Sex After Fascism Memory And Morality In Twentieth Century Germany

Karen Hagemann, Jean H. Quataert

Sex After Fascism Memory And Morality In Twentieth Century Germany:

Sex after Fascism Dagmar Herzog, 2007-01-22 What is the relationship between sexual and other kinds of politics Few societies have posed this puzzle as urgently or as disturbingly as Nazi Germany What exactly were Nazism's sexual politics Were they repressive for everyone or were some individuals and groups given sexual license while others were persecuted tormented and killed How do we make sense of the evolution of postwar interpretations of Nazism's sexual politics What do we make of the fact that scholars from the 1960s to the present have routinely asserted that the Third Reich was sex hostile In response to these and other questions Sex after Fascism fundamentally reconceives central topics in twentieth century German history Among other things it changes the way we understand the immense popular appeal of the Nazi regime and the nature of antisemitism the role of Christianity in the consolidation of postfascist conservatism in the West the countercultural rebellions of the 1960s 1970s as well as the negotiations between government and citizenry under East German communism Beginning with a new interpretation of the Third Reich's sexual politics and ending with the revisions of Germany's past facilitated by communism's collapse Sex after Fascism examines the intimately intertwined histories of capitalism and communism pleasure and state policies religious renewal and secularizing trends A history of sexual attitudes and practices in twentieth century Germany investigating such issues as contraception pornography and theories of sexual orientation Sex after Fascism also demonstrates how Germans made sexuality a key site for managing the memory and legacies of Nazism and the Holocaust

Sexuality and German Fascism Dagmar Herzog, 2005 The interrelationship of fascism and sexuality has attracted a great deal of interest for some time now This collection offers fresh perspectives by leading scholars on the history of sexuality under national socialism on such topics as the persecution of Jewish gentile sex in the race defilement trials homophobic propaganda and the prosecution of same sex activity within the Wehrmacht and SS representations of female sexuality in film prostitution on home and battle fronts sexual relations between Germans and foreign forced laborers and reproductive practices among Jewish survivors Moreover the authors provide new insights into the relationships between Nazi sexual politics and antisemitism and challenge assumptions of Nazism as sexually repressive instead they emphasize the interrelationships between incitement to sexual activity and persecution and mass murder book jacket

Europe in the Long Twentieth Century Christoph Cornelissen, 2024-10-08 Thanks to their economic and military strength the European empires had achieved global supremacy by 1900 with large parts of the world under their dominance in the wake of colonial expansion This situation fuelled ideas of Europe's permanent almost natural global superiority especially among the middle classes However as early as the First World War such claims came under increasing pressure This volume explains the role played by modern nationalism and anti imperial movements the competition between different political orders changes in the economy and society and the great ideas and utopias Their interplay gave rise to enormously destructive forces in Europe From the Boer and Balkan wars before 1914 to the Yugoslav wars of the 1990s and the Ukraine

war since 2022 they have produced a continuum of violence At the same time the great promise of political participation and social security is one of the constants of Europe s history in the long twentieth century Against this backdrop modern societies emerged whose values had moved far away from the older models Perceptions of the role of the sexes families and generations changed fundamentally In addition the major internal European migrations together with the global immigration that became increasingly significant after 1945 ensured that the ethnic profile of European societies changed considerably Europe in the Long Twentieth Century shows how on the one hand these different factors led to a Europeanisation of living and working conditions and at the same time how the political and economic integration of the countries of Europe progressed On the other hand it demonstrates how Europe s role in the global context changed fundamentally As much as the geopolitical provincialisation of Europe continued unabated Europeans were constantly searching for new ways to assert themselves throughout the long twentieth century The search continues **The Politics of Fertility in**

Twentieth-Century Berlin Annette F. Timm,2010-08-30 How a declining population influenced reproductive and sexual health policy in Germany Traumatic Memories of the Second World War and After Peter Leese,Jason

Crouthamel,2016-10-05 This collection investigates the social and cultural history of trauma to offer a comparative analysis of its individual communal and political effects in the twentieth century Particular attention is given to witness testimony to procedures of personal memory and collective commemoration and to visual sources as they illuminate the changing historical nature of trauma The essays draw on diverse methodologies including oral history and use varied sources such as literature film and the broadcast media The contributions discuss imaginative communal and political responses as well as the ways in which the later welfare of traumatized individuals is shaped by medical military and civilian institutions Incorporating innovative methodologies and offering a thorough evaluation of current research the book shows new directions in historical trauma studies A Badge of Injury Sébastien Tremblay,2023-12-04 A Badge of Injury is a

contribution to both the fields of queer and global history It analyses gay and lesbian transregional cultural communication networks from the 1970s to the 2000s focusing on the importance of National Socialism visual culture and memory in the queer Atlantic Provincializing Euro American queer history it illustrates how a history of concepts which encompasses the visual offers a greater depth of analysis of the transfer of ideas across regions than texts alone would offer It also underlines how gay and lesbian history needs to be reframed under a queer lens and understood in a global perspective Following the journey of the Pink Triangle and its many iterations A Badge of Injury pinpoints the roles of cultural memory and power in the creation of gay and lesbian transregional narratives of pride or the construction of the historical queer subject Beyond a success story the book dives into some of the shortcomings of Euro American queer history and the power of the negative writing an emancipatory yet critical story of the era *Conflict, Catastrophe and Continuity* Frank Biess,Mark

