Bickers,2014-11-15 *Red Water Black Gold* The Canadian River in Texas 1920 1999 tells the story of the Canadian River in the Texas Panhandle It is a tale of grand designs high hopes deep holes politics fishing follies foibles and environmental change Although efforts had been made to tap the Canadian River s waters before 1920 the discovery of oil in the Panhandle gave new urgency to the search for permanent water supplies Additionally the spread of groundwater irrigation amid the discovery of the limits of Ogallala Aquifer spurred regional interests to tap the Canadian But overestimates of the river s flow and unfamiliarity with the critical role groundwater played in maintaining that flow led to complications and frustrations culminating in a lawsuit over the location of the banks of a seemingly waterless river This book is a valuable addition to the water history of Texas and the American West and to the growing body of worldwide regional water histories Combining traditional historical sources with hydrology climatology and geology *Red Water Black Gold* complicates the traditional story of top down water management as well as telling the thus far untold story of the Canadian River in Texas *Gunfights & Sites in Texas Ranger History* Mike Cox,2015-09-07 Since colonizer Stephen F Austin proposed hiring ten rangers for the common defense in 1823 the Texas Rangers have protected the Lone Star State from its enemies with dedication and fortitude All across Texas are places where Rangers made history From the Alamo to nearly forgotten graves and battle sites important landmarks in the story of these legendary lawmen lie in every corner of the state Historian and author Mike Cox reveals history hiding in plain sight and true tall tales of the world famous Texas Rangers *Pictorial History of Country Music* ,1969 Subject Catalog, 1982 Library of Congress,1982 The Texas History Teachers' Bulletin ,1921 Subject Catalog Library of Congress,1982 *Narration in the Fiction Film* David Bordwell,2013-09-27 First Published in 1987 Routledge is an imprint of Taylor Francis an informa company *"Silas Burroughs, the Man who Made Wellcome"* Julia Sheppard,2022-05-26 Silas Burroughs arrived in London from America in 1878 and proved himself an exceptional entrepreneur taking the pharmaceutical business by storm He was the brains and energy behind Burroughs Wellcome Co With his business partner Henry Wellcome he created an internationally successful firm the legacy of which can be found in the charity the Wellcome Trust yet few now remember him and the impact he made in his short lifetime A consummate

Links to the Past Dan K. Utley, Stanley O. Graves, 2018-08-15 As they tee up make their approach shots or line up their putts few Texan golfers likely realize that the familiar landscapes of tee boxes fairways and greens can obscure stories from the past that played out on those same grounds Such little known links to the past include prehistoric campsites a Spanish presidio and a prairie where the Rough Riders trained as well as courses constructed by New Deal agencies in the Great Depression or military personnel in times of war Links to the Past The Hidden History on Texas Golf Courses takes readers on a tour of eighteen Texas golf courses with surprising connections to history On the front nine points of interest include encounters with dinosaur fossils near Austin a Comanche raid on a Spanish frontier presidio near Menard and a battle between Anglo buffalo hunters and Native Americans near Lubbock The back nine explores reminders of the East Texas lumber industry near Diboll a training ground for the Rough Riders outside downtown San Antonio and a race riot near Houston in 1917 to name a few In addition Dan K Utley with Stanley O Graves provide full histories of the courses themselves detailing their design and evolution and explaining how they came to be constructed at these historically significant sites Fun compelling and enlightening this book is a reminder that history has occurred all around us not just in historic districts state parks or even where official state markers might be found Featuring scorecards for each course that include location historical facts and a signature hole of history as well as historical and contemporary photographs and informative sidebars Links to the Past is sure to entertain Golfers history buffs and heritage tourists will want to toss this handy and engaging book in the front seat of the car or zip it into the side pocket of their golf bags
