

The background of the book cover is a painting. It depicts a field of sunflowers in the foreground, their bright yellow heads and dark centers contrasting with the muted, greyish-brown tones of the background. In the distance, a dark, leafless tree stands against a hazy, overcast sky. The overall mood is contemplative and somewhat somber, yet the sunflowers bring a touch of life and light to the scene.

The Hour of Testing Donald Haggerty,2025-03-01 In every century of Christianity lives of serious discipleship have been lived in response to not in isolation from the state of the Church and the world The inherent link between history and Catholic spirituality

between holiness and the dark forces at work in a given era is as real and pertinent today as ever In this powerful work that may very well prove prophetic renowned spiritual writer Fr Donald Haggerty plumbs the depths of this connection offering a profound reflection on the signs of the times both inside and outside the Church and unfolding their implications for believers today Echoing Ra ssa Maritain s remark that Jesus will be in agony till the end of the world this book posits that the Church may live out within history a trial mirroring the Passion of her Lord and that union with Jesus suffering must be central in the spiritual lives of her individual members Against a darkening historical backdrop the would be saints of today must be ready to accept and embrace in love through prayer and for the sake of the Church a mysterious replication of Jesus last week in their own lives With keen spiritual insight and characteristic eloquence Fr Haggerty explores what it means to pursue holiness seriously in the 21st century being sanctified in and through the Church s present or perhaps still impending hour of testing

Thompson, Over the last two decades traditional formulations of the idea of atonement have come under heavy attack from feminist theologians and others They argue that the traditional view valorizes suffering and encourages people to acquiesce in needless self sacrificing that it is unseemly to think of God as demanding suffering of his son and that the theology of the cross needs to be rethought in light of the whole life ministry and resurrection of Jesus Equally committed to the insights of the theology of the cross and feminist theology Deanna Thompson takes up these contentious issues here in a creative and nuanced way Her work emerges from direct engagement with Martin Luther and the Heidelberg Disputation as well as with the architects of reformist feminism She finds surprising common ground on issues of suffering abuse atonement reform ethics and the import of Jesus and her book culminates in a constructive and promising feminist theology of the cross
