

Lucy Crawford's History of the White Mountains

Lucy Crawford's History Of The White Mountains

Rachel Sandford

Lucy Crawford's History Of The White Mountains:

The History of the White Mountains, from the First Settlement of Upper Coos and Pequaket Lucy Crawford, 1886 **Lucy Crawford's History of the White Mountains** Lucy Crawford, 1978 A nineteenth century original the classic account of America's first pathfinders **History of the White Mountains** Lucy Crawford, 1999-01-01 First published in 1846 Lucy Crawford's History of the White Mountains is perhaps the most important book ever published about the White Mountains of New Hampshire This is the genuine story of pioneers of exploration of growth development of a family that made enormous contributions to the lonesome life in the mountains that surrounded their farm In Lucy Crawford's own words this is the story of the hardships challenges that the Crawford family endured of the simple rewards that they enjoyed as they explored opened this wilderness for others to also enjoy This new 1999 edition has an introduction by John T B Mudge *The History of the White Mountains* Lucy Crawford, 1886 **History of the White Mountains** Lucy Crawford, Stearns Morse, Ray Nash, Ethan Allen Crawford, Marshall M. Tidd, 1797 Correspondence legal papers register account books and other papers of Lucy and Ethan Allen Crawford Includes several manuscripts of her History of the White Mountains an interleaved copy of the printed work with additions and corrections and M M Tidd's woodblocks for the publication Also includes papers relating to the publication of the book in 1966 and the republication in 1978 [White Mountains Hiking History](#) Mike Dickerman, 2013-06-04 Since the time of pioneer settlers Abel and Ethan Allen Crawford explorers and adventurers have been lured by the stunning peaks and lush valleys of New Hampshire's White Mountains In the nearly two centuries since the Crawfords constructed their first crude footpath onto the heights of Mount Washington and the Presidential Range the White Mountain trail system has evolved into an intricate network featuring more than 1 400 miles of marked paths Retrace the steps of early mountain guides such as Charles Lowe and Allen Old Man Thompson and learn how these early path makers made New England's most popular and extensive mountain trail system possible Longtime northern New Hampshire hiking columnist and guidebook author Mike Dickerman traces the fascinating story of this evolution with this new collection of profiles and reflections on the early trails and trailblazers of the region [This Vast Book of Nature](#) Pavel Cenkl, 2009-11 This Vast Book of Nature is a careful engaging accessible and wide ranging account of the ways in which the White Mountains of northern New Hampshire and by implication other wild places have been written into being by different visitors residents and developers from the post Revolutionary era to the days of high tourism at the beginning of the twentieth century Drawing on tourist brochures travel accounts pictorial representations fiction and poetry local histories journals and newspapers Pavel Cenkl gauges how Americans have arranged space for political and economic purposes and identified it as having value beyond the economic Starting with an exploration of Jeremy Belknap's 1784 expedition to Mount Washington which Cenkl links to the origins of tourism in the White Mountains to the transformation of touristic and residential relationships to landscape This Vast Book of Nature explores the ways competing visions of the

landscape have transformed the White Mountains culturally and physically through settlement development and most recently preservation a process that continues today

A Bibliography of the White Mountains Allen Herbert Bent, Appalachian Mountain Club, 1911

The History of the White Mountains Lucy Crawford, 2017-08-09 The History of the White Mountains from the first settlement of upper Coos and Pequaket is an unchanged high quality reprint of the original edition of 1883 Hansebooks is editor of the literature on different topic areas such as research and science travel and expeditions cooking and nutrition medicine and other genres As a publisher we focus on the preservation of historical literature Many works of historical writers and scientists are available today as antiques only Hansebooks newly publishes these books and contributes to the preservation of literature which has become rare and historical knowledge for the future

When Women and Mountains Meet Julie Boardman, 2001

Hidden History of New Hampshire D. Quincy Whitney, 2012-03-18 A collection of colorful stories about some of New Hampshire s most notable newsmakers and remarkable historic events Includes photos Hidden in the cracks and crevices of the Granite State are the stories of pioneers who pursued their passions creating legacies along the way Compiled by a Smithsonian researcher and former Boston Globe contributor this treasury includes tales of the mountain man who became an innkeeper the Bird Man who took his passion to the White House the gentleman who ascended the highest peak in the Northeast in a steam powered locomobile the story of one skier s dramatic win at the 1939 American Inferno Mount Washington race the Shaker Meetinghouse built in just one day in complete silence the gallant efforts to save the Old Man of the Mountain and much more

