construction sexual and romantic liaisons and family formation have become more fluid under a society wide softening of boundaries hierarchies and protocols Sylvia Barack Fishman gathers the work of social historians and legal scholars who study transformations in the intimate realms of partnering and family construction among Jews Following a substantive introduction the volume casts a broad net Chapters explore the current situation in both the United States and Israel attending to what once were considered unconventional household arrangements including extended singlehood cohabitating couples single Jewish mothers and GLBTQ families along with the legal ramifications and religious backlash Together these essays demonstrate how changes in the understanding of male and female roles and expectations over the past few decades have contributed to a social revolution with profound and paradoxical effects on partnering marriage and family formation This diverse anthology with chapters focusing on demography ethnography and legal texts will interest scholars and students in Jewish studies women s and gender studies Israel studies and American Jewish history sociology and culture Soft Patriarchs, New Men W. Bradford Wilcox, 2004-05 In the wake of dramatic recent changes in American family life evangelical and mainline Protestant churches took markedly different positions on family change This work explains why these two traditions responded so differently to family change and then goes on to explore how the stances of evangelical and mainline Protestant churches toward marriage and parenting influenced the husbands and fathers that fill their pews According to W Bradford Wilcox the divergent family ideologies of evangelical and mainline churches do not translate into large differences in family behavior between evangelical and mainline Protestant men who are married with children Mainline Protestant men he contends are new men who take a more egalitarian approach to the division of household labor than their conservative peers and a more involved approach to parenting than men with no religious affiliation Evangelical Protestant men meanwhile are soft patriarchs not as authoritarian as some would expect and given to being more emotional and dedicated to their wives and children than both their mainline and secular counterparts Thus Wilcox argues that religion domesticates men in ways that make them more responsive to the aspirations and needs of their immediate families **Work, Family and Religion in Contemporary Society** Nancy Tatom Ammerman, Wade Clark Roof, 2014-02-04 Until recently religious institutions have been organized to suit the traditional American family where the wife stayed at home caring for children Today churches and synagogues are beginning to adapt to the reality of the American family dual career marriages high levels of divorce interfaith marriages partnerships that may not be marriages Religious organizations must serve families that don t fall into the Ozzie and Harriet mold The first group of papers in this edited volume documents changing trends in the connection between religion work and the family In the second part of the book we see how changing families and flexible congregations are experimenting with new forms of religious life *Shaping Sexual Knowledge* Lutz Sauerteig, Roger Davidson, 2009-01-13 *Shaping Sexual Knowledge* A Cultural History of Sex Education in Twentieth Century Europe makes a considerable contribution to the history of sex education by incorporating all aspects of the formal and informal shaping of
