**Lifelines** Carla Marie Headlee, 2010-02 Is there something you've been hiding from me these past couple years Jack asked his words cracking What Do you have a well kept secret Carrie could tell her shrill laughter spooked Jack She said finally Nope Th is is the child who calls to me in my sleep I've told you about him About a zillion times She guided Jack into the den Jack's eyes bugged at the baby portrait on the easel in the middle of the room He stumbled forward setting his bouquet on the edge of the desk as if he didn't have the strength to hold it another second Carrie air kissed the portrait of the cherubic child and introduced him to Jack Sweetie meet my former boyfriend We've only recently parted ways You see I'm making way for you and he well he's making way for himself Carrie stopped lest Jack think she was berserk and call 911 Jack stared at her for what seemed an eternity before whispering Darlin I know you've got this maternal instinct going but this it's too much No Jack It's not enough It won't be enough until this child is in my arms and in my life from Lifelines

**Lifelines** Tim Palmer, 2004-01-29 The health of our nation is reflected in the health of our rivers These flowing streams supply our drinking water and they sustain the biological wealth of the continent Central to our past and vital to our future rivers are the lifelines yet they are constantly under siege In Lifelines Tim Palmer addresses the fate of our waterways While proposals for destructive federal dams are no longer common and some of the worst pollution has been brought under control myriad other concerns have appeared many of them more complex than threats of the past Now we face increased diversion of flows loss of riparian habitat and pollution from toxic waste feedlots farms and clearcuts Palmer examines the alarming condition of rivers in today's world and reports on what people are doing to solve the challenging problems In many stories of hope he chronicles the success of citizens and government agencies working for better stewardship and pioneering new ways of caring for our waters and land Finally he considers what the future will hold for these critical lifelines According to Palmer caring for rivers as centerpieces of local ecosystems marks a hopeful starting point toward better care for the planet

Shy of the Squirrel's Foot Andy Martrich,2024-11-11 The Jargon Society a boundary pushing publisher of poetry and

experimental writing was founded by Jonathan Williams 1929-2008 in 1951 Jargon quickly gained a reputation as the home of the poetic and literary avant garde including noted midcentury poets like Charles Olson and Lorine Niedecker Williams himself looms large in this story as the publisher at Jargon until his death making this book as much about his life and work as the press he founded which today operates through the Black Mountain College Museum in Asheville North Carolina Andy Martrich authors this story in a manner befitting Jargon's ethos of literary experimentation by focusing on the books the Society cataloged but never published While it's not uncommon for a small press to plan for books that don't make it to publication Martrich argues that Jargon's incessant financial difficulties coupled with Williams's impressive network makes its trail of unfinished projects unique and an ideal way to chronicle the press itself Using archival research interviews with volunteers at Jargon and more Martrich gives readers not only an intimate look into a Southern press and publisher but also an important history of modern and experimental literature in twentieth century America *Shy of the Squirrel's Foot* includes an epilogue by Anne Midgette an afterword by Nicole Raziya Fong and Jargon's complete annotated bibliography which details every book the press published compiled in one place for the first time

*Contemporary Gay American Poets and Playwrights* Emmanuel S. Nelson, 2003-06-30 Gay presence is nothing new to American verse and theater Homoerotic themes are discernible in American poetry as early as the 19th century and identifiably gay characters appeared on the American stage more than 70 years ago But aside from a few notable exceptions gay artists of earlier generations felt compelled to avoid sexual candor in their writings Conversely most contemporary gay poets and playwrights are free from such constraints and have created a remarkable body of work This reference is a guide to their creative achievements Alphabetically arranged entries present 62 contemporary gay American poets and dramatists While the majority of included writers are younger artists who came of age in the post Stonewall U S some are older authors whose work has continued or persisted into recent decades A number of these writers are well known including Edward Albee Harvey Fierstein and Allen Ginsberg Others such as Alan Bowne Timothy Liu and Robert O'Hara merit wider recognition Each entry is written by an expert contributor and includes a biography a discussion of major works and themes an overview of the author's critical reception and primary and secondary bibliographies
