Bibliography Arthur James Wells, 2006 *Diva Delaney Mysteries: Bundle 3: Books 7 - 9* Anni Jayde, This bundle contains books 7 9 of the Diva Delaney Mysteries No Bad Deed Goes Unpunished Now that Diva Delaney knows the sinister truth about how her parents died she has a plan to get to the bottom of exactly what happened The only catch is that she ll have to rely on Haydn to help her The ancient curse that affects both of their families means it would be a bad idea to be close to him yet she can t rest until she has the facts Diva s friend Tyrone Ferrell needs her help to find a missing person She ll have to find the time to assist the sheriff from Lakeview to catch a very disturbed man even with her increasingly busy work schedule Even though she barely knows how to use magic she will discover talents that aren t in any spell books that will be invaluable to help her find the missing person The Pentland Coven are holding a ball to find one of their young warlocks a wife They ve invited the most prestigious families with eligible young witches including the Delaney Coven Rumor has it that Liam has apparently already chosen his bride to be Diva is quietly terrified that she s the one he s chosen when she hears the details of how he met the witch If her hunch is correct it could start more than one feud when the truth comes out Feuding Covens Can Never Make Peace Diva Delaney s high school nemesis has it in for her Angelica Mayhew is hell bent on making Diva pay for everything that has gone wrong with her love life lately Thanks to the enchanted ring that she s being forced to wear to control her power Diva won t be able to defend herself against her rival s revenge Sylvester Creighton holds the key to the

real story behind how Diva's parents died. When she visits the asylum to see him, she'll learn everything that happened the day of the accident, but the truth won't be what she was expecting. It will just add to the mystery even more. When Diva visits England to solve Chance Alderdale's case, she has another agenda in mind. She intends to end the ancient curse that has been plaguing the Creighton and Delaney covens for centuries. At least she won't be alone during this mission. Her grandmother Aunt Janet and Jess will be with her. It isn't going to be easy, and dreaded voodoo magic will be involved, but they're determined to break the spell and finally set her free from Haydn Creighton.

Everyone Loves A Good Comeuppance

The Delaney Coven has been given the task of taking down Minerva Kensington and her cronies. They'll have to work with the mysterious person the UK Council of Conjurers have chosen to be their mole. Their mission is to find enough evidence against the council members to have them ousted from their positions. Diva's hairdresser has left town unexpectedly and appears to be on the run. It seems Khloe was involved with a dangerous coven who have friends in high places. Their powerful connections might have protected them in the past, but they won't save them from facing justice forever. With the curse still hanging over them, Diva and Haydn must find the last of Yvonne Creighton's remains and destroy them. Even if they manage to accomplish this, they'll still be bound together. Now that their power has been merged, they'll never be free from each other completely. The worst part is that Haydn has been involved in Diva's life for so long that she isn't even sure if she wants to be free from the man who is supposed to be her enemy.

Saturday's Child Robin Morgan, 2014-11-11

An amazing trajectory. From child star to prize-winning writer to feminist icon, Robin Morgan is famous as a bestselling author of nonfiction, a prize-winning poet, and a founder and leader of contemporary feminism. Before all of that, though, she was a working child actor. From the age of two, Saturday's Child had to work for a living. She had her own radio show on New York's WOR, Little Robin Morgan, by the time she was four. Starred during the Golden Age of television in TV's Mama from ages seven to fourteen and was named the Ideal American Girl when she was twelve. In Saturday's Child, she writes for the first time about her working youth, her battles to break away from show business and from her mother, her search for her absent, abandoning father, her entrance into the literary world, and the development of her politics, relationships, and writing. Morgan describes her tumultuous but successful life with startling honesty, her flight from child stardom into literature, her twenty-year marriage to a bisexual man, her joyful motherhood, her lovers, both male and female, her actions as a temporary terrorist on the left during the 1970s, and her travels and experiences in the global women's movement. She writes about compiling and editing the famous anthologies *Sisterhood Is Powerful* and *Sisterhood Is Global*, and later cofounding with Simone de Beauvoir the Sisterhood Is Global Institute. Saturday's Child follows this Ideal American Girl on her path to becoming the feminist icon she is today. Epic in scope, witty and bravely insightful, this is the tale of half of humanity rising up and demanding its rights, told through the intensely personal story of one remarkable woman.

In this sapphic Snow White retelling if Snow is to save her kingdom from being ravaged by the Blight she ll have to kill the Evil Queen s daughter if she doesn t fall in love with her first When her glass coffin unexpectedly shatters Snow White awakens to anything but a dream The land is rotting The animals have mutated In the twenty years that have passed since Snow bit into the poisoned apple the kingdom of Roanfrost has transformed from a luscious wild land to a blight ravaged nightmare In search of answers and a way to restore her kingdom to its former glory Snow sets out on a dangerous journey that will test the strength she never knew she had Friends will become foes New alliances will form The Queen with the blood red lips will stop at nothing to seize her power as well as her heart If Snow has any chance to survive and restore not only her kingdom but all of Garedenne her only option is to become the Seasonkeeper and access the life giving magic that will heal the plague But the path to becoming the Seasonkeeper is more treacherous than she could ever imagine because the wild things have awakened and Snow s darker impulses yearn to set them free **Western Field** ,1910 *Fieldwork* Iliana Regan, 2023-01-24
