Lucky Strikes and a Three Martini Lunch Jennifer C. Dunn, Jimmie Manning, Danielle M. Stern, 2015-10-05 This second edition of Lucky Strikes and a Three Martini Lunch Thinking About Television s Mad Men explores the attributes of the AMC series that allow it to be such a popular and vital contribution to contemporary cultural discourse Set in the 1960s in New York the Emmy and Peabody winning series follows the competitive seductive and oftentimes ruthless lives of the men and women of Madison Avenue s advertising agencies

Many alluring and captivating qualities constitute the Mad Men experience the way it evokes nostalgia even from those who did not live in the era being portrayed its interrogations of identities and how these explorations of the past illuminate viewers concepts of the present the compelling and often heartbreaking relationships between characters trying to make their way in an ever changing and increasingly complex world and the titillation of the characters discovery of the power of mass mediated communication and its abilities to allow learning information sharing manipulation and connection not to mention how their journeys reflect our own in contemporary society The essays collected in this volume speak to both fans of the show who may not typically embrace theory and criticism as well as those who do Additionally this version was designed with educators in mind It still includes engaging essays that critically analyze the show from a multitude of perspectives but now they are organized in way to facilitate easy use in the classroom This structure allows educators to simply construct and conduct a course using this book as a primary textbook and organize the course according to the way it is laid out Each chapter provides any type of reader with the opportunity to think about and enjoy the show even after it is no longer on the air

Cigarettes, Inc. Nan Enstad, 2018-12-10 Traditional narratives of capitalist change often rely on the myth of the willful entrepreneur from the global North who transforms the economy and delivers modernity for good or ill to the rest of the world With Cigarettes Inc Nan Enstad upends this story revealing the myriad cross cultural encounters that produced corporate life before World War II In this startling account of innovation and expansion Enstad uncovers a corporate network rooted in Jim Crow segregation that stretched between the United States and China and beyond Cigarettes Inc teems with a global cast from Egyptian American and Chinese entrepreneurs to a multiracial set of farmers merchants factory workers marketers and even baseball players jazz musicians and sex workers Through their stories Cigarettes Inc accounts for the cigarette s spectacular rise in popularity and in the process offers nothing less than a sweeping reinterpretation of corporate power itself

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
