Volume 15, Part 3 Clive Barker, Simon Trussler, 1999-11-25 One of a series discussing topics of interest in theatre studies from theoretical methodological philosophical and historical perspectives The books are aimed at drama and theatre teachers advanced students in schools and colleges arts authorities actors playwrights critics and directors *Thatcher's Theatre* D. Keith Peacock, 1999-03-30 The Thatcher administration of 1979 to 1990 had a profound and apparently lasting effect on British theatre and drama It is now roughly a decade since the fall of Margaret Thatcher and with the benefit of hindsight it has become possible to disentangle fact from fantasy concerning her effect on the British theatre During her administration there was a significant cultural shift which affected drama in Britain While some critics have argued that the theatre was simply affected by financial cutbacks in arts subsidies this volume challenges that view While it looks at the economic influence of Thatcher's policies it also examines how her ideology shaped theatrical and dramatic discourse It begins by defining Thatcherism and illustrating its cultural influence It then examines the consequences of Thatcherite policies through the agency of the Arts Council of Great Britain Having established this political and cultural environment the book considers in detail the effect of Thatcher's administration on the subject matter and dramatic and theatrical discourse of left wing drama and on the subsidized political theatre companies which proliferated during the 1970s Attention is then given to the development of constituency theatres such as Women's and Black Theatre which assumed an oppositional cultural stance and in some cases attempted to develop characteristic theatrical and dramatic discourses The penultimate chapter deals with the effect of Thatcherite economic policy and ideology on new writing and performance while the final chapter draws conclusions and suggests that the cultural shift perpetrated by the Thatcher regime has altered the status of subsidized theatre from an agency of cultural spiritual social or psychological welfare to an entertainment industry which is viewed as largely irrelevant to the workings of society *New Theatre Quarterly 65: Volume 17, Part 1* Clive Barker, Simon Trussler, 2001-02-08 Provides an international forum where theatrical scholarship and practice can meet New Theatre Quarterly 43: Volume 11, Part 3 Clive Barker, Simon Trussler, 1995-11-16 One of a series discussing topics of interest in theatre studies from theoretical

methodological philosophical and historical perspectives *New Theatre Quarterly 56: Volume 14, Part 4* Clive Barker, Simon Trussler, 1999-06-24 New Theatre Quarterly provides a lively international forum where theatrical scholarship and practice can meet and where prevailing dramatic assumptions can be subjected to critical questioning Articles in Volume 66 will include Dario Fo the Commune and the Battle for the Palazzina Liberty Dramaturgy according to Daedalus Other Spaces of Translation the Theatre of Bernard Marie Kolt s Everybody Got Their Brown Dress Millennium Revivals of the Medieval Mysteries Suffrage Shrews Mary Pickford s Katherina and the Stratford Visit to Los Angeles Alternative Theatre in Poland since 1989 **Women, Activism and Apartheid South Africa** Bev Orton, 2018-10-05 This book investigates women s political activism and conflict in the struggle against apartheid in South Africa using play texts alongside interviews with female playwrights and women who worked within the theatre to examine issues around domestic violence racial abuse and women in detention without trial *Shakespeare's Imagined Persons* P. Murray, 1996-05-10 Challenging our understanding of ideas about psychology in Shakespeare s time Shakespeare s Imagined Persons proposes we should view his characters as imagined persons A new reading of B F Skinner s radical behaviourism brings out how contrary to the impression he created Skinner ascribes an important role in human behaviour to cognitive activity Using this analysis Peter Murray demonstrates the consistency of radical behaviourism with the psychology of character formation and acting in writers from Plato to Shakespeare an approach little explored in the current debates about subjectivity in Elizabethan culture Murray also shows that radical behaviourism can explain the phenomena observed in modern studies of acting and social role playing Drawing on these analyses of earlier and modern psychology Murray goes on to reveal the dynamics of Shakespeare s characterizations of Hamlet Prince Hal Rosalind and Perdita in a fascinating new light
