New Perspectives On The Education Of Adults In The United States:

New Perspectives on the Education of Adults in the United States Huey B. Long, 2018-11-14 Originally published in 1987 this book addresses practical issues in the education of adults in the USA but also encompasses theoretical and abstract ideas There are chapters on 20th century initiatives in American adult education as well as education of the elderly and adult literacy

Training Educators of Adults Stephen Brookfield, 2018-12-07 Originally published in 1988 this book provides perspective on conceptualisations of adult education in the late 20th century the range of providing agencies and the varying orientations towards defining the role of the adult educator It draws together and contextualises a selection of the most important readings on adult education theory and practice The book will help develop critically reflective practitioners on adult education courses educators aware of the assumptions underlying their practice and capable of identifying theories and placing both theory and practice within the wider and ever changing socio politico context

Routledge Library Editions: Adult Education Various Authors, 2021-07-14 Against a background of profound worldwide social and economic change the concept of lifelong learning has come increasingly into the public eye As educators and policy makers rethink the meaning of education the purpose of schooling and the place of learning in our everyday lives educational institutions are opening up to those traditionally deprived of the opportunity The books in this set originally published between 1979 and 1992 including global case studies reflect upon major issues confronting adult educators worldwide and discuss the role of adult education in social and community action examine the relationship between class and adult education look at the concept of culture and the transmission of cultural values in relations to adult education evaluate the role of adult education in reducing unemployment

Homeschooling in New View Bruce S. Cooper, Frances R. Spielhagen, Carlo Ricci, 2016-01-01 Home schooling is an important and growing American phenomenon with only our first edition in the field This new 2nd edition will appeal to the home school world people interested in American education and the private school community Changes in the educational environment in the US over the last ten years have prompted growing numbers of parents to withdraw their children from public education Currently four percent of school age children in the United States are home schooled An array of educational researchers present various legal philosophical and personal perspectives to this new volume Changes in schooling and home schooling in Great Britain bring an interesting international perspective to this collection of research based information

Researching Widening Access to Lifelong Learning Beth Crossan, Jim Gallacher, Michael Osborne, 2004-07-15 This authoritative volume is a truly international contribution to the worldwide debate on how best to widen access to lifelong learning The first section of the book comprises research studies from around the world reflecting the diversity of contexts in which widening access is researched and considers issues central to the access debate including different understandings of the concept of access organisational and structural change curriculum development entry policies performance and retention and labour market

outcomes The second section illustrates diverse and innovative methodological approaches that have been employed by researchers in the field and considers the range of approaches available Given the growing concern around the world on the need to combat social exclusion and to improve economic circumstances through access to lifelong learning this book acts as a unique reference point informing the ongoing debate exploring the relationships between research policy and practice
