New Testament Concept Of Atonement The Gospel Of The Calvary Eventthe:

The New Testament Concept of Atonement HD McDonald, 2022-11-24 For the Christian faith questions relating to God can essentially be viewed as centred on the person of Jesus Christ In *The New Testament Concept of Atonement* H D McDonald uses this key insight to examine mankind's redemption focussing on Christ's atoning act as crucial in shaping God's relation to humanity and the world McDonald analyses elements which hold vital meanings and messages for the Christian doctrine of salvation In the first six chapters he investigates single terms within the New Testament such as tree or blood whose metonymical association with Christ's redeeming act has often become obscured over time Then various biblical interpretations of the Calvary event are studied In the final section he analyses the importance of the findings in previous chapters and their implications for Christology Detailed research underpins the text in the tradition of Reformed biblical scholarship with care taken to suggest further reading and trace sources

The Other Face of the Cross Alan Bradley, 2024-11-14 *The Other Face of the Cross* The Forbidden Testament of Death on Calvary by Barnabas The Other Face of the Cross unveils a forbidden gospel that history tried in vain to keep buried Based on the Apocryphal Testament known as the Gospel of Barnabas this hidden gospel confronts one of the most controversial mysteries of early Christianity the suggestion that it was Judas and not Jesus who was crucified For centuries this apocryphal Barnabas text was silenced hidden among secret manuscripts feared for the way it challenges the foundation of Christian faith In this daring exploration Alan Bradley delves into the lost gospels revealing Barnabas's forbidden witness of a divine exchange on the cross This ancient testament of a Christ follower describes how Judas Iscariot betrayer and symbol of guilt may have been sacrificed in place of Jesus spared from the crucifixion Locked away and suppressed for ages by those who sensed its disruptive power the Gospel of Barnabas offers an alternative gospel that questions the divinity of Christ As part of the biblical apocrypha this apocryphal crucifixion account stirs up Christian controversies and reveals the shadowy side of apostle narratives often left out of mainstream accounts A journey into ancient revelations and New Testament secrets *The Other Face of the Cross* connects readers with the historical documents of early Christianity unearthing hidden teachings and faith mysteries from an era when beliefs were fiercely contested With ties to gnostic texts and other historical Christian texts Bradley's account invites the reader into a landscape of forbidden writings and spiritual teachings where divine prophecy spiritual formation and historical gospels converge Here between myth and lost truth the echoes of a religious mystery call daring readers to question the early church and the alternative gospel it sought to conceal

The Word as True Myth Gary J. Dorrien, 1997-01-01 Gary Dorrien follows the threads of theology through the twentieth century examining how Christians have reconciled their myth-filled religious beliefs within a world secularized by Enlightenment criticism and science To understand how religion keeps its place in Christians' lives Dorrien writes we must explore how modern theologians have answered the question of myth in today's Christianity Dorrien's narrative walks readers through modern theology stopping with each of the major thinkers

along the way to see how they dealt with the issue of modern Christian mythology Ultimately he offers his own new neo orthodoxy a theology of Word and Spirit that is pluralistic and affirms the mythical character of the gospel while holding fast to the Gospels myth negating condemnation of idolatry and their focus on history New Testament Study Guide, Pt. 2

Randal S. Chase,2010-12-01 The second of three volumes on the New Testament discusses the final year of the Savior s ministry his prophecies of the last days and the second coming the Last Supper and on through his 40 day ministry among the Apostles and ascension into heaven The third volume covers most of the Book of Acts the New Testament epistles and the Book of Revelation Moody Bible Institute Monthly ,1921 **An Exposition of the Bible** Marcus Dods,Robert Alexander Watson,1907 **The Christian treasury (and missionary review).** ,1858 The Institute Tie ,1921 Christian Treasury ,1858 *THE LORD CHRIST AND THE TEACHING OF THE TWELVE* , *THE TRAINING OF THE TWELVE APOSTLES [Annotated]* A. B. Bruce,2022-05-26 Jesus Christ trained twelve ordinary men who were barely able to read and write who had typical jobs like fishermen who were very arrogant and transformed them into his most extraordinary most spiritual mature servants of all time A B Bruce herein gives us how Jesus accomplished this so that we can apply the same insights into our lives and achieve the same success for ourselves and help others to do the same If we are seeking greater spiritual depth and stability in our lives today this book is for us for it will mold and fashion us into a vessel that Jesus can use Follow Bruce through the Gospels as he explores the twelve men Christ selected as his disciples which will help us uncover how we can transform our human imperfections into serviceable instruments to help others The Trials, Crucifixion, and Burial of Jesus of Nazareth Woodrow Michael Kroll,2024-09-19 No event in the history of humankind has elicited more comment or sparked more controversy than the trials crucifixion and burial of Jesus of Nazareth The Trials Crucifixion and Burial of Jesus of Nazareth investigates each of these events in much detail from the historical archaeological theological geographical and biblical viewpoints The book distinguishes between the late night hurriedly called meeting of a quorum of Sanhedrin members and the official meeting in the Chamber of Hewn Stone the next morning It examines the ten charges made against Jesus and why they changed so often throughout his trial It also investigates the twenty five obvious irregularities from Jewish law that were evident in Jesus trial Explored is the legitimacy of applying Mishnaic law to a first century trial Every suggested location for the trial and crucifixion of the Master is explored along with the question Did Jesus really die and does it matter Finally a complete inventory of Jesus physical emotional and spiritual suffering between Gethsemane and Golgotha is provided along with appropriate comments This book is something of a one stop shop for all things related to the trials crucifixion and burial of Jesus *The Bible-work* James Glentworth Butler,1889 The Congregationalist and Christian World ,1908 Who is Jesus? Carl E. Braaten,2011-12-28 New Testament scholars have long debated the historical identity of Jesus and the development of Christology within the church s history In *Who Is Jesus* Carl Braaten reviews the various historical Jesus quests arguing that it is time for the current third quest to admit failure

Against the implication that the real Jesus has been lost and needs to be found Braaten maintains that the only real Jesus is the One presented in the canonical Gospels and that any other Jesus is irrelevant to Christian faith He draws on a wealth of historical resources to address such contentious questions as these What can we actually know about Jesus of Nazareth Did Jesus really rise from the dead Is Jesus unique the one and only way of salvation Why did Jesus have to die on the cross Was Jesus the founder of the Christian church What does Jesus have to do with politics
