

Love Comes From Within

It hurts to not love yourself
it hurts to not like yourself
it hurts to not understand yourself.

The love, the kindness
the understanding
only come from within.
It comes from the heart
the soul, the Spirit
all living within yourself.

Love Comes From Within:

ChakraKey Rick Ireton, 2013-03-29 CHAKRAKEY is a book for spiritual students and teachers who seek a greater understanding of the meaning of life. If we are to evolve in a loving way here on Earth we will do so because we grow in knowledge of our spiritual nature and begin to love and honor one another as the kind and gentle people we truly are. ChakraKey reveals the human spiritual design through the marriage of two ancient symbols and one symbol recently found in the form of a crop circle. ChakraKey is an educational tool that reveals the energetic nature of all humanity and thus our purpose in life. It is through understanding and awareness of our human spiritual nature that we are able to transcend our bodies and live in the light of love as spiritual beings. We do better when we know better. ChakraKey marries ancient Hindu wisdom of the chakra system with the seven candle menorah. When the menorah is turned sideways and placed next to the seven energetic points of the human chakra system, a map is revealed of our human spiritual design, our core essence and love. The Knowledge and Wisdom contained within the ChakraKey will provide you with the greatest gift you might ever hope to find: the ability to live a life filled with love, meaning and purpose. For more information about ChakraKey, visit www.chakrakey.com.

A Mystic's Way , Triumph Ingrid Kern, 2016-12-30 The author's commitment to overcome her doubts and fears, quiet the voices in her head and make one of her dreams come true to participate in the Summer Senior Olympics after 49 years of not running at all, takes the reader through some 4 years of her training, her search for answers and her desire to leave the past behind. Finishing 7th with a torn hamstring at The National Games in 2011 ended her career as a Sprinter. The book gives the reader a glimpse of what the author, who has been physically, emotionally and psychologically abused as a child, was daily going through to get past the still powerfully looming influence of her father. The physical pain due to a few injuries made her connect to the pain she endured as a child, going deeper and finally receiving psychological help. She continued her intense work on taming the monster called FEAR.

Coming to God William F. Kraft, 2015-04-15 Most academic and therapeutic programs do not include spirituality and God as essential components of health and treatment. Dr. William Kraft gives God a principal place in the house of psychology. He shows how and why God experiences are paramount in helping us live a healthy and happy life. He describes and analyzes what are healthy and unhealthy experiences of God and how activities including religion can help and hinder our coming to God. In short, this book is about how and why we come or do not come to God and what difference it makes.

Rey, 2011-05-26 The Real Secret of the End of Time Ascension Into The 5 Dimension The current events and those in the future do not signify the end of the world nor are they a punishment from God They do however represent the end of time Most importantly they symbolize the end of the world as we know and understand it This book provides a message of hope for the dramatic period of darkness that is upon us and a view into the future as New Terra ascends into the 5 Dimension It depicts a vision of a world where heaven on earth is a reality These cycles of time have been announced for centuries in Revelations of the Bible the Mayan Calendar and in the oral traditions of most known cultures While history repeats itself this is the last age of illusion which means our evolution into a new level of humanity *The Holy Word for Morning Revival - Crystallization-study of Numbers, Volume 2* Witness Lee, 2018-01-07 This book is intended as an aid to believers in developing a daily time of morning revival with the Lord in His word At the same time it provides a limited review of the semiannual training held December 24-29 2018 in Anaheim California on the Crystallization study of Numbers Through intimate contact with the Lord in His word the believers can be constituted with life and truth and thereby equipped to prophesy in the meetings of the church unto the building up of the Body of Christ **Seeking the Welfare of the City** Naomi Noguchi Reese, 2025-01-27 In the history of public theology the Holy Spirit's role in creation has been underexplored If the Holy Spirit is the agent of transformation in creation why have so many theologians neglected the Spirit's activity in the context of public theology One of the causes of such neglect derives from a long held belief in dualism or its assumption As a result generally speaking theologians have neglected the eschatological aspect of the Spirit's work over creation and instead have devoted much of their attention to the immanent spiritual aspect of the Spirit's work Hence a theology is needed

that recaptures the eschatological aspect of the Spirit's work over creation and Colin E Gunton's pneumatology that is trinitarianly formulated and eschatologically conceived brings a fresh approach to public theology and moves us toward a full bodied holistic and trinitarian public theology that takes into account the triune God. This study attempts to draw upon the resources uncovered in Gunton's pneumatology to outline applications for Christian engagement of the public square for the twenty first century. The book concludes with criteria for discerning the Spirit's work in the public square to give us practical ways to see how the Spirit may be working in the public square for transformation.
