**Loulou & Yves** Christopher Petkanas, 2018-04-17 No one interested in fashion style or the high flying intrigues of caf society will want to miss Christopher Petkanas s exuberantly entertaining oral biography Loulou possibly also the most neurasthenic In an exquisitely intimate sometimes painful personal and professional relationship Loulou was his creative right hand muse alter ego and the virtuoso behind all the flamboyant accessories that were a crucial component of the YSL look For thirty years until his retirement in 2002 Yves relied on Loulou to inspire him make him laugh and talk him off the ledge the enchanted formula that brought him from one historic collection to the next Yves s many tributes shape Loulou s memory as if everything there was to know about this fugitive Giacometti like figure could be told by her clanking bronze cuffs towering fur toques the turquoise boulders on her fingers and her working friendship with the man who put women in pants But another darker story lifts the veil on Loulou a classic number two with a contempt for convention and exposes the underbelly of fashion at its highest level Behind Yves s encomiums are a pair of aristocrat parents Loulou s shiftless French father and menacingly chic English mother who abandoned her to a childhood of foster care and sexual abuse Loulou s recurring desperation to leave Yves and go out on her own and the grandiose myths surrounding her family Loulou felt that her life had been kidnapped by the operatic workings of the House of Saint Laurent and in her last years faced financial ruin Loulou Yves unspools an elusive fashion idol nymphomaniacal heedless and up to her bracelets in coke and Boizel champagne at the core of what used to be called le beau monde
