## **Seven Golden Prophecies:**

*The Seven Golden Prophecies* Michael X,1984      The Prophecy Puzzle Joseph R. Ebenhoe,2008-08 The Prophecy Puzzle is a study on the whole book of Revelation not just end time events but as the title suggests it does go into great detail on these events and the order in which they will occur I attempt to bring many of the prophecies of the Old Testament into the book of Revelation to give a clearer and perhaps surprising view of what is to occur in the near future My goal isn't to win everyone to my viewpoint but to encourage thought and provide an opportunity for God to teach from His Holy Word the Bible I've been a Christian for more than twenty years which in itself has been a great blessing but one of the greatest blessings during this time has been the occupations the LORD has provided for me This is true because for most of that time I've been able to listen to five or six hours of Christian radio a day This has enabled me to listen to the teachings of some of the finest teachers in modern times Many of which disagree with each other almost as much as one can and still remain orthodox This unique privilege has allowed me to study many views on the end times which I believe has enabled me with God's help to understand them better Also over these past twenty plus years I've had the privilege to directly study under some great teachers For much of those twenty years I've also taught a home Bible study and frequently taught classes in my local church      Bible Prophecies of the End Times Edward C. Ford, Sr.,2006-03-02 Today as never before many are blind to the spiritual significance of the times in which we live Hurricanes floods fires and acts of terrorism have become weekly occurrences around the world Uncertainty about the future weighs heavily on the minds of many A key question is being asked by men and women of all walks of life and that is When will these horrible occurrences stop and how is it all going to end In Bible Prophecies of The End Times author Edward C Ford Sr helps to shed much insight into answering these questions and others in this fascinating thought provoking book covering major end times prophecies such as The defeat of Russia Gog and Magog The times in which we live Church Age The coming war Battle of Armageddon The return of Christ a new world order The Judgment of the nations Restoration of the Earth's Eco System A new Heaven and a new Earth Ford's spiritual insight helps him graphically detail many shocking events that will soon engulf the entire world sending mankind on a rocket like journey through the final stages of human history as we know it into a new world of joy peace and reconciliation with Christ      **The Final Prophecy of Jesus** Oral E. Collins,2007-06-01 This commentary is the first major work on the book of Revelation in many years that expounds the historicist interpretation The historicist school of interpretation was the dominant approach from Reformation times through most of the nineteenth century The reasons for the current disaffection are too complex to address in a few words but it is the author's conviction that from the standpoint of sound principles of biblical hermeneutics the historicist interpretation is still the most creditable approach for an accurate understanding of this the last book of the Bible and the final prophecy of Jesus      **An Historical Exposition of the Prophecies of the Revelation of St. John** Matthew Habershon,1844      **The Quarterly journal of prophecy** ,1861      **The Church in**

