What You Need to Know and Do as a Human Being Joseph Ngoma, 2025-10-16

A Call to Reflect and Act In What You Need to Know and Do as a Human Being we've journeyed through the essential aspects of life that define who we are and how we fulfill our roles in the world. At the heart of these discussions is the family, God's divine institution designed to reflect His love and authority on Earth. This book invites you to embrace your role within your family and understand the spiritual significance of marriage, parenthood, and identity. From the sacred nature of marriage as a covenant to the responsibilities of parenthood and family management, this book encourages a return to biblical principles and the values that strengthen our homes. It challenges the growing cultural trends that undermine the family and provides practical guidance on how to overcome the challenges of broken homes, divorce, and irresponsible behavior. Most importantly, it reminds us that our roles within the family are not passive but active. We are called to nurture, protect, and grow together, reflecting God's love, truth, and authority in all that we do. As we embrace these truths, we not only fulfill our personal calling but also participate in God's greater plan for humanity. Let this book inspire you to reflect on your own family dynamics and take intentional steps to build stronger, more resilient relationships. In doing so, you'll contribute to a society that values the sanctity of the family and honors God's design.
