rescue it Art can show that the symbols which religions would have us believe literally true are actually figurative Art can idealize those symbols and so reveal the profound truths they contain Richard Wagner Parsifal When religion becomes artificial art has a duty to rescue it Art can show that the symbols which religions would have us believe literally true are actually figurative Art can idealize those symbols and so reveal the profound truths they contain Richard Wagner Parsifal the epic final work by Richard Wagner stunned audiences revolutionized theater and music and set the stage for the decline of modern civilization For more than one hundred years Parsifal has been one of the most controversial dramatic works in the world not only moving the world's top composers and writers to tears and inspiring generations of creative geniuses but it was also admired by Adolf Hitler Wagner's retelling of the myth of the Holy Grail and the knights who protect it showed the secret path to liberation from suffering but no one understood it Wagner himself never explained Parsifal and in his wake thousands of writers critics and artists have attempted to penetrate its mysteries yet have failed since they were not initiated into the secret tradition it came from Finally in this book by Samael Aun Weor the meaning of Parsifal is fully revealed and the genius and spiritual accomplishments of Richard Wagner are made radiantly clear It is evident by all means and with complete meridian clarity that Wagner was a great initiate an insightful esotericist an authentic Illuminated One Science philosophy art and religion exist within Wagner's Parsifal A new Dr Faust was endowed in this great musician It seems that he had scrutinized very ancient religious scriptures To penetrate within this archaic occultism to delve within the Christic Mysteries to examine the esoteric Buddhism contained within this Wagnerian gospel is precisely what we attempt in this book The year 1914 will always be a memorable date among the remarkable dates of this humanity because of the explosion of the First World War and the simultaneous debut of Parsifal in all the civilized world      *Mormonism Unveiled* John Doyle Lee, 1892      **Spirits of the Lesser Gods** Rhonda McClenton, 2007-02 Reiki is an emerging adjunctive therapy that claims to provide physical and psychological healing as well as an experience of spiritual connection It is increasingly employed in counseling centers

hospitals and even churches Reiki is believed by many to be a safe non invasive healing intervention that draws individuals towards God Reiki practitioners maintain that they imitate Jesus laying on of hands and claim that their praxis is essentially the same as the healing used by Jesus as well as by Buddha An ethnographic multi case study was performed comparing the experiences of nine individuals four who received Reiki therapy and five who received Christ based hands on healing The long interview format was employed The transcribed data were coded and analyzed for similar and distinct themes In addition a brief survey was utilized to determine the spiritual interests and involvement of each participant and the spiritual consequences of their healing experiences The findings indicate that Reiki healing is distinct from that which is depicted in the Bible Reiki appears to open up individuals to an energy based healing modality that is spiritual in nature but is not specifically Christian As reported by Reiki practitioners it is a spirituality which welcomes shamanism psychic healing clairvoyance spirit guides and a host of other metaphysical practices as individuals become more intimately involved In addition the research demonstrates that Reiki therapy over time can cause physical emotional and spiritual harm The writer contends that biblical healing which at its core is soteriological and dependent upon the ministry of the Holy Spirit heals mind body and spirit without harmful consequences

*The Time of Christ's Return Revealed - Revised Edition* Charles P. Pierce, 2009-08-31 This is the real thing If you want to know when Jesus Christ will return to reign as LORD over all the earth this book will tell you The book is controversial because it is unique The time given directly from the Bible is distant unlike the majority of current views expounding the theory that the time of Christ s return is imminent in their lifetime Multiple witnesses of scripture are used to provide Biblical evidence for definite timing of events The book of Daniel gives the number of years between when the second Temple was destroyed in 70 AD until the Lord builds the Millennial Temple Daniel also tells us the number of days it will take the Lord to replace the third Temple with the Millennial Temple In the Gospel of John Jesus tells us when He will build the Millennial Temple Many witnesses throughout the Bible including the book of Joshua each confirm the same timing of events The Church is given truth with the goal of increasing The Kingdom of God The cause of problems and their effects are revealed along with a solution Those who have ears to hear will do more than just listen 523 page count 37 black and white images

**The Psychology of the Esoteric** Osho, 2019-04-20 In this early record of his talks and conversations with seekers Osho shares the foundational underpinnings of his work in a systematic straightforward and accessible way What does he mean when he talks about consciousness And how does this consciousness differ from the bundle of anxieties rationalizations plans and remembrances that fill most of our everyday thoughts Does consciousness evolve and grow as we mature or is it somehow timeless and eternal merely waiting to be discovered Or is it maybe both If free will and awareness of death are what sets us apart as human beings from the animals what are our responsibilities in deciding what choices to make both individually and in relation to the world in which we live As Osho puts it To be or not to be To do or not to do To do this or to do that No choice is not possible If we do not choose then we are choosing not to choose it is a choice So we are forced to choose we are not free not to choose The dignity the beauty and the glory of humans is this consciousness But it is a burden also The glory and the burden come simultaneously the minute you become conscious Every step is a movement between the two With man choice and conscious individuality come into existence You can evolve but your evolution will be an individual endeavor You may evolve to become a buddha or you may not The choice is yours The intellectual rigor and precision of these talks are reminiscent of Osho s days as renowned debater and university professor And at the same time as always in his work the mysterious the unknowable that which cannot be put into words is honored on every page Readers who are new to Osho s work will discover the science behind his revolutionary active meditations and why he feels they are urgently needed for 21st

century human beings Those who have wondered what all the sex guru hype is about will learn how he views sex energy as an essential seed that rightly nourished will flower into meditation Readers drawn to the book by the esoteric aspect of its title will benefit from his explorations of astral bodies kundalini and the significance of dreams although some might find a few favorite fairytales and sacred cows challenged along the way And last but not least longtime readers of Osho may find in this precise and succinct yet comprehensive presentation of his work the click that brings new insight and depth to familiar much loved texts \_\_\_\_\_

based on the anthroposophic understanding given to humanity by Rudolf Steiner during the first quarter of the twentieth century Bible commentaries have always reflected the general line of thinking of their authors However the dramatic newness of anthroposophic thought means that perhaps the usual method of using a Bible commentary is not appropriate here A large part of The Burning Bush is necessarily devoted to laying an anthroposophic or spiritual scientific groundwork A major assumption indulged in most Bible commentaries that one can go directly to portions dealing with given passages of scripture and understand what is being said about them does not fit **Mysticism in Newburyport** Peter James
