prominently figured at premier Western festivals and popular Asian appropriations like Bollywood manga and anime have created new kinds of globally accessible Shakespeare Essays in this collection engage with the emergent critical issues the efficacy of definitions of the local global transnational and cosmopolitan and of the liminalities and mobilities in between They further examine the politics of West and East the evolving markers of the Asian and the equation of the glocal with the Asian they attend to performance and archiving protocols and bring the current debates on translation appropriation and world literature to speak to the concerns of global and transnational Shakespeare These investigations analyse recent innovative Asian theatre productions popular cinematic and manga appropriations and the increasing presence of Shakespeare in the Asian digital sphere They provide an Asian standpoint and lens in rereading the processes of cultural globalisation and the mobilisation of Shakespeare

Web Security, Privacy & Commerce Simson Garfinkel, Gene Spafford, 2002 Web Security Privacy Commerce cuts through the hype and the front page stories It tells readers what the real risks are and explains how to minimize them Whether a casual but concerned Web surfer or a system administrator responsible for the security of a critical Web server this book will tell users what they need to know

Time and the Erotic in Horace's Odes Ronnie Ancona, 1994 Rejecting both the notion that Horace fails as a love poet because he undermines the romantic ideal that love conquers time and the notion that he succeeds because he eschews illusions about love's ability to endure this book challenges the assumption that temporality must inevitably pose a threat to the erotic The author argues that temporality understood as the contingency the male poet lover wants to but cannot control explains why love fails in Horace's Odes
