Callie's Treasures JB Price,2014-06-16 Most agree that the universal cry of every human heart is Love What if that

hunger has its origin in our Creator What if that need has been programmed into our spiritual DNA What if God is the Love we yearn for What if a relationship with Him is the key to our deep seated longing What if intimacy with Him is a clue to our passionate desires What if we are not only loved but treasured Would such knowledge make a difference Callie David and Jesse encounter those questions in their personal searches for love and intimacy Will the culture of their day the cries of their own flesh and the frustrations of living in a less than perfect world blind them to the treasures hidden in surprising places Or will they discover the truth of Solomon 6 3 I am my Beloveds and my Beloved is mine Though each journey is different ultimately they individually face the same choice And their responses make all the difference **Love On The High Plains**
