Seven Jersey Murders:

Seven Jersey Murders Gerald Tomlinson, 2003 *Seven Jersey Murders* covers seven highly publicized homicide cases in New Jersey between the years 1900 and 1921. It begins with the tragic death of a seventeen year old Paterson mill girl Jennie Bosschieter who was drugged and raped by four young men about town. It then describes the shooting of Mary Bevans a farmer's wife in Peters Valley in 1903 and next the bathtub drowning of beautiful Ocey Snead in East Orange in 1909. The last two cases the slayings of John V Piper in 1917 in New Brunswick and Janette Lawrence in 1921 in Madison are officially unsolved. Taken together the seven cases comprise a vivid part of the social history of New Jersey in the early 20th century.

Mysticism in Newburyport Peter James Ford, 2022-10-05 *SHADOW RIDERS* is the third book in this seven book series under the title *MYSTICISM IN NEWBURYPORT*. It is the continuing unfolding story of just another soul's reawakening in this lifetime to the truth of his divinity. After Peter's younger wild years growing up in Lynn Massachusetts with heavy alcohol use and abusing all the drugs of the sixties along with his love of riding motorcycles and physical training he found himself crawling into the 12 step recovery program for alcoholics. Peter abused alcohol for seven years and he drank alcoholically right from his first drink. He used all the drugs of the sixties and combined both alcohol and drugs which brought him to his knees at a very young age. He was to be involved in endless trouble with police car and motorcycle crashes, high speed chases, arrests and many broken bones. Peter's journey in the recovery program began with a spiritual awakening and he began his education about the spiritual principles and the ancient wisdom from the past. While Peter was living in the Newburyport area and reading ancient writings from meditation masters, Peter was to have a profound spiritual experience and his journey back to his true self really began. Through the grace of a meditation master, Peter's own inner spiritual energy called kundalini burst wide open and this energy flowed up his spine and chakras and caused incredible insights and experiences. It was later that Peter learned about Kundalini Yoga and what had happened to him. Peter was to have profound experiences in long nights of meditation down by the Merrimac River and to have numerous past life experiences. To honor his spiritual awakening while in this historic seaport he decided to use the name *MYSTICISM IN NEWBURYPORT* for the title. Peter's first book was introduced at the Miami International Book Fair as a modern day version of the Herman Hesse classic novel *SIDDHARTHA*. These tales are about all the great people from this time in Peter's life and all the gifts and blessings that have flowed and continue to flow to this silly Irish seeker. Peter hopes that his writings will be of some use to others or at least bring a smile to the reader's face about the unique life of just another seeker. This book is dedicated to Barbara Eleanor Parton. She is in the below pictures on our bikes. [The World Encyclopedia of Serial Killers: Volume Three, M-S](#) Susan Hall, 2020-11-24. The Selected Papers of Elizabeth Cady Stanton and Susan B. Anthony Ann D. Gordon,2013-01-10 The hush of the title comes suddenly when first Elizabeth Cady Stanton dies on October 26 1902 and three years later Susan B Anthony dies on March 13 1906 It is sudden because Stanton despite near blindness and immobility wrote so intently right to the end that editors had supplies of her articles on hand to publish several months after her death It is sudden because Anthony at the age of eighty five set off for one more transcontinental trip telling a friend on the Pacific Coast it will be just as well if I come to the end on the cars or anywhere as to be at home Volume VI of this extraordinary series of selected papers is inescapably about endings death and silence But death happens here to women still in the fight An Awful Hush is about reformers trained in the school of anti slavery trying to practice their craft in the age of Jim Crow and a new American Empire It recounts new challenges to an aristocracy of sex whether among the bishops of the Episcopal church the voters of California or the trustees of the University of Rochester And it sends last messages about woman suffrage As Stanton wrote to Theodore Roosevelt on the day before she died Surely there is no greater monopoly than that of all men in denying to all women a voice in the laws they are compelled to obey With the publication of Volume VI this series is now complete

Spree Killers Mark Safarik, Katherine Ramsland, 2019-10-18 Spree Killers Practical Classifications for Law Enforcement and Criminology is the only exhaustive up to date analytical book on spree killers standing apart from those dedicated to mass murderers and serial killers Multicides have traditionally been categorized as double triple mass serial and spree while mass and serial have been further divided into subcategories Spree killing which involves the killing of at least three persons at two or more locations due to a precipitating incident that fuels the urge to kill remains a poorly defined concept In the United States the Federal Bureau of Investigation FBI eliminated this term from its multicide nomenclature in 2005 but the authors examination of 359 cases involving 419 spree killers from 43 countries shows that not only is there enough diversity among spree killers to form classifications similar to those devised for mass and serial but also that subtypes offer distinct utility for identification tracking and warning potential targets Spree Killers outline the designation of spree killer specifically and thoroughly In addition to looking at existing literature specific cases and the behavioral patterns it offers a fully worked up profile for the typology The behaviors and motives for spree killers align in six categories which are detailed in full The book provides unique insight for police forensic and investigative personnel into what to look for to respond to and in some cases identify and stopping certain types of spree killings
