Rosenberg, 2010-12-16 After the Revolutionary War despite political independence the United States still relied on other countries for manufactured goods Francis Cabot Lowell was one of the principal investors in building the India Wharf and the shops and warehouses close to Boston harbor His work was instrumental in establishing domestic industry for the United States and brought the Industrial Revolution to the United States From 1810 to the start of the War of 1812 he

traveled through Great Britain where he saw the tremendous changes caused by the Industrial Revolution starting with cotton textiles. On his return to the United States he focused on establishing a domestic textile industry to replace imported goods. With his brother-in-law Patrick Tracy Jackson he built the Boston Manufacturing Company at Waltham, America's first integrated mill. With his star mechanic Paul Moody he developed a power loom and other machines suitable for local conditions. The *Life and Times of Francis Cabot Lowell* 1775-1817 tells the story of this amazing man and the great success of the Boston Manufacturing Company which spurred the American industrial revolution. Francis Cabot Lowell's method—a detailed investment plan, cheap raw materials and power, a motivated labor force, a sound marketing plan, and above all modern technology—became the standard for the American factory of the nineteenth century. When Francis Cabot Lowell died, his associates established America's first industrial city and named it Lowell in his honor.

Bear Flag and Bay State in the Civil War Thomas E. Parson, 2024-12-06 The Second Massachusetts Cavalry included the only organized group of 5 companies totaling 504 men from California to fight in the east during the Civil War. Led by a young Boston aristocrat, Colonel Charles R. Lowell, these men began their wartime careers in Northern Virginia in 1862, clashing with the partisan rangers of Major John S. Mosby in a deadly world of guerrilla warfare. In August of 1864 the regiment was assigned to Major General Phil Sheridan's Army of Shenandoah and served through all of the battles in the victorious campaign to clear the valley of Confederates, witnessing the final surrender at Appomattox Courthouse. This account tells what these men from California and Massachusetts accomplished, how they communicated, and how they viewed themselves. The book contains three appendices that list the battle casualties of the regiment during its largest engagements. Photographs and a bibliography are also included.

Robert Lowell, *Setting the River on Fire* Kay Redfield Jamison, 2018-02-06 PULITZER PRIZE FINALIST In this magisterial study of the relationship between illness and art, the best-selling author of *An Unquiet Mind*, Kay Redfield Jamison brings an entirely fresh understanding to the work and life of Robert Lowell (1917-1977) whose intense, complex, and personal verse left a lasting mark on the English language and changed the public discourse about private matters. In his poetry, Lowell put his manic-depressive illness, now known as bipolar disorder, into the public domain, and in the process created a new and arresting language for madness. Here Dr. Kay Redfield Jamison brings her expertise in mood disorders to bear on Lowell's story, illuminating not only the relationships between mania, depression, and creativity, but also how Lowell's illness and treatment influenced his work, and often became its subject. A bold, sympathetic account of a poet who was both, despite and because of mental illness, a passionate original observer of the human condition.

Unsentimental Reformer Joan Waugh, 1997 A Brahmin member of an illustrious family, sister of the martyred Robert Gould Shaw who led his proud black troops against Fort Wagner, and later a war widow, Lowell constantly responded to changing ideological and economic conditions affecting the poor.

Amy Lowell, *American Modern* Adrienne Munich, Melissa Bradshaw, 2004 A collection of essays that explore the influence, work, and legacy of Pulitzer Prize-winning American poet Amy Lowell.
