911 Hello Mr. God Rev. Rayka Stasiak,2012-01-31 We have struggled for the last 2 000 years with the karmic lessons and experiences of power technology and love Now we are entering a new evolutionary period calling for the balancing of the scientific and spiritual worlds within the individual and planet Mankind stands at the thresholds the decision point of whether to accept what it is being told by the masses is for the highest and best good or instead to listen to its own inner voice At the heart of the matter is the opportunity to choose to cooperate rather than compete brotherly love and assistance rather than hate and violence It is time to observe objectively and logically the world situations that have resulted from fear and competition which is against Universal Law There are certain responsibilities we must face We are responsible for our own thoughts and actions We have made agreements a long time ago that we will have to face if we wish to reach true self freedom This book will help us improve our understanding of life from both a human and spiritually based perception After internalizing this information we may feel inspired to transform our life heal ourselves and infect others with positive perceptions of life and greater compassion We will learn how to interact with Universal energy in a constructive manner so that we may better manage our reactions With a clearer understanding of spiritual energy and Universal Law we will be able to manage or stop the drama from repeating over and over again like a virus It is now time to begin **Love & Luck** Jenna Evans Welch,2019-06-04 A New York Times bestseller From the author of the New York Times bestselling *Love Gelato* comes a heartwarming tale of a road trip through Ireland filled with love adventure and the true meaning behind the word family Addie is visiting Ireland for her aunt s over the top destination wedding and hoping she can stop thinking about the one thing she did that left her miserable and heartbroken and threatens her future But her brother Ian isn t about to let her forget and his constant needling leads to arguments and even a fistfight between the two once inseparable siblings Miserable Addie can t wait to visit her friend in Italy and leave her brother and her problems behind So when Addie discovers an unusual guidebook Ireland for the Heartbroken hidden in the dusty shelves of the hotel library she s able to finally escape her anxious mind and Ian s criticism And then their travel plans change Suddenly Addie finds herself on a whirlwind tour of the Emerald Isle trapped in the world s smallest vehicle with Ian and his admittedly cute Irish accented friend Rowan As the trio journeys over breathtaking green hills past countless castles and through a number of fairy tale forests Addie hopes her guidebook will heal not only her broken heart but also her shattered relationship with her brother That is if they don t get completely lost along the way *Love Your Enemies* Gerd Steeger,2020-08-03 Gerd is a sceptical thinking man who questions everything yet never found the answers he was seeking He had no belief in spiritual questions due to the lack of scientific evidence Then one day at the age of 35 he started a perfectly normal day only to find himself on a bench overlooking the sea He was joined by a mysterious old man called Raphael who uncannily knew everything about him This wise old man proceeded to answer Gerd s deepest questions as to the meaning of life why there is good and evil what happens in the afterlife reincarnation and more importantly The real reasons why we are here on this Earth what we are here to learn and

why we should love our enemies This fascinating narrative covers a wide range of philosophical questions providing answers to the most fundamental questions of life and death based on over 25 years of research by the author into the hereafter By presenting this information in story form the reader is drawn into the conversation in a way no text book ever could The conclusions of this story will be life changing for all who read it [The Summoning](#) Catherine Victoria Thompson,2016-01-14
