Intended for Pleasure Ed Wheat, Gaye Wheat, 1981 In this revised version of his well read book on sexuality in Christian context Dr Wheat identifies the sexual problems people are hesitant to discuss and provides insights and solutions He brings a perfect balance between the theoretical and the practical **Sex-Love in Christian Marriage**, 2023-03 The booklet Sex Love In Christian Marriage was initially published by A C T S Publications Melbourne The author is unknown The original publication simply said By C M S This is an interesting and important booklet It deals with sex More precisely it deals with the science of sex That is how best to do sex The booklet was written in 1973 The layout and language of the booklet indicates this but much of the material is perennial But with the Theology of the Body such a book on the science of sex is helpful The Theology of the Body is magnificent We live in a time of great confusion with respect to sex It was not so long ago that people felt constrained in talking about sex Today sex is the topic We have gone so far in our advertising as to think that cars are sexy We have gone from one extreme to another The Theology of the Body and indeed Sex Love In Christian Marriage lie between these polarities Sex love according to John Paul II is that act that unites a man and woman in love Through this experience of sex love the couple come back to themselves so to speak with a renewed sense of their own

personal identity Furthermore when they unite physically in the act of sex and thus form a one flesh union man and woman become an image of God par excellence It is upon this union that the gift of fertility descends to use John Paul s language

Marriage Christopher Ash,2005-01-01 The way of a man with a maiden was too wonderful for the writer of Proverbs to understand Preoccupying so many thoughts and dreams the subject of countless songs films and fairy tales the love between a man and a woman has always been a profound and perplexing mystery And yet we do not live happily ever after Four out of ten marriages will end in divorce Couples now choose to live together rather than marry and those relationships are even less likely to last People are having fewer children later and with a succession of partners Ironically just when so much is expected of love Western societies are witnessing lower levels of public commitment in sexual relationships than ever before The scale of this change amounts to a revolution a major historical paradigm shift The statistics mask a depth of pain that every pastor and counsellor knows only too well We must face the inevitable questions if faithfulness is no longer esteemed why get married at all What is marriage What did God intend when he gave us marriage Christopher Ash argues that our modern idolization of the sexual relationship contains within itself the seeds of its own destruction To begin to rebuild a biblical confidence in marriage we need to understand that the primary blessing and purpose of marriage is not sexual intimacy but rather serving God in partnership This in turn leads to the blessings of love friendship children and order in society and will help us to rediscover that faithfulness which is the heart of marriage One of those precious rarities a major piece of biblical scholarship which addresses an issue in todays headlines directly and warmly One to own not to borrow David Field Deeply scholarly extraordinarily thorough and biblically faithful as well as courageously fresh in rethinking the role of marriage in Gods intention for human life David Wright Christopher Ash studied at Wycliffe Hall Oxford and then joined the staff at St Andrew the Great Cambridge From there he headed to a church plant and is now Rector of All Saints Little Shelford He is married to Carolyn and they have four children
