Dirigent Mercenary Corps books are classics of military science fiction Rick Shelley was himself a veteran of the U S Army and his experience and knowledge shine through on every page Side Show Rick Shelley,2024-04-25 The classic military science fiction trilogy continues as the Lucky 13th Spaceborne Assault Team embarks on a suicide mission across enemy lines The planet of Jordan has become a hellscape of blood violence and ever present death The world had been conquered by the brutal Schlinal Hegemony years ago But now the Accord of Free Worlds has decided to make a determined push to retake the territory they have lost to the enemy Now as the battle reaches a lethal stalemate Sgt Joe The Bear Baerclau and his 13th SAT receive orders to leave their perimeter and venture into the wild Their target a secret science lab that was in place before the Schlinal invasion Their orders find the scientists if they survived and return them to Accord lines And if that s not possible kill them and destroy all evidence of the lab Now Bear and his team must fight a running battle across dangerous unknown territory in search of a covert facility that may or not hide a dreadful secret Even more lethal than the landscape is the equally skilled Hegemony force that s hot on their trail and eager for the kill But for the Lucky 13th that s just another day on the job **Major** Rick Shelley,2011-06-30 A mercenary must defend a mining planet from a deadly horde of raiders in this fourth entry in the classic military science fiction action series The year is 2804 AD Humanity has colonized the universe But the authority of the Confederation of Human Worlds is spread thin Where the Army of planet Earth cannot reach mercenaries must keep the peace and the Dirigent Mercenary Corps are the best of the best Lon Nolan is skyrocketing through the ranks of the DMC proving time and again that he s got what it takes to be one of the most elite fighters in the galaxy But as his family grows he grows less certain that the mercenary life is for him With one kid at home and another on the way he grows more reluctant to march off to battle But when duty calls he must answer In Major Nolan is off to the mining planet of Bancroft on a routine security mission Of course this is the DMC so it won t stay routine for long The Dirigent Mercenary Corps books are classics of military science fiction Rick Shelley was himself a veteran of the U S Army and his experience and knowledge shine through on every page *Colonel* Rick Shelley,2011-07-06 Explosive space combat as a soldier faces his final battle from the national bestselling author of the Federation War series The year is 2804 AD Humanity has colonized the universe But the authority of the Confederation of Human Worlds is spread thin Where the army of planet Earth cannot reach mercenaries must keep the peace and the Dirigent Mercenary Corps are the best of the best As a young cadet all Lon Nolan ever dreamed of was serving in the military of planet Earth After a dishonorable discharge on trumped up charges he saved himself and his honor by joining up with the Dirigent Mercenary Corps Over the decades he s forged himself a place with the DMC and shown himself to be a true hero There s even talk that he might become the next General But Lon isn t after a promotion in fact he s thinking about retirement With his son in the Corps he s hoping he can leave the fighting to the next generation But when the political machinations of the Confederation of Human Worlds get in the way Lon has to return to the front lines leading not just his troops but his son among them into a final bitter campaign
