Loves Shadow:

LOVE IS A SHADOW AVINASH PRADHAN, Love Is a Shadow by Avinash Pradhan In a world where love often shines in light this story dares to explore the darkness it leaves behind Love Is a Shadow is not a fairytale It s a raw emotional odyssey of Baibhav a boy burdened by the weight of first love silent heartbreak and the shadows of what once was Told through a shifting lens of memories and present day reflections the novel dives into Baibhav s deep unresolved feelings for Shakshi the girl who taught him what love could be and what it means to lose it without warning or closure As time weaves through past school corridors and quiet caf s to college struggles and inner healing each chapter unfolds like a scar he wears quietly This is a story of unsaid goodbyes shattered trust and the haunting beauty of a love that never really left just changed form With poetic scenes emotional flashbacks and a conclusion that leaves hearts heavy Love Is a Shadow is an unforgettable ride through the spaces between holding on and letting go For anyone who s ever loved deeply lost silently and asked themselves Was it all worth it this book might just hold your answer

Shadows of Love Bonnie Pike,2011-02-10 Where does someone find inspiration If you ask a roomful of writers where they get theirs you will probably get a room full of answers all of them totally different from the next For some it can come in the form of a loved one the one you picked up and held in your arms when they were born or the one you held as they breathed their last breath For some it can be found in a walk on a brisk N Y autumn day sharing the sun with crimson colored leaves For some it can even be found in the smell of hot coffee brewing on a morning after Or that illness that everyone feels at some time in their life but which the worlds best doctors and surgeons cant put their hands on it to heal heartache Within the confines of the cover of this book you will find a writer who has found her inspiration in all of these things and managed to take all of these special moments place them in poetic form and allow the reader to feel in their own right all of the things that consist of what we humans call life
