

The Love of God

Lover Of God

Jan van Ruusbroec

Lover Of God:

Treatise on the Love of God St. Francis de Sales, 2013-08-20 *Treatise on the Love of God* is a manual intended to help believers strengthen their devotion to God. De Sales describes his project by saying it is truly my intention to represent simply and na vely without art still more without false colours the history of the birth progress decay operations properties advantages and excellences of divine love. The *Treatise* is divided into twelve books. The first four books explain the nature of the human soul and provide the history of divine love. Book Five explores the two principle exercises of love namely sacred complacency and benevolence. Books Six and Seven discuss the importance of practicing love through prayer while Books Eight and Nine express the importance of submitting to God s will. The final three books are devoted to exploring the practical importance of God s holy love in our lives. De Sales *Treatise* is a captivating depiction of love. *The Kingdom of the Lovers of God* Jan van Ruusbroec, 1919 The Love of God Christopher W. Morgan, 2016-09-30 Our understanding of the love of God has been tragically distorted. The comfortable sentimentalized version we commonly encounter today is far from the biblical depiction of God s love. Featuring contributions from well known evangelical scholars this multi disciplinary study presents the biblical view of the love of God from the perspectives of systematic theology biblical theology apologetics pastoral theology and ethics. The contributors including D A Carson Andreas J K stenberger Raymond C Ortlund Jr Robert L Plummer and many others address a variety of issues related to how God s love is expressed in the Old and New Testaments the Trinity apologetics Christian living social justice and more. This addition to the *Theology in Community* series will promote clear sound thinking about what Scripture means when it declares that God is love. Part of the *Theology in Community* series. **Divine Love in Islamic Mysticism** Binyamin Abrahamov, 2013-10-28 The two theories of divine love that are examined in this book have their foundations in Greek Jewish Christian and Muslim ideas. Al Ghaz l twelfth century was influenced mainly by Plato and Ibn Sina s teachings while al Dabb gh thirteenth century who accepted some Ghaz l an notions developed a theory of divine love that can be traced back to Neoplatonism. Both scholars created complete theories of divine love that include definitions of love its causes and signs the ways to love God God s love for man and kinds of love. The book will interest students of theology philosophy and mysticism in general and students of Islam in particular. God's Love Melissa Reeves, 2007-08 Reeves compares Gods love as a gift waiting to be opened. While mankind sees love as complicated Reeves says God sees love as simple and freely gives to all. *Practical Life* *Discover the Secret of True Love* Consolatus C. Okorundu, 2008-12-15 In the midst of the many hardships we endure in our daily lives it can be difficult to define the true meaning of love let alone find it. Yet living without such love can leave us empty and unfulfilled. Consolatus C Okorundu can help. Drawing on her personal relationship with God and many of her life experiences Okorundu explores the supreme definition of love and how it can offer us liberation from the darkness within our souls. With an in depth look at scriptures from the Holy Bible Okorundu shares how true love will always lead you to peace and harmony toward God others and

yourself Learn how the fruits of love patience understanding acceptance consideration honesty forgiveness and communication are the key to successful relationships with others whether it be your family your spouse your friends or even your co workers Okorundu also shares different personal interpretations of love from others to reveal how the common human experience unites us all But at its heart Discover the Secret of True Love shows the awesome love that God has for each of his children Find inner peace with the love from our almighty Father and renew your spirit To Love as God Loves Roberta C. Bondi,1987 Being a Christian means learning to love with God s love But God s love is not a warm feeling in the pit of the stomach It has definite characteristics we learn in the course of our life in the behavior and teaching of the early monastics as we ponder over what we can say about God as God deals with us and finally as we model our own lives on what we have learned God's Love Through the Spirit Kenneth Loyer,2014 Although the doctrine of the Holy Spirit has often been a neglected subject in theology it remains vital for understanding both the Christian confession of God as Trinity and the nature of the Christian life In view of those two topics God s Love through the Spirit examines the relationship between love and the person and work of the Holy Spirit in Thomas Aquinas and John Wesley two very different figures whose teachings on the Spirit and the Christian life are found to be on the whole surprisingly compatible An investigation into Aquinas s amor based pneumatology including a groundbreaking analysis of his recently discovered Pentecost sermon and a fresh assessment of the doctrine of sanctification in Wesley show that in distinctive yet largely complementary ways Aquinas and Wesley provide resources that can be used to reclaim a richer pneumatology specifically in relation to the theological virtue of love *God of Love and God of Judgement* Stephen K. Moroney,2009-07-06 How can a God of love also be a God of judgment If God loves everyone what is the point of judgment Does God change from being wrathful in the Old Testament to loving in the New Testament Can we discern God s judgments in current events such as hurricanes and personal tragedies Is it ever right for humans to judge These are not just daunting issues for theologians to ponder They are urgent questions for everyone Our answers profoundly affect how we relate to God and how we live with one another Coming to grips with these issues is vital for our spiritual journeys Many people today emphasize God s love and downplay his judgment The problem with this approach is that God s judgment is taught in Scripture from the beginning of Genesis to the end of Revelation and it is a core part of the gospel preached by Jesus and his apostles There are problems at the other end of the spectrum too when we believe in a God of judgment who is not also a God of love It is impossible for us to find spiritual peace when we live in constant dread of God pictured as a harsh judge whom we can never please This book calls us to embrace a more full biblical image of God one that joins his love and judgment together Additionally the book shows that as those who are made in God s image we can fuse love and judgment together constructively in our own daily lives **God's Love** Barry Gaddis,2019-09-20 It has been amazing to watch how God has transformed Barry from a non believer to a sold out on fire believer over the 3 years I have known him Barry is a true today Saul to Paul example As I have read his inserts for his book I have been

overwhelmed by the Jesus that now lives in him This book will change your thinking and challenge you on how deep is your walk with God Barry is truly living with Jesus in him and not on him May God continue to bless his work Pastor Bill This answers questions that we have as a young Christian You can actually see Gods hand in these writings Written by a man that after 40 years Living the way of the world as an addict He found his way to God Jesus and the Holy Spirit This is his thoughts questions opinions and some are conversations with the lord Very inspirational will definitely help those coming to know Christ Gods way and his love
