North America Wall Map:

North America Executive National Geographic Maps, 2014-11-10 The Executive political map of North America is a striking example of the cartographic excellence National Geographic is known for. From the far northern reaches of the Arctic to the crown of South America, the antique color palette, stunning shaded relief, and easy-to-read fonts make this map both beautiful and functional. International boundaries are clearly defined, and thousands of place names, waterbodies, mountain ranges, airports, major highways, and roads are included. In addition to Canada, the United States, Mexico, and Central America, coverage includes Iceland, Greenland, the island nations of the Caribbean, Venezuela, and Colombia. An inset map provides detail of the Bering Sea and the Aleutian Islands. The map is encapsulated in heavy-duty 1/6 mil laminate, which makes the paper much more durable and resistant to the swelling and shrinking caused by changes in humidity. Laminated maps can be framed without the need for glass, so the frames can be much lighter and less expensive. Map Scale 1:14,009,000. Sheet Size 23 5/8 x 30 25/32. *North America Wall Map* Hammond World Atlas Corporation

Staff, Langenscheidt Publishers, 2001-06 These 50 x 38 wall maps are the ideal reference tool for keeping geographically informed about today's world. With a contemporary design and eye-pleasing colors, these maps are a beautiful and functional addition to any home or office. United States map features major interstate highways plus 21 metropolitan area maps. World Map available in English and Spanish language editions includes flags of all independent nations, time zones, and sea routes. Regional Maps offer an increased level of detail than that offered on the broader World Map. *North America Classic* National Geographic Maps - Reference, National Geographic Maps, 2013-01-01 The political map of North America features trademark National Geographic detail and accuracy. The map shows country boundaries, place names, major highways, and roads, bodies of water, and more. An inset map shows the Aleutian Islands off the coast of Alaska. Map is printed on premium quality paper, stock-rolled, and packaged in a clear hard plastic tube. Map Scale 1:14,009,000. Sheet Size 23 5/8 x 30 25/32.
