Lucky Liliana Rhodes, 2017-09-05 Lucky is the two book boxed set of the novel LUCKY BREAK and THE BALLAD OF JUDE LUCKY BREAK Jude Morrison drummer songwriter rockstar god His poster hung from my bedroom wall and it wasn't just that he was hot he was a talented musician too He inspired me The one time I saw him perform live with Silverlight was enough to make me realize that was what I wanted to do with my life I got lucky but I've always been lucky that's my name I got a recording deal and a tour to go along with it Only problem is the record company wants a big name to be on tour with me I should have been happy hearing they tapped Jude Morrison for my tour instead I thought my luck had finally run out How am I supposed to perform with this cocky jerk

when I can't even take my eyes off of him. What's worse is when I catch him looking back at me. I want to forget about the bad boy I've heard about in the news. He says he's never been that guy and I should give him a chance. But am I really that lucky?

THE BALLAD OF JUDE The biggest rock band in the world owes it all to a muse. Zoey Ackerman has a weakness: rock stars. Their looks, their swagger, and if they tried to sweet-talk her with some lyrics, she'd probably melt on the spot. But when she takes a summer job at the hottest club in LA, the last thing she expects is to have to clean up after a bunch of wannabes. Backstage at amateur night, Jude Morrison is ready to give up on his dreams of rock stardom. That is, until he meets a pretty club rat. She's spirited, smart, and different from the other girls he's always falling for. And when she says she believes in him, he knows he's finally found his muse. Zoey had no idea a summer job would lead to her helping create one of the biggest rock bands in the world. But when Jude goes on tour, can their love survive the temptations of sex, drugs, and rock n' roll? This is a spin-off from the novel *Lucky Break*. *Lucky* includes a brand new epilogue, extended scenes, and a special note from the author about the inspiration behind *Lucky* and Jude.

Just Lucky John M. Findley, 2010-04-20 This is a very unusual book. It is full of stories of unexpected and sometimes hazardous experiences. It is an adventure book that will appeal to the young and old alike. Anyone who likes the outdoors and nature will enjoy reading this book. John writes the same way he speaks. The stories are told in a down-to-earth manner with just enough humor thrown in to make them enjoyable. If you ever had a desire to explore unknown territory or to hike a new trail, you will certainly enjoy the stories in this book. Editor's note: John Findley is a truly extraordinary man and has lived a life packed with more extraordinary experiences than any other ten people I know combined. He has written this book where he relives many of these experiences, and I have had the good fortune to help John with some of the construction of this book, but the words and style are his. John has detailed memories of his experiences which include skydiving in ways I wish I could have seen, spelunking in places I am glad I have missed, and attempting to swim through the Grand Canyon three times. You will like this book.

The Lucky Bag, 1927 *Lucky Star* Susannah Nix, 2022-05-17 A lonely barista's dreams come true when her celebrity crush asks her to pose as his fake girlfriend for the paparazzi. Boone Sheridan is a TV heartthrob with a public relations problem. He needs to clean up his image and create a distraction ASAP. What better way to do that than pretending he's settled down with a nice, wholesome, ordinary girlfriend? Eve Tracey is as ordinary as they come: a pre-school teacher and part-time barista working two jobs to make ends meet. She also happens to be a recovering Boone Sheridan superfan. So when the object of her former obsession walks into her coffee shop and makes her an unbelievable offer, how can she refuse? Acting like she's in love with Boone Sheridan is no problem for Eve. But she's read enough fake dating fanfics to know that being on the receiving end of Boone's pretend affection is almost certainly a recipe for heartbreak, and she's too realistic to believe the fantasy will extend any further than that. There's nothing for a starstruck fangirl to do but brace herself for the pain of letting Boone go at the end of their temporary arrangement.
