Flourishing Love Enrico Gnaulati,2023-10-05 Flourishing Love is a secular defence of marriage and long term intimate partnership It rejects a moral religious code to govern love lives and instead puts its faith in the human potential for couples to be benevolent loyal and forgiving to preserve and enhance their romantic union Dr Gnaulati draws on a variety of sources to present the joint emotional upkeep necessary to make an intimate relationship not just satisfactory but vital and to illustrate what these lasting bonds look like The latest science anecdotes from his own 30 year marriage as well as from his psychotherapy practice the musings of ancient and contemporary philosophers and real life interviews from partners in long term happy marriages and intimate unions are all used to reveal the secrets to a successful romantic partnership The result is a how to of engaging in attentive and sensitive

communication employing a fairness habit of mind around household chores childrearing responsibilities and finances optimally moving through and beyond conflict keeping an erotic spark alive and ethically handling urges to stray outside the couple A must read for all those who crave meaning happiness and fulfilment in life and need their romantic partnerships to help not hinder in this endeavour Lacan's Four Fundamental Concepts of Psychoanalysis Roberto Harari, 2004-10-15 The informal tone of these ten lectures by Roberto Harari reflects their original character as classes held at El Centro de Extension Psicoanalitica del Centro Cultural General San Martin Buenos Aires Destined for a wider audience than just the psychoanalytical camp Harari s work presents the Lacanian endeavor without presupposition of specialized knowledge and yet without conceding intellectual subtlety Harari provides an introductory display of essential themes developed in Lacan s Four Fundamental Concepts of Psychoanalysis and offers his own insightful reading of the text s central ideas These ten classes sparked by the crucial Seminar XI within the teaching of Lacan reframe a wide range of questions in psychoanalysis for the professional in the field scholars and students across disciplines and interested lay readers Harari is so at ease with Lacan s oeuvre that he can dismantle and rebuild its structure so that order and logic suddenly appear inherent to Lacan s way of thinking The unconscious transference repetition and the drive are here reintroduced not only to do justice to Freud s insights but also to link these concepts to the larger question of the complex relationships between psychoanalysis religion and science Harari s didactic approach and his analytic style come together to bring us one step closer to understanding Lacan and one step closer to understanding ourselves *Modern European cinema and love* Richard Rushton, 2023-05-23 *Modern European cinema and love* examines nine European directors whose films contain stories about romantic love and marriage The directors are Jean Renoir Ingmar Bergman Alain Resnais Michelangelo Antonioni Agn s Varda Fran ois Truffaut Federico Fellini Jean Luc Godard and ric Rohmer The book approaches questions of love and marriage from a philosophical perspective applying the ideas of authors such as Stanley Cavell Leo Bersani Luce Irigaray and Alain Badiou while also tracing key concepts from Freudian psychoanalysis Each of the filmmakers engages deeply with notions of modern love and marriage often in positive ways but also in ways that question the institutions of love marriage and the couple **Ready@20** Dag Heward-Mills, 2022-05-18 Many people assume that their youthful years must be spent fooling around and playing games They assume that the things of God for the older more sober and wise hearted people They assume that the work of God is for the mature experienced sufferers who have been in this world and experienced many sad days However the secular world does not think so The secular world produces fighter jets costing millions of dollars and entrust this very expensive piece of equipment to young people and expects them to use it wisely Indeed after the age of thirty you usually cannot be trained or even accepted to be a fighter pilot Do you see how much confidence is placed in a young man Dag Heward Mills is a champion of the youth He strongly believes that young people are extremely capable of working for God and serving Him in the highest way possible This wonderfully informative and instructive book by celebrated author Dag Heward Mills will take

you through many things you must be Ready 20 to do Are you twenty years old and above Then you are ready for the army of the Lord Do not wait until it is late There are things you cannot do when you are older God requires young people too It is time to entrust our young people with great responsibility just as the armies of the world do God can and will use the young people to do great and mighty works