Waterfalls of the White Mountains Bruce R. Bolnick, Daniel Bolnick, Kyle van der Laan, 2019-08-06 Explore the scenic splendor of the White Mountains of New Hampshire with this guide to the Region s Waterfalls The White Mountains of New Hampshire are home to many gushing cascading waterfalls waiting to be discovered This completely revised and updated edition of Waterfalls of the White Mountains outlines hiking trails ideal for observing the more than 100 waterfalls in the region no matter experience level or ability Each hike opens with the trail at a glance overview including the distance difficulty altitude gain and directions to the starting point Helpful tips and suggestions are offered throughout like the best times of year for each hike best vantage points for viewing the falls great swimming holes for cooling down and uncrowded scenic treasures that are perfect for a woodland picnic Also featuring labeled maps and fascinating short essays on local history and lore Waterfalls of the White Mountains guides readers through their next excursion to the White Mountains of New Hampshire

The White Mountains Randall H. Bennett, 2003-07-01 This fabled district America s first tourist playground boasts the highest peaks in the Northeast and the world s worst weather Rising above the forests lakes and rivers of northern New Hampshire and western Maine this storied range is the centerpiece of the 770 000 acre White Mountain National Forest These mountains have witnessed centuries of change from Native Americans through early European settlers the arrival of railroads and automobiles and the rise of the grand hotels during the region s heyday

Gods in Granite Robert L. McGrath, 2001-03-01

Robert L McGrath leads a tour of New Hampshire's White Mountains through art and illustration spanning three centuries. He surveys often at an exhilarating pace the topographic and metaphoric landscape of New Hampshire's White Mountains through the artistic and tourist life of the region as it appears in paintings and illustrations. Extending from the late eighteenth to the late twentieth century, he includes by far the most extensive collection of pictorial works relating to the White Mountains to date. Although the scenic beauty of the White Mountains attracted many of America's most significant artists during the nineteenth and twentieth centuries such as Thomas Cole, Frank Stella, Winslow Homer, Fernand Leger, John Marin, and Marsden Hartley, no comprehensive account of this region's rich contribution to the history of American art has ever been published.

On the Road North of Boston Donna-Belle Garvin, James L. Garvin, 2003. First published in 1988 by the New Hampshire Historical Society and long since sought after, On the Road North of Boston is back in print. This richly illustrated entertaining book is an invaluable resource for New Hampshire residents and students of the state's history alike. Nine extensively researched and meticulously prepared chapters depict historic taverns and tavern society of eighteenth and nineteenth century New England. Donna Belle and James Garvin vividly reconstruct the physical landscape, the taverns themselves, the network of roads, travel conditions, traffic, and commerce. They immerse the reader in the contemporary tavern atmosphere, encounters with fellow travelers, food, drink, entertainment, and hospitality in its earliest incarnations on the road north of Boston. On the Road North of Boston contains rare and wonderful black and white illustrations of authentic tavern signs and furnishings, broadsides advertising tavern entertainments, early photographs and drawings of tavern buildings, road signs, vehicles, and bridges, portraits of tavern keepers, stage drivers, and itinerant performers. This book offers modern New England residents and travelers rich chronicles and visions of an age long past.

This Grand & Magnificent Place Christopher Johnson, 2006. A sweeping environmental history of a quintessential American wilderness.

Mount Washington, 1904. **Franconia Notch and the Women who Saved it** Kimberly A. Jarvis, 2007. An early 20th century case study of evolving grassroots notions of preservation and the role of women in the American conservation movement.

Continental Divide Maurice Isserman, 2016-04-21. This magisterial and thrilling history argues that the story of American mountaineering is the story of America itself. In Continental Divide, Maurice Isserman tells the history of American mountaineering through four centuries of landmark climbs and first ascents. Mountains were originally seen as obstacles to civilization; over time, they came to be viewed as places of redemption and renewal. The White Mountains stirred the transcendentalists; the Rockies and Sierras pulled explorers westward toward Manifest Destiny. Yosemite inspired the early environmental conservationists. Climbing began in North America as a pursuit for lone eccentrics but grew to become a mass participation sport. Beginning with Darby Field in 1642, the first person to climb a mountain in North America, Isserman describes the exploration and first ascents of the major American mountain ranges from the Appalachians to Alaska. He also profiles the most important American mountaineers, including such figures as John C. Fremont, John Muir, Annie Peck, Bradford Washburn, and Charlie Houston.

and Bob Bates relating their exploits both at home and abroad Isserman traces the evolving social cultural and political roles mountains played in shaping the country He describes how American mountaineers forged a brotherhood of the rope modeled on America s unique democratic self image that characterized climbing in the years leading up to and immediately following World War II And he underscores the impact of the postwar rucksack revolution including the advances in technique and style made by pioneering dirtbag rock climbers A magnificent deeply researched history Continental Divide tells a story of adventure and aspiration in the high peaks that makes a vivid case for the importance of mountains to American national identity **Provincial and State Papers** New Hampshire,1894
