Banpaia A.J. Llewellyn, D. J. Manly, 2020-10-16 Chinatown Los Angeles Young men are disappearing from their beds sometimes vanishing as they cross the street with friends The few witnesses who actually report a strange mystical creature soon suffer memory lapses and die Yet the young men all return one by one They seem the same but they are different Strange things are happening all over Chinatown as if an odd mist enshrouds it None of the men who disappeared can say what happened to them Late at night however this legion of men in love and lust with the one they call Banpaia reach out for one another in the frenzy of their need For Feng Li a suicidal young man who feels he was saved by the legendary centuries old Japanese vampire yearns for only him For Feng there can be only one to claim his body and his heart

Dead Lucky Lincoln Hall, 2008-05-15 Lincoln Hall s breathtaking account of surviving a night in Everest s death zone Lincoln Hall likes to say that on the evening of May 25 2006 he died on Everest Indeed Hall attempted to climb the mountain during a deadly season in which eleven people perished And he was in fact pronounced dead after collapsing from altitude sickness Two Sherpas spent hours trying to revive him but as darkness fell word came via radio from the expedition s leader that they should descend in order to save

themselves The news of Hall s death traveled rapidly from mountaineering websites to news media around the world and ultimately to his family back in Australia Early the next morning however an American guide climbing with two clients and a Sherpa was startled to find Hall sitting cross legged on a sharp crest of the summit ridge In this page turning account of survival against all odds Hall chronicles in fascinating detail the days and nights that led up to his fateful night in Mount Everest s death zone His story is all the more miraculous given his climbing history Hall had been part of Australia s first attempt to reach the top of Everest in 1984 but had not done any major climbing for many years having set aside his passion in order to support his family While others in the team achieved their dream during this 1984 expedition Hall was forced to turn back due to illness Thus his triumph in reaching the summit at the age of fifty is a story unto itself So too is Hall s description of his family s experience back in Australia as sudden grief turned to relief and joy in a matter of hours Rarely has there been such a thrilling narrative of one man s encounter with the world s tallest mountain *Nicky's Secret* Vin Morreale,2003

Since San Francisco s origins as a Gold Rush town vampires have secretly owned a world wide chain of casinos Come the first nightfall of winter the Gaming Guild will hold the 25th Dark World Gambling Games Dirk DeVault is obsessed with winning and returning the guild to its former glory *Origins of the Geomancer* J.L. Connew,2011-12-07

In the year 2020 New Yorkborn arcana archaeologist Russell Samway discovers the Staff of the Great Geomancer a magical artefact that once belonged to one of the most powerful earth elementalists in history at an archaeological dig in England whilst under the onslaught of a small horde of merciless undead Half the globe away a group of individuals with unique skills and abilities is on their way to thwart an evil shamans machinations in Indonesia Surviving his ordeal in England against the merciless undead Russell returns to New York to enrol at a prestigious school of magic and befriends the group of unique individuals who thwart the evil shamans nefarious scheme in Indonesia Between the demons undead and juvenile shoplifters they come across Russell slowly gets to know these mysterious individuals who alone struggle to bring down one of the worlds most powerful secret societies during their long quest for ancient artefacts *Lucky Shot* B.J. Daniels,2015-11-24

He s determined to uncover the truth behind a decades old disappearance even if it kills him When hotshot reporter Max Malone gets a rare shot of Buckmaster Hamilton with a blonde woman near Beartooth Montana he chases down one of the senator s daughters to verify that the woman is his supposedly long dead first wife But Kat Hamilton won t give him the time of day let

Lucky 73 Aldona Sendzikas, 2010-03-07 Today USS Pampanito is a tourist destination During WWII the submarine earned six battle stars sank six Japanese ships damaged four others and rescued seventy three British and Australian POWs from the South China Sea Astonishingly this rescue happened three days after she sank one of the transport ships on which the Allied prisoners were being ferried to Japan The chain of events that led to this rescue is truly remarkable Captured in 1942 forced to spend fifteen months constructing the Burma Thai Railroad and then loaded onto floating concentration camps hellships as they were called the prisoners were in the wrong place at the wrong time when Pampanito and her wolf pack attacked a Japanese convoy Returning to the coordinates a few days later the crew was astonished to discover survivors in the water from among the more than 2 200 prisoners who had been aboard the Japanese ships Even more remarkable is that the officers and crew of Pampanito after picking up these men the Lucky 73 thought to have them record their thoughts and experiences while the events were still fresh in their minds before returning to port While working as curator for Pampanito Aldona Sendzikas discovered these documents and began an odyssey of tracking down one of the most incredible rescue stories of the Pacific War
