Love, Medicine and Miracles Dalton,

Dr. and Master Sha: Miracle Soul Healer William Gladstone,2014-09-02 What accounts for miraculous healings unexplainable by doctors Is there a reality to spiritual healings William Gladstone initially approached Dr Zhi Gang Sha with some skepticism and disbelief William believed that there was more to life than the material world but he knew that the world has many dishonest and self deceiving mystics So he decided to explore William having studied medical anthropology at Harvard University had met and worked with some of the greatest spiritual leaders on the planet He was excited to explore Dr Sha and his healing practices William spent weeks with Dr Sha watching him at work talking to his students and observing his healings He interviewed him at length asking for specifics and addressing difficult questions He delved into the science behind Dr Sha s work and explored the underlying concepts beneath these miracle healings What William learned amazed him and opened his mind to possibilities he never expected Dr Zhi Gang Sha is a medical doctor trained in both Western medicine and traditional Chinese medicine as well as ancient Chinese sacred energy and spiritual healing Over the last decade he has healed hundreds of thousands of individuals

with thousands documented and available for viewing on YouTube How does he do it Is it the placebo effect or something much more profound Dr and Master Sha Miracle Soul Healer documents the remarkable journey of a world renowned spiritual teacher and master healer who has not only demonstrated the ability to heal but also to teach people to heal themselves Written for skeptics as well as believers Dr and Master Sha Miracle Soul Healer explores the results and methodology of Dr Sha s unique life journey and his stated life mission to serve humanity and the Divine and create a healthier and happier world This book explores the ultimate mystery of how faith science and healing can change your life

Miracles J. Harold Ellens, 2008-07-30 Can science psychology and biology explain miracles This three volume set attempts to answer that question presenting the latest as well as classic thinking and research regarding miracles from fields that include psychology psychiatry theology biology and history We have all heard of what seem miraculous events which have surfaced across history They range from stigmata and bleeding icons to deadly tumors that disappear and healers who succeed just by laying hands on the afflicted from people who can predict unexpected events to so called mediums and those who can allegedly see and speak with the dead These books led by an eminent scholar who serves as series editor for the Praeger series Psychology Religion and Spirituality examine miracles of body mind and spirit presenting the most recent research and writing on these uncommon events aiming to bring hard science to some of the most persistent and peculiar phenomena associated with the human race Can science psychology and biology explain miracles This three volume set attempts to answer that question presenting the latest as well as classic thinking and research regarding miracles from fields that include psychology psychiatry theology biology and history From news of a crippled woman who left her wheelchair and walked after an evangelist prayed over her to stories of people who died on the operating table only to be revived to tell of bright lights and the pathway to the afterlife we ve all heard of what seem miraculous events They have surfaced across history They range from stigmata and bleeding icons to deadly tumors that disappear and healers who succeed just by laying hands on the afflicted from people who can predict unexpected events to so called mediums and those who can allegedly see and speak with the dead Some miracles are intricately tied to religious beliefs but there are millions of people who ascribe to no particular religion yet still believe that things happen that defy all laws of nature and thus defy scientific explanation In these books eminent scholar J Harold Ellens and his team of expert contributors examine miracles of body mind and spirit presenting the most recent research and writing on these uncommon events as they aim to bring hard science to some of the most persistent and peculiar phenomena associated with the human race Empowered Healer Susan Allison

Ph.D., 2011-08-23 After years of not paying attention to the honest voices inside you you may not remember how to listen to your intuition This disconnection may have caused you to feel worn down or depressed weakened and powerless and left your immune systems vulnerable and open to illness In Empowered Healer author Dr Susan Allison helps you relearn how to access and listen to your inner guidance and become empowered to take action to heal yourself completely both physically

and emotionally Allison has spent more than twenty years developing a formula to help you Believe in yourself and stop blocking your healing Fill with power and create a team to support you Tune into and listen to your physical symptoms Find the emotional causes of your distress Release physical and emotional pain Create and live the life of your dreams Using anecdotes and examples from her personal experiences as a healer Allison communicates the keys to believing in your own power to restore yourself to wholeness A powerhouse of wisdom Empowered Healer helps you heal from the inside out to create greater happiness in every area of your life *Love, Medicine and Miracles Gift Set* Bernie S. Siegel,1988-11-01 Dr Bernie Siegel s message of unconditional love and self healing is now available in a very special gift set containing an audio cassette of new guided meditations and his number one national bestseller *Love Medicine Miracles* [Miracle Survivors](#) Tami Boehmer,2014-11-11 If you have received an incurable cancer diagnosis hearing about someone who made it is like spotting a rescue ship when you re drowning in a stormy sea *Miracle Survivors* provides that lifeline with a collection of stories of cancer survivors who were given a terminal diagnosis but shocked everyone by thriving years past their prognoses These miracle survivors have different cancers and circumstances but share a poor prognosis and incredible drive to overcome it After being diagnosed with stage IV breast cancer award winning author and blogger Tami Boehmer decided she and others like her desperately needed hope to override the dismal statistics and death sentences provided by many doctors So she began interviewing incredible men and women from around the country who defied the odds and lived to tell about it *Miracle Survivors* will help answer the question What sets people apart who beat the odds of a terminal or incurable prognosis Overcoming the odds wasn t something that just happened to those who share their stories Each person took a very active role in overcoming their challenges whether it was activating their faith or transforming their lifestyle Rather than passively accepting their circumstances they decided to transform them The book is essential reading for anyone with cancer their loved ones and everyone else who wants inspiration to conquer their life challenges **Peace, Love and Healing** Bernie S. Siegel,1991-09-01 **Women and Miracle Stories** Anna Korte,2018-11-13 This book contains a multidisciplinary collection of studies on women in miracle stories found in texts ranging from religious classics to contemporary literary fiction Miracle stories are a genre of great importance for the study of women s religious inheritance and for the historical and cultural understanding of women as makers of faith Miracle stories are very generally speaking more open to popular religion and culture than for instance doctrinal and official ecclesiastical texts and as such they can be of special interest to the study of women s lives and religious aspirations Remarkably up till now this genre has not been looked at from this point of view This book aims to open this field for further research by presenting case studies from diverse angles and disciplines Some of the questions this book tries to answer are What do miracle stories specifically tell us about women Are there some types of miracles that are in particular related to certain groups of women What do these stories tell us about women as performers and or subjects of miracles What can be said about the social function and

religious meaning of miracles by specifically looking at the way certain groups of women are practising and experiencing miracles By including research on miracle stories in contemporary fiction written by women this book also wants to acknowledge and research the disputed status of miracles as well of women in our present society which is moving from modernity to post modernity Please note that *Women and Miracle Stories* is previously published by Brill in hardback ISBN 90 04 16681 8 still available
