Thirty Days to Hope & Freedom from Sexual Addiction Milton S. Magness, 2010-12 A concise thirty day guide to healing from sexual addiction **Alcoholism and Substance Abuse** Gary G. Forrest, 1985 **Redemption from Addiction** Gerard Jerry Egan, 2011-12-27 There are awesome and powerful creative forces that can be fully tapped that will absolutely unleash our dreams and hopes transforming them into a desired reality or these very same forces will send us into the deepest darkest Hell we have ever known If a person fails to understand that they have a huge responsibility to take full possession and control of this great creative power then that failure to take this responsibility will always lead to these forces taking control of the person in an undesirable destructive and potentially deadly manner In other words opportunities and

temptations to use drugs or alcohol will present themselves as a direct result of failing to take control of these forces or misusing their power All addictions are a manifestation caused by the poor or improper use of these forces and powers The very Powers that govern the ability for anyone to accomplish anything in their lives for their good are the very same powers that can and will undermine and destroy those efforts This book will give you the essential Eleven Powers and Eleven Arts that will enable you to change your life The use of these Powers and Arts will enable you to take full control of not only your addiction but provide endless opportunities to create and design an entire new Destiny Addicts and alcoholics have inadvertently mastered the principles of success and use those very same concepts to assure their own failure and destruction By forcing yourself to do what you dont want to do enables you to gain hold of and grasp these powerful forces and turn them in the direction of success instead of failure Teach yourself and learn to direct the awesome creative forces within you and learn to turn your Possibilities into Probabilities Christian Faith Hope Love Minister MarcAlan (Marcus A. Toliver,2013-03-15 If you want to develop a relationship with God I recommend you read this book The purpose of this book is to help all people grow spiritually and mature in Christ Consider it a small victory in your life and spiritual battle when you identify and recognize the different ways Satan uses people to attack you This is a spiritual war When you are a Christian its never about you and people Its always about you and God No matter what you think or what your feelings are about a situation let go of your emotions and try to learn whatever lesson God is teaching you Try to see whatever God is showing you Try to become whatever God is molding you to be Trust whatever God is doing in you Embrace the change and your future Spiritual wisdom is greater and more valuable than human knowledge Live your life with a clear conscience and a sincere heart before God Live a Christian life by faith through the power of the Holy Spirit Because of Gods grace and mercy you can show the world what a saved and changed heart produces and what a life in Jesus Christ looks like Faith Hope Love
