Dangerous Virtues John Koessler,2020-09-01 Has the World Confused Evil with Righteousness When sin is disguised as virtue the path to cultivating righteousness becomes impossible Such is the challenge Christians face in the modern age Not long ago most people would agree that the seven deadly sins are in fact deadly But ask them today and you ll hear a different answer Today anger is often considered an admirable emotion lust the only expression of love and greed the unassailable right to get what s yours The world can rebrand sin all it wants and declare the death of truth but it has no power against the truth of the Scripture What God calls sin is sin no matter what the world says And sin always has the same destination death and destruction *Dangerous Virtues* examines how to recognize these seven deadly sins as they are subtly disguised in today s culture Dr John Koessler provides a theology of sin and why the Christian must develop a prayerful heart and discerning eye to identify where sin exists in a world where good is called evil and evil called good **The Heart of Virtue** Donald Demarco,2011-04-20 This book brings to life in an inspirational and memorable way what is at the core of every true moral virtue namely love It presents twenty eight different virtues and reveals through stories that personify these virtues how love is expressed through care courage compassion faith hope justice prudence wisdom etc It is a treatment of virtue that is both unique and original It is unique in that virtues are both illustrated in story form and explained through philosophical analysis It is original in that many of the stories have never before appeared in print This book is a veritable liberal education in itself bringing together in a carefully balanced and readable manner distinguished personalities from diverse enterprises and periods of history It literally sparkles with celebrities recruited from science and the arts philosophy and theology medicine and religion stage and screen sports and entertainment But the book does not ignore the relatively unknown who provide several human interest stories that are both moving and unforgettable **The Seven Deadly Virtues** Denis Tegetmeier,1934

The Cathedral of the World Forrest Church,2010-10-12 Described by Cornel West as a towering public intellectual and the leading universalist philosopher of his generation Forrest Church was one of the preeminent liberal theologians of our time His final gift *The Cathedral of the World* draws from the entire span of Church s life s work to leave behind a clear statement of his universalist theology and liberal faith Giving new voice to the power of liberal religion Church invites all seekers to enter the Cathedral of the World home to many windows but only one Light *The Picture of Dorian Gray* Oscar Wilde,2016-04-21 A young man strikes a Faustian bargain in which his appearance remains unchanged while his portrait ages This splendid hardcover volume features 12 evocative black and white illustrations by British artist Henry Keen

THE PICTURE OF DORIAN GRAY (The Original 1890 'Uncensored' Edition & The Revised 1891 Edition) Oscar Wilde, 2017-12-06 The Picture of Dorian Gray the only novel by Oscar Wilde was first published in 1890 A substantially revised and expanded edition was published in April 1891 For the new edition Wilde revised the content of the novel s existing chapters divided the final chapter into two

chapters and created six entirely new additional chapters Whereas the original edition of the novel contains 13 chapters the revised edition of the novel contains 20 chapters The 1891 version was expanded from 13 to 20 chapters but also toned down particularly in some of its overt homoerotic aspects Also chapters 3 5 and 15 to 18 are entirely new in the 1891 version and chapter 13 from the first edition is split in two becoming chapters 19 and 20 The novel tells of a young man named Dorian Gray the subject of a painting by artist Basil Hallward Dorian is selected for his remarkable physical beauty and Basil becomes strongly infatuated with Dorian believing that his beauty is responsible for a new mode of art The Picture of Dorian Gray is considered one of the last works of classic gothic horror fiction with a strong Faustian theme It deals with the artistic movement of the decadents and homosexuality both of which caused some controversy when the book was first published However in modern times the book has been referred to as one of the modern classics of Western literature Oscar Wilde 1854 1900 was an Irish writer and poet After writing in different forms throughout the 1880s he became one of London's most popular playwrights in the early 1890s Today he is remembered for his epigrams his only novel The Picture of Dorian Gray his plays and poetry and the circumstances of his imprisonment and early death