**End-Time Prophecy** Curtis Schulze, 2021-04-12 Church in Prophecy Today the rapture of the church is one of the most disputed end time topics in all the scriptures No other end time doctrine has divided the church more than this subject of the rapture We have made this all about timing rather than his return Many are preoccupied with and distracted by their own particular prediction The purpose of this book is not to refute one position in favor of another but to come against the church's obsession and preoccupation with timing Our focus should be directed toward his return and not fixed on timing This is the testimony of the scriptures Whether he comes early or whether he tarries this does not matter to me What matters to me is the readiness of the church We need to be ready now and always if he comes early but if delayed we will need to be ready to go through the dark and difficult days ahead We need to prepare our hearts now for what is coming lest it catch us off guard We need to build our faith to stand under pressure and we need to build our trust and confidence in Him now to keep us while in tribulation We will need to settle the matter in our hearts concerning all those things coming on the earth to lay our lives down at all cost We will need to prepare our children and loved ones for the day ahead if the Lord tarry If the Lord did return today most would not be ready to evacuate If he were to delay his coming most are unprepared for the dark and difficult days ahead I am afraid for the church I am afraid many will fall away if the rapture does not occur as expected I am afraid many are taking this too lightly thinking they are guaranteed a seat on the rapture express but will be left behind because of complacency and indifference toward Christ and the gospel Either way you look at it the church is neither ready to leave nor ready to go through *Bible Prophecy Exposed* R. Michael Comstock, 2013-04 As time goes by words can evolve and take on new meanings Examining words from the first century can help us understand how definitions have changed This book tries to determine how the people of that era recognized what the prophets were saying As you learn to interpret their language you may find the Bible takes on a whole new flavor The following are just a few issues we will address Are signs of the end times revealed in Scripture Is there a rapture and when does it happen Does the Bible disclose when Jesus return is near When does the tribulation occur Is the key to decoding prophecy found in the Bible Can secular history help us unlock some of the mysteries *Revelation and Bible Prophecy* Syr Elizabeth Daniele, 2009-11 In its entirety the author's interpretation of the book of Revelation and other Bible prophecy is both unique and profound whether one agrees or not Included are her beliefs in evolution and that the resurrection was a Heavenly one not a human flesh one It uncovers all metaphors symbols and mysteries of Revelation making understanding plain and clear chapter by chapter backed by biblical and historical data This book is for the intelligent seeking open minded individual capable of putting their dogma religious or not aside in order to see and has the intellect to know the difference between blasphemy and interpretation Concerning your writing We have jointly concluded that you must be some kind of untrained genius It has to be this since the only other conclusion is that you are telling the truth Two Ivy League Graduates of the Sciences Book can be viewed on Google Books prior to purchase Questions Visit <http://www.elizabethdaniele.blogspot.com> [Church History the Key to Prophecy. Routley,2012-04-09 RUNNING PROPHECY is a mix of my previous book *The Vision of All* and my spectacular studies that open up Revelation to its readers It is presented sequentially so I call the work RUNNING PROPHECY When the maps of the first book are combined with the charts and drawings it becomes easy to see how all the events of prophecy fit together When the sequence is established the drawings and the charts are easy to understand and everything fits into its proper order and position in time      **Climax of Prophecy** Richard Bauckham,1998-03-01 The Apocalypse of John is a work of immense importance and learning Yet among the major works of early Christianity included in the New Testament it has received relatively little scholarly attention This work is a significant contribution to remedying this neglect The author examines the meticulous literary artistry creative imagination radical political critique and profound theology of the Apocalypse of John It is a sustained enterprise to understand both the form and the message of the Apocalypse in its literary and historical contexts An invaluable and illuminating work for students scholars and ministers      *The Apocalypse of St. John, Or Prophecy of the Rise, Progress, and Fall of the Church of Rome* George Croly,1827      **Piecing Together Bible Prophecy** Don Walton,2012-04 The Rubik's Cube of Bible Prophecy is the first volume in a series entitled Piecing Together Bible Prophecy The series is intended to ultimately provide the reader with a fairly thorough panorama of Bible prophecy that will serve as a scripturally sound summary of this most intriguing and important topic Although the subject is unavoidably sensational this series will attempt to steer clear of over sensationalizing the subject It will also attempt to present the reader with a different take on Bible prophecy than the traditional and popular theories of our day This first volume lays the foundation for all that will follow by familiarizing the reader with the fundamentals of Bible prophecy It asks and answers such important questions as 1 Why should we study Bible prophecy 2 How should we interpret Bible prophecy 3 How did we end up with so many convoluted and contradictory schools of thought and 4 How should we define the prominent terms employed today in the study of this most pertinent topic      *The Complete Layman's Guide To End Times Prophecy A Biblical Perspective* Robert R. Ramirez,2011-11 Have you looked around at the world and felt as though everything was falling apart America is struggling economically and no one has any answers Unemployment has been over 9% for over two years now It feels like the government is trying to take control of our lives There is speculation that Greece might collapse economically and if they do other European countries will follow suit The Middle East is in total chaos and very unstable with all these people rioting in the streets and wreaking havoc on their respective countries along with dictators falling and rising from power Iran is still telling everyone they are intent on annihilating Israel as they improve their nuclear capabilities As Christians our hope is in Jesus Christ we know that our God is sovereign so all the chaos in the world has no effect on how God brings the world to an end But the end is in sight and people are looking for something certain in this world There are so

many questions Christians have regarding End Times Prophecy and do not understand simply because the church has not fulfilled its purpose in rightly dividing the Word of truth for the saints The Complete Layman s Guide to End Times Prophecy will bring together all the questions one might have regarding the end of the world and the return of the Warrior King Jesus Christ to this earth to set up His millennial kingdom This book is clear concise and cogent in its message and attempts to address all End Times Prophecy questions Doctor Robert Ramirez B A Political Science College of Santa Fe B A Pastoral Studies Moody Bible Institute MDiv The Master s Seminary DMin Trinity Southwest University Pastor Alive In Christ Bible Church President and Founder New Mexico Bible Institute Bookstore     *The book of Revelation; or, The last volume of prophecy, tr. and expounded by J.G.
