Alaskan tradition run by Jovi Wright's family until now. With her grandparents no longer at the helm, Jovi's parents are considering selling it. When her sister calls with the news, Jovi hops on a plane back home to help rescue the family business. Her plan: launch Grammie's salted caramel chews as a new product. But with Grammie's memory fading and the recipe missing, Jovi has her work cut out for her. Still reeling from being jilted by her fiancé, Jovi welcomes the distraction of trying to re-create the recipe from scratch. The distraction she's not so sure about is single dad Burke Solomon. The disillusioned author and his adorable little girl have moved in to his late aunt's cabin just down the road from her grandparents' home, where she's staying. And the discovery that their families have been feuding since before either of them were born is too irresistible to ignore. With a looming deadline and the stresses of single parenthood, the last thing Burke needs is a bright-eyed optimist like Jovi next door. But he finds himself asking for her help adjusting to life in Evergreen more than he'd like to admit. And untangling the history of what happened to the friendship between his late aunt and Jovi's Grammie provides an antidote to his writer's block. But when Burke unearths several shocking family secrets, will revealing them settle the feud or bring everything he and Jovi have been working toward crashing down around them? *Sweet Secrets in Pennsylvania (Just in Time, Book 2)* Cheri Pray Earl, Carol Lynch Williams, 2013-07-18