Roseman,Hanna Schissler,2007 Offers fresh perspectives on key debates surrounding Germany s descent into and

emergence from the Nazi catastrophe This book explores relations between society economy and international policy and provides fresh insights into the complex continuities and discontinuities of modern German history **Jesuit Kaddish**

James Bernauer, S.J.,2020-03-30 While much has been written about the Catholic Church and the Holocaust little has been published about the hostile role of priests in particular Jesuits toward Jews and Judaism Jesuit Kaddish is a long overdue study that examines Jesuit hostility toward Judaism before the Shoah and the development of a new understanding of the Catholic Church's relation to Judaism that culminated with Vatican II's landmark decree Nostra aetate James Bernauer undertakes a self examination as a member of the Jesuit order and writes this story in the hopes that it will contribute to interreligious reconciliation Jesuit Kaddish demonstrates the way Jesuit hostility operated examining Jesuit moral theology's dualistic approach to sexuality and in the case of Nazi Germany the articulation of an unholy alliance between a sexualizing and a Judaizing of German culture Bernauer then identifies an influential group of Jesuits whose thought and action contributed to the developments in Catholic teaching about Judaism that eventually led to the watershed moment of Nostra aetate This book concludes with a proposed statement of repentance from the Jesuits and an appendix presenting the fifteen Jesuits who have been honored as Righteous Among the Nations by Israel's Yad Vashem Holocaust Center Jesuit Kaddish offers a crucial contribution to the fields of Catholicism and Nazism Catholic Jewish relations Jesuit history and the history of anti-Semitism in Europe **Re-envisioning Jewish Identities**

Efraim Sicher,2021-08-30 This innovative study shows how the imaginary constructions of self and Other are shaping identification with Jewishness in the twenty first century The texts and artworks discussed in this book test a diverse range of ways of identifying as Jews and with the Jewish people while engaging with postmodern and postcolonial discourses of hybridity and multiculturalism This book selects six key areas in which the boundaries of Jewish identities have been interrogated and renegotiated nation ethnicity gender sexuality religion and the Holocaust In each of these areas Sicher explores how major and emerging contemporary writers and artists re envision the meaning of their identities Such re envisioning may be literally visual or metaphorical in the search for expression of artistic self between the conventional paradigms of the past and new ways of thinking **Violent Women in Print**

Clare Bielby,2012 West Germany's terrorist period of the 1970s is still a troubling and fascinating subject for Germans not least because of the high proportion of women involved most notoriously Ulrike Meinhof The present study examines the West German print media of the 1960s and 1970s from the right wing Bild to the left leaning Der Spiegel to explore how violent women both terrorists and others were represented in image and text This is the first book to explore print media representations of German terrorism from an explicitly gendered perspective and one of very few books in English to address

New Dangerous Liaisons Luisa Passerini,Liliana Ellena,Alexander C.T. Geppert,2010-10-01 In Europe love has been given a prominent place in European self representations from the Enlightenment onwards The category of love stemming from private and personal spheres was given a public function and used to distinguish European civilisation from others

Contributors to this volume trace historical links and analyse specific connections between the two discourses on love and Europe over the course of the twentieth century exploring the distinctions made between the public and private the political and personal In doing so this volume develops an innovative historiography that includes such resources as autobiographies love letters and cinematic representations and takes issue with the exclusivity of Eurocentrism Its contributors put forth hypotheses about the historical pre eminence of emotions and consider this history as a basis for a non Eurocentric understanding of new possible European identities *Hitler's Ethic* R. Weikart,2009-07-20 In this book Weikart helps unlock the mystery of Hitler s evil by vividly demonstrating the surprising conclusion that Hitler s immorality flowed from a coherent ethic Hitler was inspired by evolutionary ethics to pursue the utopian project of biologically improving the human race

West Germany and the Global Sixties Timothy Scott Brown,2013-10-10 The anti authoritarian revolt of the 1960s and 1970s was a watershed in the history of the Federal Republic of Germany The rebellion of the so called 68ers against cultural conformity and the ideological imperatives of the Cold War against the American war in Vietnam and in favor of a more open accounting for the crimes of the Nazi era helped to inspire a dialogue on democratization with profound effects on German society Timothy Scott Brown examines the unique synthesis of globalizing influences on West Germany to reveal how the presence of Third World students imported pop culture from America and England and the influence of new political doctrines worldwide all helped to precipitate the revolt The book explains how the events in West Germany grew out of a new interplay of radical politics and popular culture even as they drew on principles of direct democracy self organization and self determination all still highly relevant in the present day **After The History of Sexuality** Scott Spector,Helmut Puff,Dagmar Herzog,2012-07-01 Michel Foucault s seminal *The History of Sexuality* 1976 1984 has since its publication provided a context for the emergence of critical historical studies of sexuality This collection reassesses the state of the historiography on sexuality a field in which the German case has been traditionally central In many diverse ways the Foucauldian intervention has governed the formation of questions in the field as well as the assumptions about how some of these questions should be answered It can be argued however that some of these revolutionary insights have ossified into dogmas or truisms within the field Yet as these contributions meticulously reveal those very truisms when revisited with a fresh eye can lead to new unexpected insights into the history of sexuality necessitating a return to and reinterpretation of Foucault s richly complex work This volume will be necessary reading for students of historical sexuality as well as for those readers in German history and German studies generally who have an interest in the history of sexuality *Religious Crisis and Civic Transformation* Kimba Allie Tichenor,2016-05-26 A rich analysis of how issues related to gender and sexuality transformed the West German Catholic Church **Sexuality in Austria** Anton Pelinka,2017-07-05 Scholars have increasingly been investigating human sexuality as an important field of social history in particular national cultures This volume examines both continuities and changing patterns of sexual behavior in Austria *Sexual Liberation, Socialist Style*

