Sex And The Young Teenager A Concise Guide:

Adolescents and Sex Sarah Bekaert, 2018-08-08 Working with young people can present many challenges Sexual health and contraceptive issues with teenagers often raise legal ethical and sometimes child protection concerns This comprehensive and practical guide is packed with useful advice on contraceptive methods sexually transmitted infections adolescent legal and ethical issues It is presented in an easy to read format that can be dipped into when required and highlights how a young persons clinic can be set up and how existing services can be made more approachable This book will serve as a useful quick reference and all those working with young people will find it valuable reading **Sex Guides** Patty Campbell, 2017-04-07 The history of the sex guide for adolescents documents the quite unconscious movement of Western culture s ideas about sex and youth revealing the heritage of our own sexual beliefs and codes of behaviour The first section of this book first published in 1986 traces the development of the sex guide examining 400 books from 1892 to the 1980s The second section comprises a detailed analysis of the patterns content and usefulness of all the contemporary manifestations of the genre The history of the teen sex manual is a fascinating revelation of American attitudes towards adolescent sexuality

The Sex Atlas Erwin J. Haeberle, 2020-05-18 No detailed description available for The Sex Atlas A - Airports British Library, 2012-05-21 No detailed description available for A Airports Sex and the Young Teenager Eleanor Kay, 1973-01-01 Discusses the processes of human intercourse and reproduction the changes in the body during puberty and the social emotional and physical problems these changes may cause Sex and the American Teenager R. Murray Thomas, 2009-07-23 Sex and the American Teenager provides an expert s assessment of the controversies surrounding the sexual development of adolescents and their beliefs and problems regarding such matters Using numerous case studies Dr Thomas illustrates specific ways that sexual issues arise in school and the variables that impact each case while suggesting ways parents and school officials can deal with problematic situations Though not simply statistics laden Dr Thomas s book is replete with information about teenagers who engage in sexual acts become pregnant are sexually abused and contract sexually transmitted diseases Dr Thomas also discusses the coping methods teenagers use and he describes the types of sex education programs in which students are most likely to participate Dozens of case studies illustrate how problems of students sexual behavior can differ from one incident to another depending on the teenagers ages family backgrounds school settings and the culture of the surrounding communities Thomas concludes the book by summarizing the recent past and speculating about the likely status of sex in schools in the years ahead **SIECUS Report** ,1980 *Monographic Series* Library of Congress, 1974 **Sex, Brains, and Video Games** Jennifer Burek Pierce, 2017-03-09 How do we break through and truly reach our young adult patrons It begins with understanding them Librarians who work with teens need information and a big picture perspective on adolescence that reflects the latest knowledge of cognate fields and the contemporary realities of young people s lives In this greatly revised and updated edition of her popular guide Burek Pierce provides

exactly that selecting and synthesizing emerging information from multiple fields of research to effectively support librarians work with teens Far reaching but pragmatic this book discusses such important topics as identity and community sex and sexualities what experts can tell us about the adolescent brain and how teens use technology to mediate the world replaces outdated developmental theories that have been discarded in their home fields but are still sometimes used in the LIS world looks at how to blend what research tells us about teens with day to day work in libraries reflects new norms of professional practice such as the increased importance of community engagement and partnerships offering librarians a path towards cooperation and collaboration with peers outside the library world and includes a bibliography of essential reading for YA librarians Educators and practitioners as well as students preparing to enter the field will all benefit from this compact overview of contemporary research on adolescence
