Allen, 2020-03-09 The Commandments of Love is a book that teaches you how to live by the principles and precepts of God s Agape love The words of this book came to me a vision along with the complete knowledge of its contents in 1 2 seconds The time it took God to put the knowledge of this book in my head was equal to one human pace this event occurred as I passed through the door on my way in to work one day Here is the question that I shall now put before you What would you do if you were suddenly given a two thousand year old mystery The answer you announce it LOUDLY to the world Countless pastors teachers and even students will pour over this book I introduce insightful knowledge of the gospel in this book Many portions of this book divulge the complete understanding of the parables of Christ The Commandments of Love opens up the meaning of many of the sayings in the epistles of the apostles especially in the area of God's love towards man This book is packed with scripture and it is presented in a skilled demonstration of the Holy Spirit The Commandments of Love reminds its readers to be ever mindful of the practical application of the gospel The author has made use of over 500 scriptures in this book to convey the importance of God's love PROBLEM The false prophets in the world have 98% of believers off course God s power is not embedded in faith alone but in his love Faith cannot work without LOVE The reason Jesus Christ commanded us to love one another was because love when coupled with a person s FAITH is the true healing power of God The world and the church are one hundred miles off course from a one mile trip Just as the Jews walked mindlessly through the desert for

40 years for an eight day trip even so also is the church today mindlessly marching about As a result of the knowledge of this I knew that I had to write this book so that men everywhere could learn of God s true love for his man and find their way home to God This word of the Lord came unto me with great unrest compelling me to write this book to his specifications The words found herein were derived from the message of love given to me by the Lord who instructed me to write The Commandments of Love The breadth thereof He said was to have twelve 12 parts which represents the twelve tribes of the lost sheep of the house of Israel the depth thereof He said was to have forty 40 chapters which the Lord declared represented Israel s forty years in the wilderness The length thereof He said was to be four hundred and eighty 480 pages signifying the four hundred and eighty years after the children of Israel were come out of the land of Egypt until the building of the house of the Lord written in I Kings 6 1 This He said also represents the restoration of the children of God today whose time is now This word did the Lord give unto me by the mouth of his Holy Spirit sent to signify his love for his people This is why Jesus asked the question when the Son of Man cometh shall be find faith on the earth St Luke 18 8 This wasn t a question of FAITH On the Questions of Jesus Don Harris, 2003-11 but of LOVE The British Pulpit ,1844 Yestervear's Faith Seeking Understanding Philip John Fisk, 2022-06-24 The voices of yesteryear's scholastics are silenced Scholastic distinctions discarded Faith seeking understanding cancelled This book turns to university professors who brought classical medieval Reformation and Renaissance thought to bear on the teaching of the doctrine of providence at the early New England Colleges Their ultimate purpose was to exonerate God from the charge that he was the author even actor of evil Their scholastic method drew from a long and surprisingly ecumenical and philosophical enterprise in the history of the church This book s aim is to let the scholastic approaches to the mystery of divine providence speak for themselves Part One introduces the reader to the art of disputation and provides a guided historical theological tour of scholastic distinctions that were used by doctors of the church to explain issues related to the doctrine of divine providence Part Two invites the reader to follow the author on his journeys to Harvard Yale the College of New Jersey and the College of Rhode Island and Providence Plantations commencement day disputations as he engages in Platonic like dialogues with presidents rectors and students of the New England Colleges While the dialogues are imagined the characters times locations and quoted texts are real Becoming A Better Christian Mark R. Winkle, This book discusses the Christian faith and focuses on the core beliefs of every Christian It dismisses those beliefs that are not biblical **Herald of Gospel Liberty** Elias Smith, 1903 Grace and Divine Favour Topical Bible E. Obinna Okedurum, 2019-08-14 One moment of favour can banish a lifetime of struggles Grace or favour is a flipside of one coin from which the showers of God's blessings dares to inject sweeter and sweeter experiences in life for you and me With over 1 350 topics and subtopics across 22 000 scriptures this book is an exhaustive classic through which you d experience richer dimensions of success without tears holy living with ease overflow of goodness that makes you see the beauty of God and mercies untold Victorious Christian living is a guarantee as you not