Kateřina Liřková,2018-05-03 Eastern Eurpoe in the Cold War enjoyed its sexual liberation In Czechoslovakia this liberation came from above mediated by experts *The Cambridge World History of Sexualities: Volume 1, General Overviews* Merry E. Wiesner-Hanks,Mathew Kuefler,2024-04-30 Volume I offers historiographical surveys and general overviews of central topics in the history of world sexualities Split across twenty two chapters this volume places the history of sexuality in dialogue with anthropology women s history LGBTQ history queer theory and public history as well as examining the impact Freud and Foucault have had on the history of sexuality The volume continues by providing overviews on the sexual body family and marriage the intersections of sexuality with race and class male and female homoerotic relations trans and gender variant sexuality the sale of sex sexual violence sexual science sexuality and emotion erotic art and literature and the material culture of sexuality *Gendering Modern German History* Karen Hagemann,Jean H. Quataert,2008-08 To provide a critical overview in a comparative German American perspective is the main aim of this volume which brings together experts from both sides of the Atlantic Through case studies it demonstrates the extraordinary power of the gender perspective to challenge existing interpretations and rewrite mainstream arguments *The Politics of Authenticity* Joachim C. Häberlen,Mark Keck-Szajbel,Kate Mahoney,2018-10-19 Following the convulsions of 1968 one element uniting many of the disparate social movements that arose across Europe was the pursuit of an elusive authenticity that could help activists to understand fundamental truths about themselves their feelings aspirations sexualities and disappointments This volume offers a fascinating exploration of the politics of authenticity as they manifested themselves among such groups as Italian leftists East German lesbian activists and punks on both sides of the Iron Curtain Together they show not only how authenticity came to define varied social contexts but also how it helped to usher in the neoliberalism of a subsequent era

Sex After Fascism Memory And Morality In Twentieth Century Germany Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the power of words has be evident than ever. They have the capability to inspire, provoke, and ignite change. Such could be the essence of the book **Sex After Fascism Memory And Morality In Twentieth Century Germany**, a literary masterpiece that delves deep into the significance of words and their effect on our lives. Sex After Fascism Memory And Morality In Twentieth Century Germany Introduction

In the digital age, access to information has become easier than ever before. The ability to download Sex After Fascism Memory And Morality In Twentieth Century Germany has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sex After Fascism Memory And Morality In Twentieth Century Germany has opened up a world of possibilities. Downloading Sex After Fascism Memory And Morality In Twentieth Century Germany provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sex After Fascism Memory And Morality In Twentieth Century Germany has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sex After Fascism Memory And Morality In Twentieth Century Germany. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sex After Fascism Memory And Morality In Twentieth Century Germany. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sex After Fascism Memory And Morality In Twentieth Century Germany, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites

to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sex After Fascism Memory And Morality In Twentieth Century Germany has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Sex After Fascism Memory And Morality In Twentieth Century Germany Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Sex After Fascism Memory And Morality In Twentieth Century Germany is one of the best book in our library for free trial. We provide copy of Sex After Fascism Memory And Morality In Twentieth Century Germany in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Sex After Fascism Memory And Morality In Twentieth Century Germany. Where to download Sex After Fascism Memory And Morality In Twentieth Century Germany online for free? Are you looking for Sex After Fascism Memory And Morality In Twentieth Century Germany PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Sex After Fascism Memory And Morality In Twentieth Century Germany. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Sex After Fascism Memory And Morality In Twentieth Century Germany are for sale to free while some are

Sex After Fascism Memory And Morality In Twentieth Century Germany

payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Sex After Fascism Memory And Morality In Twentieth Century Germany. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Sex After Fascism Memory And Morality In Twentieth Century Germany To get started finding Sex After Fascism Memory And Morality In Twentieth Century Germany, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Sex After Fascism Memory And Morality In Twentieth Century Germany So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Sex After Fascism Memory And Morality In Twentieth Century Germany. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Sex After Fascism Memory And Morality In Twentieth Century Germany, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Sex After Fascism Memory And Morality In Twentieth Century Germany is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Sex After Fascism Memory And Morality In Twentieth Century Germany is universally compatible with any devices to read.
